JURISDICTION OF THE COMMITTEE ON AGRICULTURE

Rules of the House of Representatives

Rule X

Establishment and Jurisdiction of Standing Committees

1. There shall be in the House the following standing committees, each of which shall have the jurisdiction and related functions assigned by this clause and clauses 2, 3, and 4. All bills, resolutions, and other matters relating to subjects within the jurisdiction of the standing committee listed in this clause shall be referred to those committees, in accordance with clause 2 of rule XII, as follows:

(a) COMMITTEE ON AGRICULTURE

- (1) Adulteration of seeds, insect pests, and protection of birds and animals in forest reserves.
- (2) Agriculture generally.
- (3) Agricultural and industrial chemistry.
- (4) Agricultural colleges and experiment stations.
- (5) Agricultural economics and research.
- (6) Agricultural education extension services.
- (7) Agricultural production and marketing and stabilization of prices of agricultural products, and commodities (not including distribution outside of the United States).
- (8) Animal industry and diseases of animals.
- (9) Commodity exchanges.
- (10) Crop insurance and soil conservation.
- (11) Dairy industry.
- (12) Entomology and plant quarantine.
- (13) Extension of farm credit and farm security.
- (14) Inspection of livestock, poultry, meat products, and seafood and seafood products.
- (15) Forestry in general, and forest reserves other than those created from the public domain.
- (16) Human nutrition and home economics.
- (17) Plant industry, soils, and agricultural engineering.
- (18) Rural electrification.
- (19) Rural development.
- (20) Water conservation related to activities of the Department of Agriculture.

Jul. 30, 2012

Mr. Lucas

To provide a one-year extension of the Food, Conservation, and Energy Act of 2008, with certain modifications and exceptions, to make supplemental agricultural disaster assistance available for fiscal years 2012 and 2013, and for other purposes.

July 30, 2012—Referred to the House Committee on Agriculture.

July 30, 2012—Cost estimate to draft bill of H.R. 6228, submitted by the Congressional Budget Office.

July 30, 2012—Letter to Committee on Rules from Chairman Lucas requesting a rule.

H.R. 6231

Jul. 30, 2012

Mr. Ribble, and Mr. Duffy

To authorize the Secretary of Agriculture to use funds derived from conservation-related programs executed on National Forest System lands to utilize the Agriculture Conservation Experienced Services Program.

July 30, 2012—Referred to the Committee on Agriculture, and in addition to the Committee on Natural Resources, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned.

August 2, 2012—Referred to the Subcommittee on National Parks, Forest, and Public Lands, Committee on Natural Resources.

August 13, 2012—Referred to the Subcommittee on Conservation, Energy, and Forestry, Committee on Agriculture.

H.R. 6233

Jul. 31, 2012

Mr. Lucas

To make supplemental agricultural disaster assistance available for fiscal year 2012 with the costs of such assistance offset by changes to certain conservation programs, and for other purposes.

“Agricultural Disaster Assistance Act of 2012”

July 31, 2012—Referred to the House Committee on Agriculture.

August 1, 2012—Committee on Rules Resolution, H. Res. 752 reported to House, H. Rept. 112–644.

August 1, 2012—Cost Estimate on H.R. 6233 as introduced, submitted by the Congressional Budget Office.

August 2, 2012—Committee on Rules Resolution, H. Res. 752 passed House by a recorded vote of 235 yeas to 181 nays. (Roll Call No. 549).

August 2, 2012—H.R. 6233 passed the House by a recorded vote of 223 yeas to 197 nays. (Roll Call No. 554).

September 10, 2012—Referred to the Senate Committee on Agriculture, Nutrition, and Forestry.

Related Bill(s)—S. 3240.

H.R. 6239

Jul. 31, 2012

Mr. Graves of Missouri; and (added Nov. 13, 2012)
Mr. Luetkemeyer

To amend the Food and Nutrition Act of 2008 to prevent the payment of cash to recipients of supplemental nutrition assistance for the return of empty bottles and cans used to contain food purchased with benefits provided under such Act.

“SNAP Fraud Prevention Act of 2012”

July 31, 2012—Referred to the House Committee on Agriculture.

August 13, 2012—Referred to the Subcommittee on Nutrition and Horticulture.

BILLS OF INTEREST

(**Note:** For further action see H.R. 8 [P.L. 112–240] under Bills of Interest).

S. 3552

Sep. 13, 2012

Ms. Stabenow, and Mr. Roberts

To reauthorize the Federal Insecticide, Fungicide, and Rodenticide Act.

“Pesticide Registration Improvement Extension Act of 2012”

September 13, 2012—Introduced in the Senate and passed without amendment by Unanimous Consent.

September 14, 2012—Received in the House and held at the desk.

September 14, 2012—Passed the House by Unanimous Consent.

September 20, 2012—Presented to the President.

September 28, 2012—Signed by the President

September 28, 2012—Became Public Law 112–177.

AUTHOR INDEX*

ACKERMAN, Gary L. of New York

- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3233** To amend the Food and Nutrition Act of 2008 to exclude the value of vehicles used for household transportation, or to obtain or continue employment, from the resource limitation applicable to determine eligibility to receive supplemental nutrition assistance.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3704 *** To amend the Humane Methods of Livestock Slaughter Act of 1958 to ensure the humane slaughter of nonambulatory livestock, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 6613** To establish the Securities and Derivatives Commission in order to combine the functions of the Commodity Futures Trading Commission and the Securities and Exchange Commission in a single independent regulatory commission.

ADAMS, Sandy of Florida

- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.

ADERHOLT, Robert B. of Alabama

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 3454** To amend the Food Security Act of 1985 with respect to maximum enrollment and eligible land in the conservation reserve program.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term "biobased product".

AKIN, W. Todd of Missouri

- H.R. 87** To repeal the Dodd-Frank Wall Street Reform and Consumer Protection Act.
- H.R. 408** To reduce Federal spending by \$2.5 trillion through fiscal year 2021.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.

ALEXANDER, Rodney of Louisiana

- H.R. 848 *** To require the Forest Service to accommodate, to the extent consistent with the management objectives and limitations applicable to the National Forest System lands at issue, individuals with mobility disabilities who need to use a power-driven mobility device for reasonable access to such lands.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.

ALTMIRE, Jason of Pennsylvania

- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1277** To authorize the Secretary of Homeland Security to make grants for public-private partnerships that finance equipment and infrastructure to improve the public safety of persons who are residents of rural areas of the United States near the border with Mexico by enhancing access to mobile communications, and for other purposes.
- H.R. 1443** To protect the use of traditional hunting and fishing implements and to prevent unnecessary and unwarranted restrictions on the implements used by the hunting and fishing communities.
- H.R. 1444** To require that hunting activities be a land use in all management plans for Federal land under the jurisdiction of the Secretary of the Interior or the Secretary of Agriculture to the extent that such use is not clearly incompatible with the purposes for which the Federal land is managed, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.

* The entries with an (*) asterisk denote an original cosponsor.

AUTHOR INDEX

ALTMIRE, Jason of Pennsylvania

- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 4089** To protect and enhance opportunities for recreational hunting, fishing and shooting.

AMODEI, Mark E. of Nevada

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1485** To address the public health and safety threat presented by the risk of catastrophic wildfire on Federal forestlands by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest restoration, forest health, and watershed restoration.
- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 3685** To amend the Herger-Feinstein Quincy Library Group Forest Recovery Act to extend and expand the scope of the pilot forest management project required by that Act.
- H.R. 4234** To amend the Federal Land Policy and Management Act of 1976 to improve the management of grazing leases and permits, and for other purposes.
- H.R. 4976 *** To provide for the conveyance of small parcels of National Forest System land and small parcels of public lands administered by the Bureau of Land Management to landowners whose lands share a boundary with the National Forest System land or public lands, and for other purposes.
- H.R. 5744** To address the forest health, public safety, and wildlife habitat threat presented by the risk of wildfire, including catastrophic wildfire, on National Forest System lands and public lands managed by the Bureau of Land Management by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest health, and economic development, and for other purposes.
- H.R. 5991** To promote the development of renewable energy on public lands, and for other purposes.
- H.R. 6089** To address the bark beetle epidemic, drought, deteriorating forest health conditions, and high risk of wildfires on National Forest System land and land under the jurisdiction of the Bureau of Land Management in the United States by expanding authorities established in the Healthy Forest Restoration Act of 2003 to provide emergency measures for high-risk areas identified by such States, to make permanent Forest Service and Bureau of Land Management authority to conduct good-neighbor cooperation with States to reduce wildfire risks, and for other purposes.

ANDREWS, Robert E. of New Jersey

- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.

ANDREWS, Robert E. of New Jersey

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3233** To amend the Food and Nutrition Act of 2008 to exclude the value of vehicles used for household transportation, or to obtain or continue employment, from the resource limitation applicable to determine eligibility to receive supplemental nutrition assistance.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3569** To improve Indian education, and for other purposes.
- H.R. 3646** To require foreign manufacturers of products imported into the United States to establish registered agents in the United States who are authorized to accept service of process against such manufacturers, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.

AUSTRIA, Steve of Ohio

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 4089** To protect and enhance opportunities for recreational hunting, fishing and shooting.

BACA, Joe of California

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.
- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 530 *** To amend the Food and Nutrition Act of 2008 to remove the ineligibility of individuals who participate in a strike.
- H.R. 533** To provide for the conveyance of a small parcel of Natural Resources Conservation Service property in Riverside, California, and for other purposes.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1465** To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
- H.R. 1561** To enhance the safety of ports of entry in the United States, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.

AUTHOR INDEX

BACA, Joe of California

- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 3017** To provide for a more structured and stable domestic agricultural labor market in the United States, and for other purposes.
- H.R. 3225** To promote and enhance community agricultural production and technology in nontraditional communities through the establishment of a new office in the Department of Agriculture to ensure that Department authorities are coordinated more effectively to encourage local agricultural production and increase the availability of fresh food in nontraditional communities, particularly underserved communities experiencing hunger, poor nutrition, obesity, and food insecurity, and for other purposes.
- H.R. 3283** To amend the Commodity Exchange Act and the Securities Exchange Act of 1934 to provide an exemption for certain swaps and security-based swaps involving Non-U.S. persons, and for other purposes.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3569 *** To improve Indian education, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 3905 *** To authorize the Secretary of Agriculture to award grants for the establishment of veterans gardens that are operated by veterans and designed to produce food that can be sold to individuals, schools, and restaurants.
- H.R. 4280** To amend the Food and Nutrition Act of 2008 to provide that Puerto Rico may be treated in the same manner as the several States for the purpose of carrying out the supplemental nutrition assistance program under such Act.
- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.
- H.R. 4351** To provide assistance and opportunity for the creation and support of sustainable agriculture activities in America's cities and to improve access to nutrition in America's cities.

BACHMANN, Michele of Minnesota

- H.R. 87 *** To repeal the Dodd-Frank Wall Street Reform and Consumer Protection Act.
- H.R. 408** To reduce Federal spending by \$2.5 trillion through fiscal year 2021.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.

BACHUS, Spencer T. of Alabama

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 1573** To facilitate implementation of title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act, promote regulatory coordination, and avoid market disruption.

BACHUS, Spencer T. of Alabama

- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 1872** To require the Administrator of the Environmental Protection Agency to consider the impact on employment levels and economic activity prior to issuing a regulation, policy statement, guidance, or other requirement, implementing any new or substantially altered program, or issuing or denying any permit, and for other purposes.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 3454** To amend the Food Security Act of 1985 with respect to maximum enrollment and eligible land in the conservation reserve program.
- H.R. 3630** To provide incentives for the creation of jobs, and for other purposes.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term "biobased product".

BALDWIN, Tammy of Wisconsin

- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2675** To amend the Food, Conservation, and Energy Act of 2008 to authorize producers on a farm to produce fruits and vegetables for processing on the base acres of the farm.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3646** To require foreign manufacturers of products imported into the United States to establish registered agents in the United States who are authorized to accept service of process against such manufacturers, and for other purposes.
- H.R. 4457** To require the Commodity Futures Trading Commission to take certain actions to reduce excessive speculation in energy markets.
- H.R. 5955** To amend the Farm Security and Rural Investment Act of 2002 to improve energy programs.

BARLETTA, Lou of Pennsylvania

- H. Res. 761 *** Expressing the sense of the House of Representatives regarding the practice of gassing stray cats and dogs.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1274** To gain operational control of the border, enforce immigration laws, strengthen visa security, and for other purposes.
- H.R. 1385** To repeal the sugar price support program and marketing allotments for sugar, and for other purposes.
- H.R. 1739** To repeal the Federal sugar program.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.

AUTHOR INDEX

BARLETTA, Lou of Pennsylvania

- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 4297** To reform and strengthen the workforce investment system of the Nation to put Americans back to work and make the United States more competitive in the 21st Century.

BARROW, John of Georgia

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 3527** To amend the Commodity Exchange Act to clarify the definition of swap dealer.

BARTLETT, Roscoe G. of Maryland

- H.R. 90 *** To provide for Federal research, development, demonstration, and commercial application activities to enable the development of farms that are net producers of both food and energy, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 1872** To require the Administrator of the Environmental Protection Agency to consider the impact on employment levels and economic activity prior to issuing a regulation, policy statement, guidance, or other requirement, implementing any new or substantially altered program, or issuing or denying any permit, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4153** To support efforts to reduce pollution of the Chesapeake Bay watershed, and for other purposes.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.

BARTLETT, Roscoe G. of Maryland

- H.R. 6068** To provide for continued conservation efforts in the Chesapeake Bay watershed.
- H.J. Res. 85** Disapproving the rule of the Agricultural Marketing Service of the Department of Agriculture with respect to the establishment of a Christmas tree promotion, research, and information program.

BARTON, Joe of Texas

- H.R. 408** To reduce Federal spending by \$2.5 trillion through fiscal year 2021.
- H.R. 1343** To return unused or reclaimed funds made available for broadband awards in the American Recovery and Reinvestment Act of 2009 to the Treasury of the United States.
- H.R. 4322** To clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State.

BASS, Charles F. of New Hampshire

- H.R. 765** To amend the National Forest Ski Area Permit Act of 1986 to clarify the authority of the Secretary of Agriculture regarding additional recreational uses of National Forest System land that is subject to ski area permits, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1343 *** To return unused or reclaimed funds made available for broadband awards in the American Recovery and Reinvestment Act of 2009 to the Treasury of the United States.
- H.R. 1739** To repeal the Federal sugar program.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.

BASS, Karen of California

- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2193** To amend title IV of the Social Security Act to ensure funding for grants to promote responsible fatherhood and strengthen low-income families, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 3333** To amend part E of title IV of the Social Security Act to require States to help alien children in the child welfare system apply for all available forms of immigration relief, and for other purposes.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3569** To improve Indian education, and for other purposes.
- H.R. 3638** To create American jobs and reduce the deficit, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.

AUTHOR INDEX

BASS, Charles F. of New Hampshire

H.R. 4141 To direct the Administrator of the United States Agency for International Development to take appropriate actions to improve the nutritional quality, quality control, and cost effectiveness of United States food assistance, and for other purposes.

BECERRA, Xavier of California

H.R. 1148 To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.

H.R. 2954 To improve the health of minority individuals, and for other purposes.

H.R. 3333 To amend part E of title IV of the Social Security Act to require States to help alien children in the child welfare system apply for all available forms of immigration relief, and for other purposes.

H.R. 3569 To improve Indian education, and for other purposes.

H.R. 3798 To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.

BENISHEK, Dan of Michigan

H.R. 1167 To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.

H.R. 1444 To require that hunting activities be a land use in all management plans for Federal land under the jurisdiction of the Secretary of the Interior or the Secretary of Agriculture to the extent that such use is not clearly incompatible with the purposes for which the Federal land is managed, and for other purposes.

H.R. 1581 To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.

H.R. 1697 To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.

H.R. 2209 * To replace the current Forest Service administrative appeals process with a pre-decisional administrative review process modeled after the successful approach used in the Healthy Forests Restoration Act of 2003, and for other purposes.

H.R. 2834 * To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.

H.R. 4089 To protect and enhance opportunities for recreational hunting, fishing and shooting.

H.R. 5731 To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.

H.R. 5873 To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term "biobased product".

BERG, Rick of North Dakota

H.R. 872 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.

H.R. 1148 To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.

H.R. 4234 To amend the Federal Land Policy and Management Act of 1976 to improve the management of grazing leases and permits, and for other purposes.

BERG, Rick of North Dakota

H.R. 4322 To clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State.

H.R. 4480 To provide for the development of a plan to increase oil and gas exploration, development, and production under oil and gas leases of Federal lands under the jurisdiction of the Secretary of Agriculture, the Secretary of Energy, the Secretary of the Interior, and the Secretary of Defense in response to a drawdown of petroleum reserves from the Strategic Petroleum Reserve.

H.R. 5744 To address the forest health, public safety, and wildlife habitat threat presented by the risk of wildfire, including catastrophic wildfire, on National Forest System lands and public lands managed by the Bureau of Land Management by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest health, and economic development, and for other purposes.

BERKLEY, Shelley of Nevada

H.R. 835 To amend the Animal Welfare Act to provide further protection for puppies.

H.R. 1148 To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.

H.R. 1176 To amend the Specialty Crops Competitiveness Act of 2004 to include farmed shellfish as specialty crops.

H.R. 2256 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.

H.R. 2492 To prohibit attendance of an animal fighting venture, and for other purposes.

H.R. 2966 To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.

H.R. 3599 To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, to provide full funding for the Payments in Lieu of Taxes program, and for other purposes.

BERMAN, Howard L. of California

H.R. 14 To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.

H.R. 835 To amend the Animal Welfare Act to provide further protection for puppies.

H.R. 1148 To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.

H.R. 2256 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.

H.R. 2492 To prohibit attendance of an animal fighting venture, and for other purposes.

H.R. 2966 To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.

H.R. 3017 * To provide for a more structured and stable domestic agricultural labor market in the United States, and for other purposes.

H.R. 3286 To promote local and regional farm and food systems, and for other purposes.

H.R. 3437 To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.

H.R. 3465 To protect inventoried roadless areas in the National Forest System.

AUTHOR INDEX

BERMAN, Howard L. of California

- H.R. 3553** To amend the Federal Food, Drug, and Cosmetic Act, the Federal Meat Inspection Act, and the Poultry Products Inspection Act to require that food that contains a genetically engineered material, or that is produced with a genetically engineered material, be labeled accordingly.

- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4141** To direct the Administrator of the United States Agency for International Development to take appropriate actions to improve the nutritional quality, quality control, and cost effectiveness of United States food assistance, and for other purposes.

BIGGERT, Judy of Illinois

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1385** To repeal the sugar price support program and marketing allotments for sugar, and for other purposes.
- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3372** To amend the Agricultural Adjustment Act to deregulate the Federal milk marketing order program, to publish competitive milk price survey data, and for other purposes.
- H.R. 3527** To amend the Commodity Exchange Act to clarify the definition of swap dealer.
- H.R. 3559** To prohibit the Federal Insurance Office of the Department of the Treasury and other financial regulators from collecting data directly from an insurance company.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.

BILBRAY, Brian P. of California

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1196** To remove the incentives and loopholes that encourage illegal aliens to come to the United States to live and work, provide additional resources to local law enforcement and Federal border and immigration officers, and for other purposes.
- H.R. 1274** To gain operational control of the border, enforce immigration laws, strengthen visa security, and for other purposes.
- H.R. 1343** To return unused or reclaimed funds made available for broadband awards in the American Recovery and Reinvestment Act of 2009 to the Treasury of the United States.
- H.R. 1561** To enhance the safety of ports of entry in the United States, and for other purposes.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.

BILBRAY, Brian P. of California

- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 5965** To require the Chief of the Forest Service to make the Forest Service First and Second Generation Modular Airborne Firefighting System (MAFFS) units available to units of the Air National Guard and Air Force Reserve that have the aircraft capability and pilot and crew member training adequate for utilizing such firefighting systems to help alleviate the shortage of air tankers to fight wildfires.
- H.R. 5991** To promote the development of renewable energy on public lands, and for other purposes.
- H.R. 6154** To promote the development of renewable energy on public lands, and for other purposes.
- H.R. 6248** To provide for the transfer of excess Department of Defense aircraft to the Forest Service for wildfire suppression activities, and for other purposes.
- H.R. 6503** * To promote the development of renewable energy on certain Federal land, and for other purposes.
- H.R. 6519** To provide an expedited permit process to authorize private landowners to conduct limited vegetation removal activities on National Forest System land or Bureau of Land Management land adjacent to their private property to reduce the risk of catastrophic wildfire that would threaten residential structures on the private property, and for other purposes.
- H.J. Res. 85** Disapproving the rule of the Agricultural Marketing Service of the Department of Agriculture with respect to the establishment of a Christmas tree promotion, research, and information program.

BILIRAKIS, Gus M. of Florida

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1274** To gain operational control of the border, enforce immigration laws, strengthen visa security, and for other purposes.
- H.R. 4235** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to repeal the indemnification requirements for regulatory authorities to obtain access to swap data required to be provided by swaps entities under such Acts.

BINGAMAN, Jeff of New Mexico

- S. 3261** To allow the Chief of the Forest Service to award certain contracts for large air tankers.

BISHOP, JR., Sanford D. of Georgia

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2193** To amend title IV of the Social Security Act to ensure funding for grants to promote responsible fatherhood and strengthen low-income families, and for other purposes.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.

AUTHOR INDEX

BISHOP, JR., Sanford D. of Georgia

- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 4313** To amend the Food, Conservation, and Energy Act of 2008 to require an evaluation of county workload assessments for purposes of the closure or relocation of a county office for the Farm Service Agency, and for other purposes.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term “biobased product”.

BISHOP, Rob of Utah

- H. Res. 804** Recognizing the importance of animal-based protein as a component of the balanced diet of most individuals in the United States.
- H.R. 87** To repeal the Dodd-Frank Wall Street Reform and Consumer Protection Act.
- H.R. 765 *** To amend the National Forest Ski Area Permit Act of 1986 to clarify the authority of the Secretary of Agriculture regarding additional recreational uses of National Forest System land that is subject to ski area permits, and for other purposes.
- H.R. 1202** To restart jobs in the timber industry by providing for the protection of the Mexican Spotted Owl in sanctuaries.
- H.R. 1443** To protect the use of traditional hunting and fishing implements and to prevent unnecessary and unwarranted restrictions on the implements used by the hunting and fishing communities.
- H.R. 1444** To require that hunting activities be a land use in all management plans for Federal land under the jurisdiction of the Secretary of the Interior or the Secretary of Agriculture to the extent that such use is not clearly incompatible with the purposes for which the Federal land is managed, and for other purposes.
- H.R. 1485** To address the public health and safety threat presented by the risk of catastrophic wildfire on Federal forestlands by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest restoration, forest health, and watershed restoration.
- H.R. 1505 *** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.

- H.R. 1739** To repeal the Federal sugar program.
- H.R. 2003** To amend the Internal Revenue Code of 1986 to impose a tax on transactions in oil futures, options, and swaps, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.

BLUMENAUER, Earl of Oregon

- H.R. 2487** To amend the Food, Conservation, and Energy Act of 2008 to terminate direct payments for the 2012 crop year.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2601** To provide permanent authority for the Forest Service and the Bureau of Land Management to enter into stewardship contracting projects with private persons or other public or private entities to perform services to achieve land management goals for National Forest System lands and the public lands that meet local and rural community needs.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3233** To amend the Food and Nutrition Act of 2008 to exclude the value of vehicles used for household transportation, or to obtain or continue employment, from the resource limitation applicable to determine eligibility to receive supplemental nutrition assistance.
- H.R. 3236** To expand and improve opportunities for beginning farmers and ranchers, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3359** To amend the Animal Welfare Act to restrict the use of exotic and non-domesticated animals in traveling circuses and exhibitions.
- H.R. 3432** To authorize voluntary grazing permit retirement on Federal lands managed by the Department of Agriculture or the Department of the Interior where livestock grazing is impractical, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3496** To sustain fish, plants, and wildlife on America's public lands.
- H.R. 3525** To amend the Department of Agriculture Reorganization Act of 1994 to establish in the Department of Agriculture a Healthy Food Financing Initiative.
- H.R. 3553** To amend the Federal Food, Drug, and Cosmetic Act, the Federal Meat Inspection Act, and the Poultry Products Inspection Act to require that food that contains a genetically engineered material, or that is produced with a genetically engineered material, be labeled accordingly.
- H.R. 3555** To provide additional protections for farmers and ranchers that may be harmed economically by genetically engineered seeds, plants, or animals, to ensure fairness for farmers and ranchers in their dealings with biotech companies that sell genetically engineered seeds, plants, or animals, to assign liability for injury caused by genetically engineered organisms, and for other purposes.
- H.R. 3599** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, to provide full funding for the Payments in Lieu of Taxes program, and for other purposes.
- H.R. 3665** To require the Commodity Futures Trading Commission to impose fees and assessments to recover the cost of appropriations to the Commission.
- H.R. 3704** To amend the Humane Methods of Livestock Slaughter Act of 1958 to ensure the humane slaughter of nonambulatory livestock, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4225** To amend the Federal Insecticide, Fungicide, and Rodenticide Act to require local educational agencies and schools to implement integrated pest management programs to minimize the use of pesticides in schools and to provide parents, guardians, and employees with notice of the use of pesticides in schools, and for other purposes.
- H.R. 4346** To amend the Federal Meat Inspection Act so that labels on packages of meat include a statement on whether the meat contains lean finely textured beef.
- H.R. 5143** To prohibit the Secretary of Agriculture from making payments to the Brazilian Cotton Institute.

AUTHOR INDEX

BLUMENAUER, Earl of Oregon

- H.R. 5879** To amend the Federal Crop Insurance Act to modify the ineligibility requirements for producers that produce an annual crop on native sod, and for other purposes.
- H.R. 5955** To amend the Farm Security and Rural Investment Act of 2002 to improve energy programs.
- H.R. 5962** To amend the Organic Foods Production Act of 1990 to require recordkeeping and authorize investigations and enforcement actions for violations of such Act, and for other purposes.
- H.R. 6154** To promote the development of renewable energy on public lands, and for other purposes.

BLUMENTHAL, Richard of Connecticut

- S. 1947 *** To prohibit attendance of an animal fighting venture, and for other purposes.

BONAMICI, Suzanne of Oregon

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2003** To amend the Internal Revenue Code of 1986 to impose a tax on transactions in oil futures, options, and swaps, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3599** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, to provide full funding for the Payments in Lieu of Taxes program, and for other purposes.
- H.R. 3665** To require the Commodity Futures Trading Commission to impose fees and assessments to recover the cost of appropriations to the Commission.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4457** To require the Commodity Futures Trading Commission to take certain actions to reduce excessive speculation in energy markets.

BONNER, Jo of Alabama

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 3454** To amend the Food Security Act of 1985 with respect to maximum enrollment and eligible land in the conservation reserve program.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term "biobased product".

BONO MACK, Mary of California

- H.R. 533** To provide for the conveyance of a small parcel of Natural Resources Conservation Service property in Riverside, California, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 6248** To provide for the transfer of excess Department of Defense aircraft to the Forest Service for wildfire suppression activities, and for other purposes.
- H.R. 6519** To provide an expedited permit process to authorize private landowners to conduct limited vegetation removal activities on National Forest System land or Bureau of Land Management land adjacent to their private property to reduce the risk of catastrophic wildfire that would threaten residential structures on the private property, and for other purposes.

BORDALLO, Madeleine Z. of Guam

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1465** To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3704** To amend the Humane Methods of Livestock Slaughter Act of 1958 to ensure the humane slaughter of nonambulatory livestock, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 3886** To expand the workforce of veterinarians specialized in the care and conservation of wild animals and their ecosystems, and to develop educational programs focused on wildlife and zoological veterinary medicine.
- H.R. 4280** To amend the Food and Nutrition Act of 2008 to provide that Puerto Rico may be treated in the same manner as the several States for the purpose of carrying out the supplemental nutrition assistance program under such Act.
- H.R. 5186** To prevent excessive speculation in energy commodities, and for other purposes.
- H.R. 6200** To strengthen Federal consumer protection and product traceability with respect to commercially marketed seafood, and for other purposes.

BOREN, Dan of Oklahoma

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1443** To protect the use of traditional hunting and fishing implements and to prevent unnecessary and unwarranted restrictions on the implements used by the hunting and fishing communities.

AUTHOR INDEX

BOREN, Dan of Oklahoma

- H.R. 1444** To require that hunting activities be a land use in all management plans for Federal land under the jurisdiction of the Secretary of the Interior or the Secretary of Agriculture to the extent that such use is not clearly incompatible with the purposes for which the Federal land is managed, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 3527** To amend the Commodity Exchange Act to clarify the definition of swap dealer.
- H.R. 3568** To improve Indian education, and for other purposes.
- H.R. 3569** To improve Indian education, and for other purposes.
- H.R. 4089** To protect and enhance opportunities for recreational hunting, fishing and shooting.
- H.R. 4313** To amend the Food, Conservation, and Energy Act of 2008 to require an evaluation of county workload assessments for purposes of the closure or relocation of a county office for the Farm Service Agency, and for other purposes.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term "biobased product".

BOSWELL, Leonard L. of Iowa

- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1233 *** To amend the Consolidated Farm and Rural Development Act to suspend a limitation on the period for which certain borrowers are eligible for guaranteed assistance.
- H.R. 1422 *** To amend the Farm Security and Rural Investment Act of 2002 to extend the suspension of the limitation on the period for which certain borrowers are eligible for guaranteed assistance.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 1840** To improve consideration by the Commodity Futures Trading Commission of the costs and benefits of its regulations and orders.
- H.R. 2675** To amend the Food, Conservation, and Energy Act of 2008 to authorize producers on a farm to produce fruits and vegetables for processing on the base acres of the farm.
- H.R. 3233** To amend the Food and Nutrition Act of 2008 to exclude the value of vehicles used for household transportation, or to obtain or continue employment, from the resource limitation applicable to determine eligibility to receive supplemental nutrition assistance.
- H.R. 3236** To expand and improve opportunities for beginning farmers and ranchers, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3665** To require the Commodity Futures Trading Commission to impose fees and assessments to recover the cost of appropriations to the Commission.
- H.R. 4284** To amend the Packers and Stockyards Act, 1921 to make it unlawful for a packer to own, feed, or control livestock intended for slaughter.
- H.R. 4313 *** To amend the Food, Conservation, and Energy Act of 2008 to require an evaluation of county workload assessments for purposes of the closure or relocation of a county office for the Farm Service Agency, and for other purposes.
- H.R. 4457** To require the Commodity Futures Trading Commission to take certain actions to reduce excessive speculation in energy markets.

BOSWELL, Leonard L. of Iowa

- H.R. 5879** To amend the Federal Crop Insurance Act to modify the ineligibility requirements for producers that produce an annual crop on native sod, and for other purposes.
- H.R. 5955** To amend the Farm Security and Rural Investment Act of 2002 to improve energy programs.
- H.R. 6167** To extend supplemental agricultural disaster assistance programs.

BOUSTANY, Charles W. of Louisiana

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1422** To amend the Farm Security and Rural Investment Act of 2002 to extend the suspension of the limitation on the period for which certain borrowers are eligible for guaranteed assistance.
- H.R. 1443** To protect the use of traditional hunting and fishing implements and to prevent unnecessary and unwarranted restrictions on the implements used by the hunting and fishing communities.

BRADY, Kevin of Texas

- H.R. 235 *** To reduce unsustainable spending.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 4322** To clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.

BRADY, Robert A. of Pennsylvania

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.
- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 350** To amend the Food and Nutrition Act of 2008 to provide greater access to the supplemental nutrition assistance program by reducing duplicative and burdensome administrative requirements, authorize the Secretary of Agriculture to award grants to certain community-based nonprofit feeding and anti-hunger groups for the purpose of establishing and implementing a Beyond the Soup Kitchen Pilot Program for certain socially and economically disadvantaged populations, and for other purposes.
- H.R. 530** To amend the Food and Nutrition Act of 2008 to remove the ineligibility of individuals who participate in a strike.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1385** To repeal the sugar price support program and marketing allotments for sugar, and for other purposes.
- H.R. 1465** To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.

AUTHOR INDEX

BRADY, Robert A. of Pennsylvania

- H.R. 2193** To amend title IV of the Social Security Act to ensure funding for grants to promote responsible fatherhood and strengthen low-income families, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.

- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 3062** To establish a program for dairy producers under which producers can offset reductions in producer income when the margin between milk prices and feed costs is less than a specified amount, to establish a dairy market stabilization program for producers participating in the margin protection program, to provide for the amendment of Federal milk marketing orders, and for other purposes.
- H.R. 3236** To expand and improve opportunities for beginning farmers and ranchers, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3569** To improve Indian education, and for other purposes.
- H.R. 3646** To require foreign manufacturers of products imported into the United States to establish registered agents in the United States who are authorized to accept service of process against such manufacturers, and for other purposes.
- H.R. 4284 *** To amend the Packers and Stockyards Act, 1921 to make it unlawful for a packer to own, feed, or control livestock intended for slaughter.
- H.R. 5727** To rebuild the American middle class by creating jobs, investing in our future, building opportunity for working families, and restoring balance to the tax code.
- H.R. 5879** To amend the Federal Crop Insurance Act to modify the ineligibility requirements for producers that produce an annual crop on native sod, and for other purposes.
- H.R. 5955** To amend the Farm Security and Rural Investment Act of 2002 to improve energy programs.

BRALEY, Bruce L. of Iowa

- H.R. 6167** To extend supplemental agricultural disaster assistance programs.

BROOKS, Mo of Alabama

- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1196** To remove the incentives and loopholes that encourage illegal aliens to come to the United States to live and work, provide additional resources to local law enforcement and Federal border and immigration officers, and for other purposes.
- H.R. 1274** To gain operational control of the border, enforce immigration laws, strengthen visa security, and for other purposes.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 3454** To amend the Food Security Act of 1985 with respect to maximum enrollment and eligible land in the conservation reserve program.
- H.J. Res. 85** Disapproving the rule of the Agricultural Marketing Service of the Department of Agriculture with respect to the establishment of a Christmas tree promotion, research, and information program.

BROUN, Paul C. of Georgia

- H.R. 87** To repeal the Dodd-Frank Wall Street Reform and Consumer Protection Act.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1443 *** To protect the use of traditional hunting and fishing implements and to prevent unnecessary and unwarranted restrictions on the implements used by the hunting and fishing communities.
- H.R. 1444 *** To require that hunting activities be a land use in all management plans for Federal land under the jurisdiction of the Secretary of the Interior or the Secretary of Agriculture to the extent that such use is not clearly incompatible with the purposes for which the Federal land is managed, and for other purposes.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2172** To facilitate the development of wind energy resources on Federal lands.
- H.R. 2487** To amend the Food, Conservation, and Energy Act of 2008 to terminate direct payments for the 2012 crop year.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 4089** To protect and enhance opportunities for recreational hunting, fishing and shooting.

AUTHOR INDEX

BROUN, Paul C. of Georgia

- H.R. 4301** To contribute to the growth of the American economy and the strength of American national security by streamlining regulatory permitting procedures and increasing domestic production from all energy sources.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.
- H.R. 6518** To replace certain Federal nutrition programs with a block grant to the States, and for other purposes.
- H.R. 6567** To replace certain Federal nutrition programs with a block grant to the States, and for other purposes.
- H.R. 6688** To extend tax relief for all Americans, to replace the defense sequester scheduled to take effect on January 2, 2013, with responsible reductions in direct and other spending, and for other purposes.

BROWN, Corrine of Florida

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.
- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.

- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.
- H.R. 5186** To prevent excessive speculation in energy commodities, and for other purposes.

BROWN, Scott of Massachusetts

- S. 1947** To prohibit attendance of an animal fighting venture, and for other purposes.

BUCHANAN, Vern of Florida

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.

BUCHANAN, Vern of Florida

- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.

BUCSHON, Larry of Indiana

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 1739** To repeal the Federal sugar program.
- H.R. 2031** To amend the Plant Protection Act to expedite the process for approval of certain biotechnology products, and for other purposes.
- H.R. 3610** To consolidate and streamline redundant and ineffective Federal workforce development programs to increase accountability, reduce administrative bureaucracies, and put Americans back to work.
- H.R. 4297** To reform and strengthen the workforce investment system of the Nation to put Americans back to work and make the United States more competitive in the 21st Century.

BUERKLE, Ann Marie of New York

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 2905** To temporarily waive the risk management purchase requirement for agricultural producers adversely impacted by Hurricane Irene or Tropical Storm Lee so that such producers are eligible to receive assistance under the Supplemental Revenue Assistance Program (SURE), Emergency Assistance for Livestock, Honey Bees, and Farm-Raised Fish Program (ELAP), and Tree Assistance Program (TAP).

BURGESS, Michael C. of Texas

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1343** To return unused or reclaimed funds made available for broadband awards in the American Recovery and Reinvestment Act of 2009 to the Treasury of the United States.
- H.R. 3525** To amend the Department of Agriculture Reorganization Act of 1994 to establish in the Department of Agriculture a Healthy Food Financing Initiative.

BURTON, Dan of Indiana

- H.R. 408** To reduce Federal spending by \$2.5 trillion through fiscal year 2021.
- H.R. 759** To require the Director of National Drug Control Policy to develop a Federal Lands Counterdrug Strategy, and for other purposes.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.

AUTHOR INDEX

BURTON, Dan of Indiana

- H.R. 1135** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1202** To restart jobs in the timber industry by providing for the protection of the Mexican Spotted Owl in sanctuaries.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 1872** To require the Administrator of the Environmental Protection Agency to consider the impact on employment levels and economic activity prior to issuing a regulation, policy statement, guidance, or other requirement, implementing any new or substantially altered program, or issuing or denying any permit, and for other purposes.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 2487** To amend the Food, Conservation, and Energy Act of 2008 to terminate direct payments for the 2012 crop year.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2675** To amend the Food, Conservation, and Energy Act of 2008 to authorize producers on a farm to produce fruits and vegetables for processing on the base acres of the farm.
- H.R. 2966 *** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.

BUTTERFIELD, G. K. of North Carolina

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1233** To amend the Consolidated Farm and Rural Development Act to suspend a limitation on the period for which certain borrowers are eligible for guaranteed assistance.
- H.R. 1422** To amend the Farm Security and Rural Investment Act of 2002 to extend the suspension of the limitation on the period for which certain borrowers are eligible for guaranteed assistance.
- H.R. 1465** To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 3437 *** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3740 *** To provide supplemental emergency disaster assistance to agricultural producers for certain crop losses during the 2011 crop year, to eliminate limitations on certain waivers for borrowers eligible for direct farm operating loans, and to suspend the limitation on the period for which borrowers are eligible for guaranteed farm operating loans, for farming or ranching operations in counties subject to a disaster declaration issued in 2011.

BUTTERFIELD, G. K. of North Carolina

- H.R. 4313** To amend the Food, Conservation, and Energy Act of 2008 to require an evaluation of county workload assessments for purposes of the closure or relocation of a county office for the Farm Service Agency, and for other purposes.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term "biobased product".
- H.R. 5955** To amend the Farm Security and Rural Investment Act of 2002 to improve energy programs.

CALVERT, Ken of California

- H.R. 533 *** To provide for the conveyance of a small parcel of Natural Resources Conservation Service property in Riverside, California, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 1561** To enhance the safety of ports of entry in the United States, and for other purposes.
- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2675** To amend the Food, Conservation, and Energy Act of 2008 to authorize producers on a farm to produce fruits and vegetables for processing on the base acres of the farm.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.
- H.R. 6248 *** To provide for the transfer of excess Department of Defense aircraft to the Forest Service for wildfire suppression activities, and for other purposes.

CAMP, Dave of Michigan

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 3630 *** To provide incentives for the creation of jobs, and for other purposes.

CAMPBELL, John of California

- H.R. 408** To reduce Federal spending by \$2.5 trillion through fiscal year 2021.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1196** To remove the incentives and loopholes that encourage illegal aliens to come to the United States to live and work, provide additional resources to local law enforcement and Federal border and immigration officers, and for other purposes.
- H.R. 2483** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to modify certain provisions relating to whistleblower incentives and protection.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.

AUTHOR INDEX

CAMPBELL, John of California

- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3323** To reduce the regulatory burden on the agricultural sector of the national economy.
- H.R. 6248** To provide for the transfer of excess Department of Defense aircraft to the Forest Service for wildfire suppression activities, and for other purposes.
- H.R. 6308** To direct the Secretary of Agriculture, acting through the Animal and Plant Health Inspection Service, to submit to Congress, and make available to the public on the Internet, a report on the animals killed under the Wildlife Services program of the Animal and Plant Health Inspection Service.
- H.R. 6470** To define urban rodent control for purposes of clarifying the control of nuisance mammals and birds carried out by the Wildlife services program of the Animal and Plant Health Inspection Service and by the private sector, and for other purposes.
- H.R. 6519** To provide an expedited permit process to authorize private landowners to conduct limited vegetation removal activities on National Forest System land or Bureau of Land Management land adjacent to their private property to reduce the risk of catastrophic wildfire that would threaten residential structures on the private property, and for other purposes.

CANSECO, Francisco “Quico” of Texas

- H.R. 759** To require the Director of National Drug Control Policy to develop a Federal Lands Counterdrug Strategy, and for other purposes.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 1561** To enhance the safety of ports of entry in the United States, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 3045 *** To amend the Employee Retirement Income Security Act of 1974, the Commodity Exchange Act, and the Securities Exchange Act of 1934 to ensure that pension plans can use swaps to hedge risks, and for other purposes.
- H.R. 3565** To reduce the salaries of Members of Congress if a Federal budget deficit exists, prohibit commodities and securities trading based on non-public information relating to Congress, and for other purposes.
- H.R. 4235** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to repeal the indemnification requirements for regulatory authorities to obtain access to swap data required to be provided by swaps entities under such Acts.
- H.R. 4322** To clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State.
- H.R. 4480** To provide for the development of a plan to increase oil and gas exploration, development, and production under oil and gas leases of Federal lands under the jurisdiction of the Secretary of Agriculture, the Secretary of Energy, the Secretary of the Interior, and the Secretary of Defense in response to a drawdown of petroleum reserves from the Strategic Petroleum Reserve.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.

CANTOR, Eric of Virginia

- H.R. 6684 *** To provide for spending reduction.

CANTWELL, Maria of Washington

- S. 1947** To prohibit attendance of an animal fighting venture, and for other purposes.

CAPITO, Shelley Moore of West Virginia

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1872 *** To require the Administrator of the Environmental Protection Agency to consider the impact on employment levels and economic activity prior to issuing a regulation, policy statement, guidance, or other requirement, implementing any new or substantially altered program, or issuing or denying any permit, and for other purposes.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 4480** To provide for the development of a plan to increase oil and gas exploration, development, and production under oil and gas leases of Federal lands under the jurisdiction of the Secretary of Agriculture, the Secretary of Energy, the Secretary of the Interior, and the Secretary of Defense in response to a drawdown of petroleum reserves from the Strategic Petroleum Reserve.

CAPPS, Lois of California

- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 587** To amend the Public Lands Corps Act of 1993 to expand the authorization of the Secretaries of Agriculture, Commerce, and the Interior to provide service opportunities for young Americans; help restore the nation's natural, cultural, historic, archaeological, recreational and scenic resources; train a new generation of public land managers and enthusiasts; and promote the value of public service.

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3359** To amend the Animal Welfare Act to restrict the use of exotic and non-domesticated animals in traveling circuses and exhibitions.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3496** To sustain fish, plants, and wildlife on America's public lands.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.

AUTHOR INDEX

CAPPS, Lois of California

- H.R. 3886** To expand the workforce of veterinarians specialized in the care and conservation of wild animals and their ecosystems, and to develop educational programs focused on wildlife and zoological veterinary medicine.
- H.R. 5962 *** To amend the Organic Foods Production Act of 1990 to require recordkeeping and authorize investigations and enforcement actions for violations of such Act, and for other purposes.

CAPUANO, Michael E. of Massachusetts

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 530** To amend the Food and Nutrition Act of 2008 to remove the ineligibility of individuals who participate in a strike.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3638** To create American jobs and reduce the deficit, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 5186** To prevent excessive speculation in energy commodities, and for other purposes.
- H.R. 6613** To establish the Securities and Derivatives Commission in order to combine the functions of the Commodity Futures Trading Commission and the Securities and Exchange Commission in a single independent regulatory commission.

CARDOZA, Dennis A. of California

- H.R. 760** To authorize the Secretary of Agriculture to designate certain parts of California's San Joaquin Valley as a rural area for purposes of programs under the Consolidated Farm and Rural Development Act.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 3569** To improve Indian education, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 6022** To amend the Federal Crop Insurance Act to expand coverage under plans of insurance available under such Act to include losses to an insured commodity when, as a result of a federally-imposed quarantine, the commodity must be destroyed, and for other purposes.

CARNAHAN, Russ of Missouri

- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.

CARNAHAN, Russ of Missouri

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 3233** To amend the Food and Nutrition Act of 2008 to exclude the value of vehicles used for household transportation, or to obtain or continue employment, from the resource limitation applicable to determine eligibility to receive supplemental nutrition assistance.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3905** To authorize the Secretary of Agriculture to award grants for the establishment of veterans gardens that are operated by veterans and designed to produce food that can be sold to individuals, schools, and restaurants.
- H.R. 4225** To amend the Federal Insecticide, Fungicide, and Rodenticide Act to require local educational agencies and schools to implement integrated pest management programs to minimize the use of pesticides in schools and to provide parents, guardians, and employees with notice of the use of pesticides in schools, and for other purposes.
- H.R. 4351** To provide assistance and opportunity for the creation and support of sustainable agriculture activities in America's cities and to improve access to nutrition in America's cities.

CARNEY, John C. of Delaware

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3283** To amend the Commodity Exchange Act and the Securities Exchange Act of 1934 to provide an exemption for certain swaps and security-based swaps involving Non-U.S. persons, and for other purposes.

CARSON, Andre of Indiana

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.

AUTHOR INDEX

CARSON, Andre of Indiana

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2193** To amend title IV of the Social Security Act to ensure funding for grants to promote responsible fatherhood and strengthen low-income families, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 3225** To promote and enhance community agricultural production and technology in nontraditional communities through the establishment of a new office in the Department of Agriculture to ensure that Department authorities are coordinated more effectively to encourage local agricultural production and increase the availability of fresh food in nontraditional communities, particularly underserved communities experiencing hunger, poor nutrition, obesity, and food insecurity, and for other purposes.
- H.R. 3233** To amend the Food and Nutrition Act of 2008 to exclude the value of vehicles used for household transportation, or to obtain or continue employment, from the resource limitation applicable to determine eligibility to receive supplemental nutrition assistance.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.

- H.R. 3886** To expand the workforce of veterinarians specialized in the care and conservation of wild animals and their ecosystems, and to develop educational programs focused on wildlife and zoological veterinary medicine.
- H.R. 4225** To amend the Federal Insecticide, Fungicide, and Rodenticide Act to require local educational agencies and schools to implement integrated pest management programs to minimize the use of pesticides in schools and to provide parents, guardians, and employees with notice of the use of pesticides in schools, and for other purposes.
- H.R. 4280** To amend the Food and Nutrition Act of 2008 to provide that Puerto Rico may be treated in the same manner as the several States for the purpose of carrying out the supplemental nutrition assistance program under such Act.
- H.R. 5955** To amend the Farm Security and Rural Investment Act of 2002 to improve energy programs.
- H.R. 6631 *** To provide energy crisis relief to residents of the Virgin Islands.

CHU, Judy of California

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.
- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 587** To amend the Public Lands Corps Act of 1993 to expand the authorization of the Secretaries of Agriculture, Commerce, and the Interior to provide service opportunities for young Americans; help restore the nation's natural, cultural, historic, archaeological, recreational and scenic resources; train a new generation of public land managers and enthusiasts; and promote the value of public service.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1465** To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.

AUTHOR INDEX

CHU, Judy of California

- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3017** To provide for a more structured and stable domestic agricultural labor market in the United States, and for other purposes.
- H.R. 3359** To amend the Animal Welfare Act to restrict the use of exotic and non-domesticated animals in traveling circuses and exhibitions.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3638** To create American jobs and reduce the deficit, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 5965** To require the Chief of the Forest Service to make the Forest Service First and Second Generation Modular Airborne Firefighting System (MAFFS) units available to units of the Air National Guard and Air Force Reserve that have the aircraft capability and pilot and crew member training adequate for utilizing such firefighting systems to help alleviate the shortage of air tankers to fight wildfires.
- H.R. 6200** To strengthen Federal consumer protection and product traceability with respect to commercially marketed seafood, and for other purposes.
- H.R. 6248** To provide for the transfer of excess Department of Defense aircraft to the Forest Service for wildfire suppression activities, and for other purposes.
- H.R. 6470** To define urban rodent control for purposes of clarifying the control of nuisance mammals and birds carried out by the Wildlife services program of the Animal and Plant Health Inspection Service and by the private sector, and for other purposes.

CICILLINE, David N. of Rhode Island

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.

- H.R. 1465** To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3167** To direct the Secretary of Veterans Affairs to establish a program under which certain veterans entitled to educational assistance under the laws administered by the Secretary can use such entitlement to start or purchase a qualifying business enterprise, and for other purposes.
- H.R. 3233** To amend the Food and Nutrition Act of 2008 to exclude the value of vehicles used for household transportation, or to obtain or continue employment, from the resource limitation applicable to determine eligibility to receive supplemental nutrition assistance.
- H.R. 3236** To expand and improve opportunities for beginning farmers and ranchers, and for other purposes.
- H.R. 3432** To authorize voluntary grazing permit retirement on Federal lands managed by the Department of Agriculture or the Department of the Interior where livestock grazing is impractical, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4141** To direct the Administrator of the United States Agency for International Development to take appropriate actions to improve the nutritional quality, quality control, and cost effectiveness of United States food assistance, and for other purposes.
- H.R. 6068** To provide for continued conservation efforts in the Chesapeake Bay watershed.
- H.R. 6693 *** To amend the Animal Welfare Act to provide for the protection of birds, rats, and mice, and for other purposes.

CONYERS, John of Michigan

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.
- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 350** To amend the Food and Nutrition Act of 2008 to provide greater access to the supplemental nutrition assistance program by reducing duplicative and burdensome administrative requirements, authorize the Secretary of Agriculture to award grants to certain community-based nonprofit feeding and anti-hunger groups for the purpose of establishing and implementing a Beyond the Soup Kitchen Pilot Program for certain socially and economically disadvantaged populations, and for other purposes.
- H.R. 530** To amend the Food and Nutrition Act of 2008 to remove the ineligibility of individuals who participate in a strike.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.

CONYERS, John of Michigan

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1465** To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
- H.R. 2193** To amend title IV of the Social Security Act to ensure funding for grants to promote responsible fatherhood and strengthen low-income families, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3017** To provide for a more structured and stable domestic agricultural labor market in the United States, and for other purposes.
- H.R. 3233** To amend the Food and Nutrition Act of 2008 to exclude the value of vehicles used for household transportation, or to obtain or continue employment, from the resource limitation applicable to determine eligibility to receive supplemental nutrition assistance.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3568** To improve Indian education, and for other purposes.
- H.R. 3638** To create American jobs and reduce the deficit, and for other purposes.
- H.R. 3646** To require foreign manufacturers of products imported into the United States to establish registered agents in the United States who are authorized to accept service of process against such manufacturers, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4141** To direct the Administrator of the United States Agency for International Development to take appropriate actions to improve the nutritional quality, quality control, and cost effectiveness of United States food assistance, and for other purposes.
- H.R. 4318** To prohibit the use, production, sale, importation, or exportation of any pesticide containing atrazine.
- H.R. 4346** To amend the Federal Meat Inspection Act so that labels on packages of meat include a statement on whether the meat contains lean finely textured beef.
- H.R. 5727** To rebuild the American middle class by creating jobs, investing in our future, building opportunity for working families, and restoring balance to the tax code.
- H.R. 5745** To eliminate certain subsidies for fossil-fuel production.
- H.R. 5860** To prohibit individuals from insuring against possible losses from having to repay illegally-received compensation or from having to pay civil penalties, and for other purposes.

COOPER, Jim of Tennessee

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.

AUTHOR INDEX

COOPER, Jim of Tennessee

- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.

COSTA, Jim of California

- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 760** To authorize the Secretary of Agriculture to designate certain parts of California's San Joaquin Valley as a rural area for purposes of programs under the Consolidated Farm and Rural Development Act.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 3062** To establish a program for dairy producers under which producers can offset reductions in producer income when the margin between milk prices and feed costs is less than a specified amount, to establish a dairy market stabilization program for producers participating in the margin protection program, to provide for the amendment of Federal milk marketing orders, and for other purposes.
- H.R. 3569** To improve Indian education, and for other purposes.
- H.R. 4234** To amend the Federal Land Policy and Management Act of 1976 to improve the management of grazing leases and permits, and for other purposes.
- H.R. 5960** To amend the Healthy Forests Restoration Act of 2003 to improve the response to insect infestations and related diseases and to change the funding source for the Healthy Forests Reserve Program, to codify the stewardship end result contracting and good neighbor authorities, and to amend the emergency watershed protection program to improve post fire rehabilitation, and for other purposes.
- H.R. 6022** To amend the Federal Crop Insurance Act to expand coverage under plans of insurance available under such Act to include losses to an insured commodity when, as a result of a federally-imposed quarantine, the commodity must be destroyed, and for other purposes.
- H.R. 6154** To promote the development of renewable energy on public lands, and for other purposes.

COSTELLO, Jerry F. of Illinois

- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 5955** To amend the Farm Security and Rural Investment Act of 2002 to improve energy programs.

COURTNEY, Joe of Connecticut

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 874** To amend the Consolidated Farm and Rural Development Act to expand eligibility for Farm Service Agency loans.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1176 *** To amend the Specialty Crops Competitiveness Act of 2004 to include farmed shellfish as specialty crops.
- H.R. 1275** To support State and tribal government efforts to promote research and education related to maple syrup production, natural resource sustainability in the maple syrup industry, market promotion of maple products, and greater access to lands containing maple trees for maple-sugaring activities, and for other purposes.
- H.R. 1422** To amend the Farm Security and Rural Investment Act of 2002 to extend the suspension of the limitation on the period for which certain borrowers are eligible for guaranteed assistance.
- H.R. 1465** To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2856** To provide assistance for agricultural producers adversely affected by damaging weather and other conditions relating to Hurricane Irene.
- H.R. 2905** To temporarily waive the risk management purchase requirement for agricultural producers adversely impacted by Hurricane Irene or Tropical Storm Lee so that such producers are eligible to receive assistance under the Supplemental Revenue Assistance Program (SURE), Emergency Assistance for Livestock, Honey Bees, and Farm-Raised Fish Program (ELAP), and Tree Assistance Program (TAP).
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3062** To establish a program for dairy producers under which producers can offset reductions in producer income when the margin between milk prices and feed costs is less than a specified amount, to establish a dairy market stabilization program for producers participating in the margin protection program, to provide for the amendment of Federal milk marketing orders, and for other purposes.
- H.R. 3233** To amend the Food and Nutrition Act of 2008 to exclude the value of vehicles used for household transportation, or to obtain or continue employment, from the resource limitation applicable to determine eligibility to receive supplemental nutrition assistance.
- H.R. 3236** To expand and improve opportunities for beginning farmers and ranchers, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3646** To require foreign manufacturers of products imported into the United States to establish registered agents in the United States who are authorized to accept service of process against such manufacturers, and for other purposes.
- H.R. 3665** To require the Commodity Futures Trading Commission to impose fees and assessments to recover the cost of appropriations to the Commission.
- H.R. 4085** To amend the Food, Conservation, and Energy Act of 2008 to extend and improve the milk income loss contract program.

AUTHOR INDEX

COURTNEY, Joe of Connecticut

- H.R. 4457** To require the Commodity Futures Trading Commission to take certain actions to reduce excessive speculation in energy markets.
- H.R. 6200** To strengthen Federal consumer protection and product traceability with respect to commercially marketed seafood, and for other purposes.

CRAVAACK, Chip of Minnesota

- H.R. 759** To require the Director of National Drug Control Policy to develop a Federal Lands Counterdrug Strategy, and for other purposes.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.

CRAWFORD, Eric A. "Rick" of Arkansas

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 1573** To facilitate implementation of title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act, promote regulatory coordination, and avoid market disruption.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 4235** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to repeal the indemnification requirements for regulatory authorities to obtain access to swap data required to be provided by swaps entities under such Acts.
- H.R. 4313** To amend the Food, Conservation, and Energy Act of 2008 to require an evaluation of county workload assessments for purposes of the closure or relocation of a county office for the Farm Service Agency, and for other purposes.
- H.R. 4330** To amend the Food, Conservation, and Energy Act of 2008 to clarify the maximum distance between Farm Service Agency county offices for purposes of the closure or relocation of a county office for the Farm Service Agency.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term "biobased product".

CRAWFORD, Eric A. "Rick" of Arkansas

- H.R. 5879** To amend the Federal Crop Insurance Act to modify the ineligibility requirements for producers that produce an annual crop on native sod, and for other purposes.
- H.J. Res. 85** Disapproving the rule of the Agricultural Marketing Service of the Department of Agriculture with respect to the establishment of a Christmas tree promotion, research, and information program.

CRENSHAW, Ander of Florida

- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.

CRITZ, Mark S. of Pennsylvania

- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 1872** To require the Administrator of the Environmental Protection Agency to consider the impact on employment levels and economic activity prior to issuing a regulation, policy statement, guidance, or other requirement, implementing any new or substantially altered program, or issuing or denying any permit, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 3646** To require foreign manufacturers of products imported into the United States to establish registered agents in the United States who are authorized to accept service of process against such manufacturers, and for other purposes.

CROWLEY, Joseph of New York

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 3167** To direct the Secretary of Veterans Affairs to establish a program under which certain veterans entitled to educational assistance under the laws administered by the Secretary can use such entitlement to start or purchase a qualifying business enterprise, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.

AUTHOR INDEX

CROWLEY, Joseph of New York

- H.R. 4235** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to repeal the indemnification requirements for regulatory authorities to obtain access to swap data required to be provided by swaps entities under such Acts.
- H.R. 6600 *** To amend the Emergency Food Assistance Act of 1983 to provide for the increased purchase of Kosher and Halal food and to modify the labeling of the commodities list under the emergency food assistance program to enable Kosher and Halal food bank operators to identify which commodities to obtain from local food banks.

CUELLAR, Henry of Texas

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1561** To enhance the safety of ports of entry in the United States, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 3569** To improve Indian education, and for other purposes.

CULBERSON, John Abney of Texas

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 4322** To clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State.
- H.R. 6688** To extend tax relief for all Americans, to replace the defense sequester scheduled to take effect on January 2, 2013, with responsible reductions in direct and other spending, and for other purposes.

CUMMINGS, Elijah E. of Maryland

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.
- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.

CUMMINGS, Elijah E. of Maryland

- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 6068** To provide for continued conservation efforts in the Chesapeake Bay watershed.

DAVIS, Danny K. of Illinois

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.
- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1385** To repeal the sugar price support program and marketing allotments for sugar, and for other purposes.
- H.R. 2193 *** To amend title IV of the Social Security Act to ensure funding for grants to promote responsible fatherhood and strengthen low-income families, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 4351** To provide assistance and opportunity for the creation and support of sustainable agriculture activities in America's cities and to improve access to nutrition in America's cities.

DAVIS, Geoff of Kentucky

- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.

DAVIS, Susan K. of California

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.

AUTHOR INDEX

DAVIS, Susan K. of California

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1561** To enhance the safety of ports of entry in the United States, and for other purposes.

- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4457** To require the Commodity Futures Trading Commission to take certain actions to reduce excessive speculation in energy markets.
- H.R. 6308 *** To direct the Secretary of Agriculture, acting through the Animal and Plant Health Inspection Service, to submit to Congress, and make available to the public on the Internet, a report on the animals killed under the Wildlife Services program of the Animal and Plant Health Inspection Service.

DEFAZIO, Peter A. of Oregon

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2003 *** To amend the Internal Revenue Code of 1986 to impose a tax on transactions in oil futures, options, and swaps, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2328** To require the Chairman of the Commodity Futures Trading Commission to impose unilaterally position limits and margin requirements to eliminate excessive oil speculation, and to take other actions to ensure that the price of crude oil, gasoline, diesel fuel, jet fuel, and heating oil accurately reflects the fundamentals of supply and demand, to remain in effect until the date on which the Commission establishes position limits to diminish, eliminate, or prevent excessive speculation as required by title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and for other purposes.
- H.R. 2487** To amend the Food, Conservation, and Energy Act of 2008 to terminate direct payments for the 2012 crop year.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3236** To expand and improve opportunities for beginning farmers and ranchers, and for other purposes.

DEFAZIO, Peter A. of Oregon

- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3432** To authorize voluntary grazing permit retirement on Federal lands managed by the Department of Agriculture or the Department of the Interior where livestock grazing is impractical, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3553** To amend the Federal Food, Drug, and Cosmetic Act, the Federal Meat Inspection Act, and the Poultry Products Inspection Act to require that food that contains a genetically engineered material, or that is produced with a genetically engineered material, be labeled accordingly.
- H.R. 3554** To prohibit the open-air cultivation of genetically engineered pharmaceutical and industrial crops, to prohibit the use of common human food or animal feed as the host plant for a genetically engineered pharmaceutical or industrial chemical, to establish a tracking system to regulate the growing, handling, transportation, and disposal of pharmaceutical and industrial crops and their byproducts to prevent human, animal, and general environmental exposure to genetically engineered pharmaceutical and industrial crops and their byproducts, to amend the Federal Food, Drug, and Cosmetic Act with respect to the safety of genetically engineered foods, and for other purposes.
- H.R. 3555** To provide additional protections for farmers and ranchers that may be harmed economically by genetically engineered seeds, plants, or animals, to ensure fairness for farmers and ranchers in their dealings with biotech companies that sell genetically engineered seeds, plants, or animals, to assign liability for injury caused by genetically engineered organisms, and for other purposes.
- H.R. 3599** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, to provide full funding for the Payments in Lieu of Taxes program, and for other purposes.
- H.R. 3665** To require the Commodity Futures Trading Commission to impose fees and assessments to recover the cost of appropriations to the Commission.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4318** To prohibit the use, production, sale, importation, or exportation of any pesticide containing atrazine.
- H.R. 4346** To amend the Federal Meat Inspection Act so that labels on packages of meat include a statement on whether the meat contains lean finely textured beef.
- H.R. 4457** To require the Commodity Futures Trading Commission to take certain actions to reduce excessive speculation in energy markets.
- H.R. 5143** To prohibit the Secretary of Agriculture from making payments to the Brazilian Cotton Institute.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term "biobased product".
- H.R. 5962** To amend the Organic Foods Production Act of 1990 to require recordkeeping and authorize investigations and enforcement actions for violations of such Act, and for other purposes.
- H.R. 6154** To promote the development of renewable energy on public lands, and for other purposes.
- H.R. 6308** To direct the Secretary of Agriculture, acting through the Animal and Plant Health Inspection Service, to submit to Congress, and make available to the public on the Internet, a report on the animals killed under the Wildlife Services program of the Animal and Plant Health Inspection Service.
- H.R. 6470** To define urban rodent control for purposes of clarifying the control of nuisance mammals and birds carried out by the Wildlife services program of the Animal and Plant Health Inspection Service and by the private sector, and for other purposes.

DEGETTE, Diana of Colorado

- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.

AUTHOR INDEX

DEGETTE, Diana of Colorado

- H.R. 765** To amend the National Forest Ski Area Permit Act of 1986 to clarify the authority of the Secretary of Agriculture regarding additional recreational uses of National Forest System land that is subject to ski area permits, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4225** To amend the Federal Insecticide, Fungicide, and Rodenticide Act to require local educational agencies and schools to implement integrated pest management programs to minimize the use of pesticides in schools and to provide parents, guardians, and employees with notice of the use of pesticides in schools, and for other purposes.
- H.R. 5991** To promote the development of renewable energy on public lands, and for other purposes.

DELAURO, Rosa L. of Connecticut

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.
- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1176** To amend the Specialty Crops Competitiveness Act of 2004 to include farmed shellfish as specialty crops.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2905** To temporarily waive the risk management purchase requirement for agricultural producers adversely impacted by Hurricane Irene or Tropical Storm Lee so that such producers are eligible to receive assistance under the Supplemental Revenue Assistance Program (SURE), Emergency Assistance for Livestock, Honey Bees, and Farm-Raised Fish Program (ELAP), and Tree Assistance Program (TAP).
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3006** To amend the Commodity Exchange Act to prevent excessive speculation in commodity markets and excessive speculative position limits on energy contracts, and for other purposes.

DELAURO, Rosa L. of Connecticut

- H.R. 3233** To amend the Food and Nutrition Act of 2008 to exclude the value of vehicles used for household transportation, or to obtain or continue employment, from the resource limitation applicable to determine eligibility to receive supplemental nutrition assistance.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3665** * To require the Commodity Futures Trading Commission to impose fees and assessments to recover the cost of appropriations to the Commission.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4457** To require the Commodity Futures Trading Commission to take certain actions to reduce excessive speculation in energy markets.
- H.R. 5186** To prevent excessive speculation in energy commodities, and for other purposes.
- H.R. 5727** * To rebuild the American middle class by creating jobs, investing in our future, building opportunity for working families, and restoring balance to the tax code.

DENHAM, Jeff of California

- H.R. 760** To authorize the Secretary of Agriculture to designate certain parts of California's San Joaquin Valley as a rural area for purposes of programs under the Consolidated Farm and Rural Development Act.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1485** To address the public health and safety threat presented by the risk of catastrophic wildfire on Federal forestlands by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest restoration, forest health, and watershed restoration.
- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 5744** To address the forest health, public safety, and wildlife habitat threat presented by the risk of wildfire, including catastrophic wildfire, on National Forest System lands and public lands managed by the Bureau of Land Management by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest health, and economic development, and for other purposes.
- H.R. 6154** To promote the development of renewable energy on public lands, and for other purposes.

AUTHOR INDEX

DENT, Charles W. of Pennsylvania

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1385** To repeal the sugar price support program and marketing allotments for sugar, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 4153** To support efforts to reduce pollution of the Chesapeake Bay watershed, and for other purposes.
- H.R. 4313** To amend the Food, Conservation, and Energy Act of 2008 to require an evaluation of county workload assessments for purposes of the closure or relocation of a county office for the Farm Service Agency, and for other purposes.

DESJARLAIS, Scott of Tennessee

- H.R. 408** To reduce Federal spending by \$2.5 trillion through fiscal year 2021.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1607** To amend the Farm Security and Rural Investment Act of 2002 to extend the suspension of the limitation on the period for which certain borrowers are eligible for guaranteed assistance.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 3652 *** To amend the Food and Nutrition Act of 2008 to repeal the authority to make performance-based bonus payments to States.
- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.
- H.R. 4313** To amend the Food, Conservation, and Energy Act of 2008 to require an evaluation of county workload assessments for purposes of the closure or relocation of a county office for the Farm Service Agency, and for other purposes.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.
- H.R. 5744** To address the forest health, public safety, and wildlife habitat threat presented by the risk of wildfire, including catastrophic wildfire, on National Forest System lands and public lands managed by the Bureau of Land Management by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest health, and economic development, and for other purposes.

DEUTCH, Theodore E. of Florida

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.

DEUTCH, Theodore E. of Florida

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3233** To amend the Food and Nutrition Act of 2008 to exclude the value of vehicles used for household transportation, or to obtain or continue employment, from the resource limitation applicable to determine eligibility to receive supplemental nutrition assistance.
- H.R. 3665** To require the Commodity Futures Trading Commission to impose fees and assessments to recover the cost of appropriations to the Commission.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4235** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to repeal the indemnification requirements for regulatory authorities to obtain access to swap data required to be provided by swaps entities under such Acts.
- H.R. 6191 *** To establish programs in the executive branch to permit the labeling of certain products that do not contain any carcinogens as "Cancer-Free", and for other purposes.
- H.R. 6601 *** To establish programs in the executive branch to permit the labeling of certain products that do not contain any carcinogens as "Carcinogen-Free", and for other purposes.

DIAZ-BALART, Mario of Florida

- H.R. 2825** To direct the Secretary of Agriculture to convey to Miami-Dade County certain federally owned land in Florida, and for other purposes.
- H.R. 4235** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to repeal the indemnification requirements for regulatory authorities to obtain access to swap data required to be provided by swaps entities under such Acts.

DICKS, Norman D. of Washington

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1176** To amend the Specialty Crops Competitiveness Act of 2004 to include farmed shellfish as specialty crops.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.

DINGELL, John D. of Michigan

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.

AUTHOR INDEX

DINGELL, John D. of Michigan

- H.R. 3233** To amend the Food and Nutrition Act of 2008 to exclude the value of vehicles used for household transportation, or to obtain or continue employment, from the resource limitation applicable to determine eligibility to receive supplemental nutrition assistance.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.

DOGGETT, Lloyd of Texas

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 587** To amend the Public Lands Corps Act of 1993 to expand the authorization of the Secretaries of Agriculture, Commerce, and the Interior to provide service opportunities for young Americans; help restore the nation's natural, cultural, historic, archaeological, recreational and scenic resources; train a new generation of public land managers and enthusiasts; and promote the value of public service.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.

- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3496** To sustain fish, plants, and wildlife on America's public lands.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4235** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to repeal the indemnification requirements for regulatory authorities to obtain access to swap data required to be provided by swaps entities under such Acts.

DOLD, Robert J. of Illinois

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 1739 *** To repeal the Federal sugar program.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.

DOLD, Robert J. of Illinois

- H.R. 2586** To refine the definition of swap execution facility in the provisions regulating swap markets added by title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act.
- H.R. 2682** To provide end user exemptions from certain provisions of the Commodity Exchange Act and the Securities Exchange Act of 1934, and for other purposes.
- H.R. 2779** To exempt inter-affiliate swaps from certain regulatory requirements put in place by the Dodd-Frank Wall Street Reform and Consumer Protection Act.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3167** To direct the Secretary of Veterans Affairs to establish a program under which certain veterans entitled to educational assistance under the laws administered by the Secretary can use such entitlement to start or purchase a qualifying business enterprise, and for other purposes.
- H.R. 3283** To amend the Commodity Exchange Act and the Securities Exchange Act of 1934 to provide an exemption for certain swaps and security-based swaps involving Non-U.S. persons, and for other purposes.
- H.R. 3527** To amend the Commodity Exchange Act to clarify the definition of swap dealer.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4235 *** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to repeal the indemnification requirements for regulatory authorities to obtain access to swap data required to be provided by swaps entities under such Acts.
- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.

DONNELLY, Joe of Indiana

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 2675** To amend the Food, Conservation, and Energy Act of 2008 to authorize producers on a farm to produce fruits and vegetables for processing on the base acres of the farm.
- H.R. 6167** To extend supplemental agricultural disaster assistance programs.

DOYLE, Michael F. of Pennsylvania

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 2256 *** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.

AUTHOR INDEX

DOYLE, Michael F. of Pennsylvania

- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.

DREIER, David of California

- H.R. 6248** To provide for the transfer of excess Department of Defense aircraft to the Forest Service for wildfire suppression activities, and for other purposes.
- H.R. 6519** To provide an expedited permit process to authorize private landowners to conduct limited vegetation removal activities on National Forest System land or Bureau of Land Management land adjacent to their private property to reduce the risk of catastrophic wildfire that would threaten residential structures on the private property, and for other purposes.

DUFFY, Sean P. of Wisconsin

- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2675** To amend the Food, Conservation, and Energy Act of 2008 to authorize producers on a farm to produce fruits and vegetables for processing on the base acres of the farm.
- H.R. 5744** To address the forest health, public safety, and wildlife habitat threat presented by the risk of wildfire, including catastrophic wildfire, on National Forest System lands and public lands managed by the Bureau of Land Management by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest health, and economic development, and for other purposes.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term "biobased product".
- H.R. 6089** To address the bark beetle epidemic, drought, deteriorating forest health conditions, and high risk of wildfires on National Forest System land and land under the jurisdiction of the Bureau of Land Management in the United States by expanding authorities established in the Healthy Forest Restoration Act of 2003 to provide emergency measures for high-risk areas identified by such States, to make permanent Forest Service and Bureau of Land Management authority to conduct good-neighbor cooperation with States to reduce wildfire risks, and for other purposes.
- H.R. 6231** To authorize the Secretary of Agriculture to use funds derived from conservation-related programs executed on National Forest System lands to utilize the Agriculture Conservation Experienced Services Program.

DUNCAN, Jeff of South Carolina

- H.R. 235** To reduce unsustainable spending.
- H.R. 408** To reduce Federal spending by \$2.5 trillion through fiscal year 2021.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 2172** To facilitate the development of wind energy resources on Federal lands.

DUNCAN, Jeff of South Carolina

- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 3580** To amend the Balanced Budget and Emergency Deficit Control Act of 1985 to provide for long-term budgeting, and for other purposes.
- H.R. 3652** To amend the Food and Nutrition Act of 2008 to repeal the authority to make performance-based bonus payments to States.
- H.R. 4089** To protect and enhance opportunities for recreational hunting, fishing and shooting.
- H.R. 4301 *** To contribute to the growth of the American economy and the strength of American national security by streamlining regulatory permitting procedures and increasing domestic production from all energy sources.
- H.R. 4322** To clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State.
- H.R. 4480** To provide for the development of a plan to increase oil and gas exploration, development, and production under oil and gas leases of Federal lands under the jurisdiction of the Secretary of Agriculture, the Secretary of Energy, the Secretary of the Interior, and the Secretary of Defense in response to a drawdown of petroleum reserves from the Strategic Petroleum Reserve.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.
- H.R. 6470** To define urban rodent control for purposes of clarifying the control of nuisance mammals and birds carried out by the Wildlife services program of the Animal and Plant Health Inspection Service and by the private sector, and for other purposes.
- H.J. Res. 85** Disapproving the rule of the Agricultural Marketing Service of the Department of Agriculture with respect to the establishment of a Christmas tree promotion, research, and information program.

DUNCAN, John J. of Tennessee

- H.R. 87** To repeal the Dodd-Frank Wall Street Reform and Consumer Protection Act.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1008 *** To authorize the conveyance of a small parcel of National Forest System land in the Cherokee National Forest and to authorize the Secretary of Agriculture to use the proceeds from that conveyance to acquire a parcel of land for inclusion in that national forest, and for other purposes.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 1872** To require the Administrator of the Environmental Protection Agency to consider the impact on employment levels and economic activity prior to issuing a regulation, policy statement, guidance, or other requirement, implementing any new or substantially altered program, or issuing or denying any permit, and for other purposes.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 2172** To facilitate the development of wind energy resources on Federal lands.
- H.R. 4089** To protect and enhance opportunities for recreational hunting, fishing and shooting.
- H.R. 6470** To define urban rodent control for purposes of clarifying the control of nuisance mammals and birds carried out by the Wildlife services program of the Animal and Plant Health Inspection Service and by the private sector, and for other purposes.

AUTHOR INDEX

EDWARDS, Donna F. of Maryland

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1465** To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
- H.R. 2003** To amend the Internal Revenue Code of 1986 to impose a tax on transactions in oil futures, options, and swaps, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3233** To amend the Food and Nutrition Act of 2008 to exclude the value of vehicles used for household transportation, or to obtain or continue employment, from the resource limitation applicable to determine eligibility to receive supplemental nutrition assistance.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3553** To amend the Federal Food, Drug, and Cosmetic Act, the Federal Meat Inspection Act, and the Poultry Products Inspection Act to require that food that contains a genetically engineered material, or that is produced with a genetically engineered material, be labeled accordingly.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 5186** To prevent excessive speculation in energy commodities, and for other purposes.
- H.R. 6068** To provide for continued conservation efforts in the Chesapeake Bay watershed.

ELLISON, Keith of Minnesota

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.
- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.

ELLISON, Keith of Minnesota

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2795** To address childhood obesity, and for other purposes.
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3233** To amend the Food and Nutrition Act of 2008 to exclude the value of vehicles used for household transportation, or to obtain or continue employment, from the resource limitation applicable to determine eligibility to receive supplemental nutrition assistance.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3496** To sustain fish, plants, and wildlife on America's public lands.
- H.R. 3638** To create American jobs and reduce the deficit, and for other purposes.
- H.R. 3646** To require foreign manufacturers of products imported into the United States to establish registered agents in the United States who are authorized to accept service of process against such manufacturers, and for other purposes.
- H.R. 3665** To require the Commodity Futures Trading Commission to impose fees and assessments to recover the cost of appropriations to the Commission.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4225** To amend the Federal Insecticide, Fungicide, and Rodenticide Act to require local educational agencies and schools to implement integrated pest management programs to minimize the use of pesticides in schools and to provide parents, guardians, and employees with notice of the use of pesticides in schools, and for other purposes.
- H.R. 4318 *** To prohibit the use, production, sale, importation, or exportation of any pesticide containing atrazine.
- H.R. 4351** To provide assistance and opportunity for the creation and support of sustainable agriculture activities in America's cities and to improve access to nutrition in America's cities.
- H.R. 5745 *** To eliminate certain subsidies for fossil-fuel production.

ELLMERS, Renee L. of North Carolina

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 1573** To facilitate implementation of title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act, promote regulatory coordination, and avoid market disruption.

AUTHOR INDEX

ELLMERS, Renee L. of North Carolina

- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 3652** To amend the Food and Nutrition Act of 2008 to repeal the authority to make performance-based bonus payments to States.
- H.R. 4235** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to repeal the indemnification requirements for regulatory authorities to obtain access to swap data required to be provided by swaps entities under such Acts.
- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term “biobased product”.

EMERSON, Jo Ann of Missouri

- H. Res. 217 *** Supporting the goals and ideals of Global Child Nutrition Month.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1382** To require the President to call a White House Conference on Food and Nutrition.
- H.R. 1872** To require the Administrator of the Environmental Protection Agency to consider the impact on employment levels and economic activity prior to issuing a regulation, policy statement, guidance, or other requirement, implementing any new or substantially altered program, or issuing or denying any permit, and for other purposes.
- H.R. 2000** To provide immigration reform by securing America’s borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 4333** To amend the Food and Nutrition Act of 2008 to permit providers of eligible food purchasing and delivery services to be approved as retail food stores that accept and redeem supplemental nutrition assistance benefits.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term “biobased product”.
- H.R. 6192 *** To extend certain of the supplemental agricultural disaster assistance programs through fiscal year 2012 and to continue to fund such assistance through the Agricultural Disaster Relief Trust Fund.

ENGEL, Eliot L. of New York

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.

ENGEL, Eliot L. of New York

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 6513** To extend the authorization of the Highlands Conservation Act through fiscal year 2024.

ESHOO, Anna G. of California

- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1176** To amend the Specialty Crops Competitiveness Act of 2004 to include farmed shellfish as specialty crops.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3333** To amend part E of title IV of the Social Security Act to require States to help alien children in the child welfare system apply for all available forms of immigration relief, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4457** To require the Commodity Futures Trading Commission to take certain actions to reduce excessive speculation in energy markets.
- H.R. 5186** To prevent excessive speculation in energy commodities, and for other purposes.
- H.R. 5962** To amend the Organic Foods Production Act of 1990 to require recordkeeping and authorize investigations and enforcement actions for violations of such Act, and for other purposes.

FALEOMAVEGA, Eni F.H. of American Samoa

- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 3568** To improve Indian education, and for other purposes.
- H.R. 4141** To direct the Administrator of the United States Agency for International Development to take appropriate actions to improve the nutritional quality, quality control, and cost effectiveness of United States food assistance, and for other purposes.

AUTHOR INDEX

FALEOMAVAEGA, Eni F.H. of American Samoa

H.R. 4280 To amend the Food and Nutrition Act of 2008 to provide that Puerto Rico may be treated in the same manner as the several States for the purpose of carrying out the supplemental nutrition assistance program under such Act.

FARENTHOLD, Blake of Texas

H. Res. 635 Expressing the sense of the House of Representatives that Mr. Al Armendariz, Environmental Protection Agency Administrator for South Central Region (Region 6), is not suitable to secure domestic energy development, and, therefore should immediately resign.

H.R. 872 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.

H.R. 1697 To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.

H.R. 4089 To protect and enhance opportunities for recreational hunting, fishing and shooting.

H.R. 4322 To clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State.

FARR, Sam of California

H. Res. 309 Recognizing the 60th anniversary of the Animal Welfare Institute.

H. Res. 736 Expressing opposition to the use of carbon monoxide, carbon dioxide, nitrogen, nitrous oxide, argon, or other gases to euthanize shelter animals and support for State laws that require the use of the more humane euthanasia by injection method.

H. Res. 760 Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.

H.R. 14 To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.

H.R. 835 To amend the Animal Welfare Act to provide further protection for puppies.

H.R. 1148 To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.

H.R. 1887 To lift the trade embargo on Cuba, and for other purposes.

H.R. 1888 To facilitate the export of United States agricultural products to Cuba as authorized by the Trade Sanctions Reform and Export Enhancement Act of 2000, to remove impediments to the export to Cuba of medical devices and medicines, to allow travel to Cuba by United States legal residents, to establish an agricultural export promotion program with respect to Cuba, and for other purposes.

H.R. 2256 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.

H.R. 2492 To prohibit attendance of an animal fighting venture, and for other purposes.

H.R. 2966 To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.

H.R. 3017 To provide for a more structured and stable domestic agricultural labor market in the United States, and for other purposes.

H.R. 3236 To expand and improve opportunities for beginning farmers and ranchers, and for other purposes.

H.R. 3286 To promote local and regional farm and food systems, and for other purposes.

H.R. 3359 To amend the Animal Welfare Act to restrict the use of exotic and non-domesticated animals in traveling circuses and exhibitions.

FARR, Sam of California

H.R. 3437 To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.

H.R. 3465 To protect inventoried roadless areas in the National Forest System.

H.R. 3704 To amend the Humane Methods of Livestock Slaughter Act of 1958 to ensure the humane slaughter of nonambulatory livestock, and for other purposes.

H.R. 3798 To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.

H.R. 3886 To expand the workforce of veterinarians specialized in the care and conservation of wild animals and their ecosystems, and to develop educational programs focused on wildlife and zoological veterinary medicine.

H.R. 4280 To amend the Food and Nutrition Act of 2008 to provide that Puerto Rico may be treated in the same manner as the several States for the purpose of carrying out the supplemental nutrition assistance program under such Act.

H.R. 4296 To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.

H.R. 4457 To require the Commodity Futures Trading Commission to take certain actions to reduce excessive speculation in energy markets.

H.R. 5962 To amend the Organic Foods Production Act of 1990 to require recordkeeping and authorize investigations and enforcement actions for violations of such Act, and for other purposes.

H.R. 6200 To strengthen Federal consumer protection and product traceability with respect to commercially marketed seafood, and for other purposes.

FATTAH, Chaka of Pennsylvania

H. Res. 760 Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.

H.R. 1148 To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.

H.R. 2492 To prohibit attendance of an animal fighting venture, and for other purposes.

H.R. 2954 To improve the health of minority individuals, and for other purposes.

H.R. 2966 To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.

H.R. 3437 To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.

H.R. 3465 To protect inventoried roadless areas in the National Forest System.

H.R. 3569 To improve Indian education, and for other purposes.

FEINSTEIN, Dianne of California

S. 1947 To prohibit attendance of an animal fighting venture, and for other purposes.

S. 3261 To allow the Chief of the Forest Service to award certain contracts for large air tankers.

AUTHOR INDEX

FILNER, Bob of California

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 350** To amend the Food and Nutrition Act of 2008 to provide greater access to the supplemental nutrition assistance program by reducing duplicative and burdensome administrative requirements, authorize the Secretary of Agriculture to award grants to certain community-based nonprofit feeding and anti-hunger groups for the purpose of establishing and implementing a Beyond the Soup Kitchen Pilot Program for certain socially and economically disadvantaged populations, and for other purposes.
- H.R. 530** To amend the Food and Nutrition Act of 2008 to remove the ineligibility of individuals who participate in a strike.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.

- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1507 *** To implement a comprehensive border security plan to combat illegal immigration, drug and alien smuggling, and violent activity in the southwest border of the United States.
- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 1739** To repeal the Federal sugar program.
- H.R. 2487 *** To amend the Food, Conservation, and Energy Act of 2008 to terminate direct payments for the 2012 crop year.
- H.R. 2562** To direct the Secretary of Agriculture to take immediate action to recover ecologically and economically from a catastrophic wildfire in the States of Arizona and New Mexico, and for other purposes.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 4089** To protect and enhance opportunities for recreational hunting, fishing and shooting.
- H.R. 5143** To prohibit the Secretary of Agriculture from making payments to the Brazilian Cotton Institute.
- H.R. 5744** To address the forest health, public safety, and wildlife habitat threat presented by the risk of wildfire, including catastrophic wildfire, on National Forest System lands and public lands managed by the Bureau of Land Management by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest health, and economic development, and for other purposes.
- H.R. 6098 *** To amend the Federal Crop Insurance Act to immediately reduce crop insurance premium subsidy rates from the higher subsidies provided since the Agricultural Risk Protection Act of 2000.

FLEISCHMANN, Charles J. “Chuck” of Tennessee

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1385** To repeal the sugar price support program and marketing allotments for sugar, and for other purposes.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 4322** To clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.

FLEMING, John of Louisiana

- H.R. 408** To reduce Federal spending by \$2.5 trillion through fiscal year 2021.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2793 *** To prohibit the Secretary of Agriculture from restricting certain hunting activities in the Kisatchie National Forest, and for other purposes.
- H.R. 3652** To amend the Food and Nutrition Act of 2008 to repeal the authority to make performance-based bonus payments to States.
- H.R. 4301** To contribute to the growth of the American economy and the strength of American national security by streamlining regulatory permitting procedures and increasing domestic production from all energy sources.
- H.R. 4322** To clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term “biobased product”.
- H.R. 6688** To extend tax relief for all Americans, to replace the defense sequester scheduled to take effect on January 2, 2013, with responsible reductions in direct and other spending, and for other purposes.
- H.J. Res. 85** Disapproving the rule of the Agricultural Marketing Service of the Department of Agriculture with respect to the establishment of a Christmas tree promotion, research, and information program.

FLORES, Bill of Texas

- H.R. 408** To reduce Federal spending by \$2.5 trillion through fiscal year 2021.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.

AUTHOR INDEX

FLORES, Bill of Texas

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 2172** To facilitate the development of wind energy resources on Federal lands.
- H.R. 2483** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to modify certain provisions relating to whistleblower incentives and protection.
- H.R. 3565 *** To reduce the salaries of Members of Congress if a Federal budget deficit exists, prohibit commodities and securities trading based on non-public information relating to Congress, and for other purposes.
- H.R. 3580** To amend the Balanced Budget and Emergency Deficit Control Act of 1985 to provide for long-term budgeting, and for other purposes.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.
- H.R. 6089** To address the bark beetle epidemic, drought, deteriorating forest health conditions, and high risk of wildfires on National Forest System land and land under the jurisdiction of the Bureau of Land Management in the United States by expanding authorities established in the Healthy Forest Restoration Act of 2003 to provide emergency measures for high-risk areas identified by such States, to make permanent Forest Service and Bureau of Land Management authority to conduct good-neighbor cooperation with States to reduce wildfire risks, and for other purposes.
- H.R. 6688** To extend tax relief for all Americans, to replace the defense sequester scheduled to take effect on January 2, 2013, with responsible reductions in direct and other spending, and for other purposes.
- H.J. Res. 85** Disapproving the rule of the Agricultural Marketing Service of the Department of Agriculture with respect to the establishment of a Christmas tree promotion, research, and information program.

FORBES, J. Randy of Virginia

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1385** To repeal the sugar price support program and marketing allotments for sugar, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.
- H.J. Res. 85** Disapproving the rule of the Agricultural Marketing Service of the Department of Agriculture with respect to the establishment of a Christmas tree promotion, research, and information program.

FORTENBERRY, Jeff of Nebraska

- H.R. 271 *** To direct the Secretary of Agriculture to establish a program to provide covered institutions loans for conversion to use of biomass for energy generation.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 3167 *** To direct the Secretary of Veterans Affairs to establish a program under which certain veterans entitled to educational assistance under the laws administered by the Secretary can use such entitlement to start or purchase a qualifying business enterprise, and for other purposes.
- H.R. 3236** To expand and improve opportunities for beginning farmers and ranchers, and for other purposes.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.
- H.R. 5879** To amend the Federal Crop Insurance Act to modify the ineligibility requirements for producers that produce an annual crop on native sod, and for other purposes.

FOXX, Virginia of North Carolina

- H.R. 235** To reduce unsustainable spending.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 3610 *** To consolidate and streamline redundant and ineffective Federal workforce development programs to increase accountability, reduce administrative bureaucracies, and put Americans back to work.
- H.R. 4297 *** To reform and strengthen the workforce investment system of the Nation to put Americans back to work and make the United States more competitive in the 21st Century.
- H.R. 4480** To provide for the development of a plan to increase oil and gas exploration, development, and production under oil and gas leases of Federal lands under the jurisdiction of the Secretary of Agriculture, the Secretary of Energy, the Secretary of the Interior, and the Secretary of Defense in response to a drawdown of petroleum reserves from the Strategic Petroleum Reserve.

FRANK, Barney of Massachusetts

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.
- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 530** To amend the Food and Nutrition Act of 2008 to remove the ineligibility of individuals who participate in a strike.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.

AUTHOR INDEX

FRANK, Barney of Massachusetts

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1465** To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.
- H.R. 5143** To prohibit the Secretary of Agriculture from making payments to the Brazilian Cotton Institute.
- H.R. 5186** To prevent excessive speculation in energy commodities, and for other purposes.
- H.R. 5860 *** To prohibit individuals from insuring against possible losses from having to repay illegally-received compensation or from having to pay civil penalties, and for other purposes.
- H.R. 6098** To amend the Federal Crop Insurance Act to immediately reduce crop insurance premium subsidy rates from the higher subsidies provided since the Agricultural Risk Protection Act of 2000.
- H.R. 6200** To strengthen Federal consumer protection and product traceability with respect to commercially marketed seafood, and for other purposes.
- H.R. 6613 *** To establish the Securities and Derivatives Commission in order to combine the functions of the Commodity Futures Trading Commission and the Securities and Exchange Commission in a single independent regulatory commission.

FRANKS, Trent of Arizona

- H.R. 87** To repeal the Dodd-Frank Wall Street Reform and Consumer Protection Act.
- H.R. 408** To reduce Federal spending by \$2.5 trillion through fiscal year 2021.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1202** To restart jobs in the timber industry by providing for the protection of the Mexican Spotted Owl in sanctuaries.
- H.R. 1274** To gain operational control of the border, enforce immigration laws, strengthen visa security, and for other purposes.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.
- H.R. 4322** To clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State.
- H.R. 5744** To address the forest health, public safety, and wildlife habitat threat presented by the risk of wildfire, including catastrophic wildfire, on National Forest System lands and public lands managed by the Bureau of Land Management by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest health, and economic development, and for other purposes.

FRANKS, Trent of Arizona

- H.J. Res. 85** Disapproving the rule of the Agricultural Marketing Service of the Department of Agriculture with respect to the establishment of a Christmas tree promotion, research, and information program.

FRELINGHUYSEN, Rodney P. of New Jersey

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1739** To repeal the Federal sugar program.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.

GINGREY, Phil of Georgia

- H.R. 408** To reduce Federal spending by \$2.5 trillion through fiscal year 2021.
- H.R. 1202** To restart jobs in the timber industry by providing for the protection of the Mexican Spotted Owl in sanctuaries.
- H.R. 1343** To return unused or reclaimed funds made available for broadband awards in the American Recovery and Reinvestment Act of 2009 to the Treasury of the United States.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.

GOHMERT, Louie of Texas

- H.R. 1135** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1202** To restart jobs in the timber industry by providing for the protection of the Mexican Spotted Owl in sanctuaries.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 4301** To contribute to the growth of the American economy and the strength of American national security by streamlining regulatory permitting procedures and increasing domestic production from all energy sources.
- H.R. 4322 *** To clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.
- H.J. Res. 85** Disapproving the rule of the Agricultural Marketing Service of the Department of Agriculture with respect to the establishment of a Christmas tree promotion, research, and information program.

GONZALEZ, Charles A. of Texas

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 3569** To improve Indian education, and for other purposes.
- H.R. 4235** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to repeal the indemnification requirements for regulatory authorities to obtain access to swap data required to be provided by swaps entities under such Acts.

GOODLATTE, Bob of Virginia

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 1573** To facilitate implementation of title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act, promote regulatory coordination, and avoid market disruption.
- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 1610** To provide end user exemptions from certain provisions of the Commodity Exchange Act and the Securities Exchange Act of 1934, and for other purposes.
- H.R. 3652** To amend the Food and Nutrition Act of 2008 to repeal the authority to make performance-based bonus payments to States.
- H.R. 4153 *** To support efforts to reduce pollution of the Chesapeake Bay watershed, and for other purposes.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term "biobased product".

GOSAR, Paul A. of Arizona

- H.R. 922 *** To ensure that private property, public safety, and human life are protected from flood hazards that directly result from post-fire watershed conditions that are created by wildfires on Federal land.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1274** To gain operational control of the border, enforce immigration laws, strengthen visa security, and for other purposes.
- H.R. 1485** To address the public health and safety threat presented by the risk of catastrophic wildfire on Federal forestlands by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest restoration, forest health, and watershed restoration.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 2562 *** To direct the Secretary of Agriculture to take immediate action to recover ecologically and economically from a catastrophic wildfire in the States of Arizona and New Mexico, and for other purposes.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 4234** To amend the Federal Land Policy and Management Act of 1976 to improve the management of grazing leases and permits, and for other purposes.
- H.R. 4396** To extend Forest Service and the Bureau of Land Management stewardship end result contracting authority, and for other purposes.
- H.R. 5744 *** To address the forest health, public safety, and wildlife habitat threat presented by the risk of wildfire, including catastrophic wildfire, on National Forest System lands and public lands managed by the Bureau of Land Management by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest health, and economic development, and for other purposes.

AUTHOR INDEX

GOSAR, Paul A. of Arizona

- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term “biobased product”.
- H.R. 6009** To establish a program that will generate dependable economic activity for counties and local governments containing National Forest System land through a management-focused approach, and for other purposes.
- H.R. 6089** To address the bark beetle epidemic, drought, deteriorating forest health conditions, and high risk of wildfires on National Forest System land and land under the jurisdiction of the Bureau of Land Management in the United States by expanding authorities established in the Healthy Forest Restoration Act of 2003 to provide emergency measures for high-risk areas identified by such States, to make permanent Forest Service and Bureau of Land Management authority to conduct good-neighbor cooperation with States to reduce wildfire risks, and for other purposes.
- H.R. 6154 *** To promote the development of renewable energy on public lands, and for other purposes.
- H.R. 6248** To provide for the transfer of excess Department of Defense aircraft to the Forest Service for wildfire suppression activities, and for other purposes.

GOWDY, Trey of South Carolina

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 3610** To consolidate and streamline redundant and ineffective Federal workforce development programs to increase accountability, reduce administrative bureaucracies, and put Americans back to work.
- H.R. 3652** To amend the Food and Nutrition Act of 2008 to repeal the authority to make performance-based bonus payments to States.
- H.R. 4301** To contribute to the growth of the American economy and the strength of American national security by streamlining regulatory permitting procedures and increasing domestic production from all energy sources.

GRANGER, Kay of Texas

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.J. Res. 85** Disapproving the rule of the Agricultural Marketing Service of the Department of Agriculture with respect to the establishment of a Christmas tree promotion, research, and information program.

GRAVES, Tom of Georgia

- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 2487** To amend the Food, Conservation, and Energy Act of 2008 to terminate direct payments for the 2012 crop year.
- H.R. 3652** To amend the Food and Nutrition Act of 2008 to repeal the authority to make performance-based bonus payments to States.

GRAVES, Tom of Georgia

- H.R. 4301** To contribute to the growth of the American economy and the strength of American national security by streamlining regulatory permitting procedures and increasing domestic production from all energy sources.
- H.R. 4322** To clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term “biobased product”.
- H.R. 6688** To extend tax relief for all Americans, to replace the defense sequester scheduled to take effect on January 2, 2013, with responsible reductions in direct and other spending, and for other purposes.

GRAVES, Sam of Missouri

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2000** To provide immigration reform by securing America’s borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 6239 *** To amend the Food and Nutrition Act of 2008 to prevent the payment of cash to recipients of supplemental nutrition assistance for the return of empty bottles and cans used to contain food purchased with benefits provided under such Act.

GREEN, Al of Texas

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 530** To amend the Food and Nutrition Act of 2008 to remove the ineligibility of individuals who participate in a strike.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3569** To improve Indian education, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.

GREEN, Gene of Texas

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.
- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.

AUTHOR INDEX

GREEN, Gene of Texas

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1277** To authorize the Secretary of Homeland Security to make grants for public-private partnerships that finance equipment and infrastructure to improve the public safety of persons who are residents of rural areas of the United States near the border with Mexico by enhancing access to mobile communications, and for other purposes.
- H.R. 1561** To enhance the safety of ports of entry in the United States, and for other purposes.

- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 3167** To direct the Secretary of Veterans Affairs to establish a program under which certain veterans entitled to educational assistance under the laws administered by the Secretary can use such entitlement to start or purchase a qualifying business enterprise, and for other purposes.
- H.R. 4480** To provide for the development of a plan to increase oil and gas exploration, development, and production under oil and gas leases of Federal lands under the jurisdiction of the Secretary of Agriculture, the Secretary of Energy, the Secretary of the Interior, and the Secretary of Defense in response to a drawdown of petroleum reserves from the Strategic Petroleum Reserve.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term "biobased product".
- H.R. 6688** To extend tax relief for all Americans, to replace the defense sequester scheduled to take effect on January 2, 2013, with responsible reductions in direct and other spending, and for other purposes.

GRIFFITH, H. Morgan of Virginia

- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 2743 *** To provide for the conveyance of a small parcel of National Forest System land in Pound, Virginia.
- H.R. 4153** To support efforts to reduce pollution of the Chesapeake Bay watershed, and for other purposes.

GRIJALVA, Raúl M. of Arizona

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.
- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 350** To amend the Food and Nutrition Act of 2008 to provide greater access to the supplemental nutrition assistance program by reducing duplicative and burdensome administrative requirements, authorize the Secretary of Agriculture to award grants to certain community-based nonprofit feeding and anti-hunger groups for the purpose of establishing and implementing a Beyond the Soup Kitchen Pilot Program for certain socially and economically disadvantaged populations, and for other purposes.
- H.R. 587 *** To amend the Public Lands Corps Act of 1993 to expand the authorization of the Secretaries of Agriculture, Commerce, and the Interior to provide service opportunities for young Americans; help restore the nation's natural, cultural, historic, archaeological, recreational and scenic resources; train a new generation of public land managers and enthusiasts; and promote the value of public service.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1465** To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
- H.R. 1561** To enhance the safety of ports of entry in the United States, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2328** To require the Chairman of the Commodity Futures Trading Commission to impose unilaterally position limits and margin requirements to eliminate excessive oil speculation, and to take other actions to ensure that the price of crude oil, gasoline, diesel fuel, jet fuel, and heating oil accurately reflects the fundamentals of supply and demand, to remain in effect until the date on which the Commission establishes position limits to diminish, eliminate, or prevent excessive speculation as required by title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2795** To address childhood obesity, and for other purposes.
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.

AUTHOR INDEX

GRIJALVA, Raúl M. of Arizona

- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3049 *** To restore growth, spur job creation, build momentum toward economic recovery for border communities and the United States, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3333** To amend part E of title IV of the Social Security Act to require States to help alien children in the child welfare system apply for all available forms of immigration relief, and for other purposes.
- H.R. 3359** To amend the Animal Welfare Act to restrict the use of exotic and non-domesticated animals in traveling circuses and exhibitions.
- H.R. 3432** To authorize voluntary grazing permit retirement on Federal lands managed by the Department of Agriculture or the Department of the Interior where livestock grazing is impractical, and for other purposes.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3496** To sustain fish, plants, and wildlife on America's public lands.
- H.R. 3553** To amend the Federal Food, Drug, and Cosmetic Act, the Federal Meat Inspection Act, and the Poultry Products Inspection Act to require that food that contains a genetically engineered material, or that is produced with a genetically engineered material, be labeled accordingly.
- H.R. 3554** To prohibit the open-air cultivation of genetically engineered pharmaceutical and industrial crops, to prohibit the use of common human food or animal feed as the host plant for a genetically engineered pharmaceutical or industrial chemical, to establish a tracking system to regulate the growing, handling, transportation, and disposal of pharmaceutical and industrial crops and their byproducts to prevent human, animal, and general environmental exposure to genetically engineered pharmaceutical and industrial crops and their byproducts, to amend the Federal Food, Drug, and Cosmetic Act with respect to the safety of genetically engineered foods, and for other purposes.
- H.R. 3555** To provide additional protections for farmers and ranchers that may be harmed economically by genetically engineered seeds, plants, or animals, to ensure fairness for farmers and ranchers in their dealings with biotech companies that sell genetically engineered seeds, plants, or animals, to assign liability for injury caused by genetically engineered organisms, and for other purposes.
- H.R. 3568** To improve Indian education, and for other purposes.
- H.R. 3569** To improve Indian education, and for other purposes.
- H.R. 3638 *** To create American jobs and reduce the deficit, and for other purposes.
- H.R. 3646** To require foreign manufacturers of products imported into the United States to establish registered agents in the United States who are authorized to accept service of process against such manufacturers, and for other purposes.
- H.R. 3665** To require the Commodity Futures Trading Commission to impose fees and assessments to recover the cost of appropriations to the Commission.
- H.R. 3704** To amend the Humane Methods of Livestock Slaughter Act of 1958 to ensure the humane slaughter of nonambulatory livestock, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 3886** To expand the workforce of veterinarians specialized in the care and conservation of wild animals and their ecosystems, and to develop educational programs focused on wildlife and zoological veterinary medicine.

GRIJALVA, Raúl M. of Arizona

- H.R. 4225** To amend the Federal Insecticide, Fungicide, and Rodenticide Act to require local educational agencies and schools to implement integrated pest management programs to minimize the use of pesticides in schools and to provide parents, guardians, and employees with notice of the use of pesticides in schools, and for other purposes.
- H.R. 4280** To amend the Food and Nutrition Act of 2008 to provide that Puerto Rico may be treated in the same manner as the several States for the purpose of carrying out the supplemental nutrition assistance program under such Act.
- H.R. 4457** To require the Commodity Futures Trading Commission to take certain actions to reduce excessive speculation in energy markets.
- H.R. 5186** To prevent excessive speculation in energy commodities, and for other purposes.
- H.R. 5960** To amend the Healthy Forests Restoration Act of 2003 to improve the response to insect infestations and related diseases and to change the funding source for the Healthy Forests Reserve Program, to codify the stewardship end result contracting and good neighbor authorities, and to amend the emergency watershed protection program to improve post fire rehabilitation, and for other purposes.
- H.R. 6457** To provide grants to enhance the most effective freezing methods to improve access to affordable and locally produced specialty crops.

GRIMM, Michael G. of New York

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1610 *** To provide end user exemptions from certain provisions of the Commodity Exchange Act and the Securities Exchange Act of 1934, and for other purposes.
- H.R. 2483 *** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to modify certain provisions relating to whistleblower incentives and protection.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2586** To refine the definition of swap execution facility in the provisions regulating swap markets added by title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act.
- H.R. 2682 *** To provide end user exemptions from certain provisions of the Commodity Exchange Act and the Securities Exchange Act of 1934, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3704** To amend the Humane Methods of Livestock Slaughter Act of 1958 to ensure the humane slaughter of nonambulatory livestock, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 3886** To expand the workforce of veterinarians specialized in the care and conservation of wild animals and their ecosystems, and to develop educational programs focused on wildlife and zoological veterinary medicine.
- H.R. 4235** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to repeal the indemnification requirements for regulatory authorities to obtain access to swap data required to be provided by swaps entities under such Acts.

GUINTA, Frank C. of New Hampshire

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.

AUTHOR INDEX

GUINTA, Frank C. of New Hampshire

- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.

- H.R. 2954** To improve the health of minority individuals, and for other purposes.

GUTIERREZ, Luis V. of Illinois

- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3017** To provide for a more structured and stable domestic agricultural labor market in the United States, and for other purposes.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3638** To create American jobs and reduce the deficit, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4457** To require the Commodity Futures Trading Commission to take certain actions to reduce excessive speculation in energy markets.

HAHN, Janice of California

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3638** To create American jobs and reduce the deficit, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.

HALL, Ralph M. of Texas

- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 4322** To clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.

HANABUSA, Colleen W. of Hawaii

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.

AUTHOR INDEX

HANABUSA, Colleen W. of Hawaii

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3568** To improve Indian education, and for other purposes.

HANNA, Richard L. of New York

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 874** To amend the Consolidated Farm and Rural Development Act to expand eligibility for Farm Service Agency loans.
- H.R. 1573** To facilitate implementation of title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act, promote regulatory coordination, and avoid market disruption.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 1739** To repeal the Federal sugar program.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 2856** To provide assistance for agricultural producers adversely affected by damaging weather and other conditions relating to Hurricane Irene.
- H.R. 2905** To temporarily waive the risk management purchase requirement for agricultural producers adversely impacted by Hurricane Irene or Tropical Storm Lee so that such producers are eligible to receive assistance under the Supplemental Revenue Assistance Program (SURE), Emergency Assistance for Livestock, Honey Bees, and Farm-Raised Fish Program (ELAP), and Tree Assistance Program (TAP).
- H.R. 3914** To amend the Export Apple Act to permit the export of apples to Canada in bulk bins without certification by the Department of Agriculture.
- H.R. 4089** To protect and enhance opportunities for recreational hunting, fishing and shooting.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term "biobased product".
- H.R. 5896** To amend the Rural Electrification Act of 1936, and for other purposes.
- H.R. 5962** To amend the Organic Foods Production Act of 1990 to require recordkeeping and authorize investigations and enforcement actions for violations of such Act, and for other purposes.

HARPER, Gregg of Mississippi

- H. Res. 797** Celebrating the 50th anniversary of the enactment of Public Law 87-788, commonly known as the McIntire-Stennis Cooperative Forestry Act.
- H.R. 1343** To return unused or reclaimed funds made available for broadband awards in the American Recovery and Reinvestment Act of 2009 to the Treasury of the United States.
- H.R. 2876** To prevent discrimination on the basis of political beliefs by the Environmental Protection Agency in its student programs.

HARPER, Gregg of Mississippi

- H.R. 4480** To provide for the development of a plan to increase oil and gas exploration, development, and production under oil and gas leases of Federal lands under the jurisdiction of the Secretary of Agriculture, the Secretary of Energy, the Secretary of the Interior, and the Secretary of Defense in response to a drawdown of petroleum reserves from the Strategic Petroleum Reserve.
- H.J. Res. 85** Disapproving the rule of the Agricultural Marketing Service of the Department of Agriculture with respect to the establishment of a Christmas tree promotion, research, and information program.

HARRIS, Andy of Maryland

- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 3652** To amend the Food and Nutrition Act of 2008 to repeal the authority to make performance-based bonus payments to States.
- H.R. 4234** To amend the Federal Land Policy and Management Act of 1976 to improve the management of grazing leases and permits, and for other purposes.
- H.R. 4301** To contribute to the growth of the American economy and the strength of American national security by streamlining regulatory permitting procedures and increasing domestic production from all energy sources.
- H.R. 4322** To clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.
- H.R. 6068** To provide for continued conservation efforts in the Chesapeake Bay watershed.
- H.J. Res. 85** Disapproving the rule of the Agricultural Marketing Service of the Department of Agriculture with respect to the establishment of a Christmas tree promotion, research, and information program.

HARTZLER, Vicky of Missouri

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1573** To facilitate implementation of title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act, promote regulatory coordination, and avoid market disruption.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 2588** To direct the Secretary of the Interior and the Secretary of Agriculture to sell certain Federal land, to direct that the proceeds of such sales be applied to reduce the Federal budget deficit, and for other purposes.
- H.R. 3323** To reduce the regulatory burden on the agricultural sector of the national economy.
- H.R. 3336** * To ensure the exclusion of small lenders from certain regulations of the Dodd-Frank Act.
- H.R. 3454** To amend the Food Security Act of 1985 with respect to maximum enrollment and eligible land in the conservation reserve program.

AUTHOR INDEX

HARTZLER, Vicky of Missouri

- H.R. 3652** To amend the Food and Nutrition Act of 2008 to repeal the authority to make performance-based bonus payments to States.
- H.R. 4296 *** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.
- H.R. 4330** To amend the Food, Conservation, and Energy Act of 2008 to clarify the maximum distance between Farm Service Agency county offices for purposes of the closure or relocation of a county office for the Farm Service Agency.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term “biobased product”.
- H.R. 6470** To define urban rodent control for purposes of clarifying the control of nuisance mammals and birds carried out by the Wildlife services program of the Animal and Plant Health Inspection Service and by the private sector, and for other purposes.
- H.R. 6688** To extend tax relief for all Americans, to replace the defense sequester scheduled to take effect on January 2, 2013, with responsible reductions in direct and other spending, and for other purposes.

HASTINGS, Alcee L. of Florida

- H. Res. 309** Recognizing the 60th anniversary of the Animal Welfare Institute.
- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.
- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.

- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3646** To require foreign manufacturers of products imported into the United States to establish registered agents in the United States who are authorized to accept service of process against such manufacturers, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 3886 *** To expand the workforce of veterinarians specialized in the care and conservation of wild animals and their ecosystems, and to develop educational programs focused on wildlife and zoological veterinary medicine.
- H.R. 4235** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to repeal the indemnification requirements for regulatory authorities to obtain access to swap data required to be provided by swaps entities under such Acts.

HASTINGS, Alcee L. of Florida

- H.R. 6200** To strengthen Federal consumer protection and product traceability with respect to commercially marketed seafood, and for other purposes.

HASTINGS, Doc of Washington

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 2172** To facilitate the development of wind energy resources on Federal lands.
- H.R. 4019 *** To increase employment and educational opportunities in, and improve the economic stability of, counties containing Federal forest land, while also reducing the cost of managing such land, by providing such counties a dependable source of revenue from such land, and for other purposes.

HAYWORTH, Nan A.S. of New York

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 874** To amend the Consolidated Farm and Rural Development Act to expand eligibility for Farm Service Agency loans.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 1838 *** To repeal a provision of the Dodd-Frank Wall Street Reform and Consumer Protection Act prohibiting any Federal bailout of swap dealers or participants.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2856** To provide assistance for agricultural producers adversely affected by damaging weather and other conditions relating to Hurricane Irene.
- H.R. 2905** To temporarily waive the risk management purchase requirement for agricultural producers adversely impacted by Hurricane Irene or Tropical Storm Lee so that such producers are eligible to receive assistance under the Supplemental Revenue Assistance Program (SURE), Emergency Assistance for Livestock, Honey Bees, and Farm-Raised Fish Program (ELAP), and Tree Assistance Program (TAP).
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3283** To amend the Commodity Exchange Act and the Securities Exchange Act of 1934 to provide an exemption for certain swaps and security-based swaps involving Non-U.S. persons, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4235** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to repeal the indemnification requirements for regulatory authorities to obtain access to swap data required to be provided by swaps entities under such Acts.
- H.R. 6513** To extend the authorization of the Highlands Conservation Act through fiscal year 2024.

HECK, Joseph J. of Nevada

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1385** To repeal the sugar price support program and marketing allotments for sugar, and for other purposes.

AUTHOR INDEX

HECK, Joseph J. of Nevada

- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 3610** To consolidate and streamline redundant and ineffective Federal workforce development programs to increase accountability, reduce administrative bureaucracies, and put Americans back to work.
- H.R. 4297** To reform and strengthen the workforce investment system of the Nation to put Americans back to work and make the United States more competitive in the 21st Century.
- H.R. 4976** To provide for the conveyance of small parcels of National Forest System land and small parcels of public lands administered by the Bureau of Land Management to landowners whose lands share a boundary with the National Forest System land or public lands, and for other purposes.
- H.R. 5991 *** To promote the development of renewable energy on public lands, and for other purposes.

HEINRICH, Martin of New Mexico

- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1277** To authorize the Secretary of Homeland Security to make grants for public-private partnerships that finance equipment and infrastructure to improve the public safety of persons who are residents of rural areas of the United States near the border with Mexico by enhancing access to mobile communications, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3236** To expand and improve opportunities for beginning farmers and ranchers, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3599 *** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, to provide full funding for the Payments in Lieu of Taxes program, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4396** To extend Forest Service and the Bureau of Land Management stewardship end result contracting authority, and for other purposes.
- H.R. 5991** To promote the development of renewable energy on public lands, and for other purposes.
- H.R. 6086 *** To direct the heads of Federal public land management agencies to prepare reports on the availability of public access and egress to Federal public lands for hunting, fishing, and other recreational purposes, to amend the Land and Water Conservation Fund Act of 1965 to provide funding for recreational public access to Federal land, and for other purposes.

HELLER, Dean of Nevada

- H.R. 765** To amend the National Forest Ski Area Permit Act of 1986 to clarify the authority of the Secretary of Agriculture regarding additional recreational uses of National Forest System land that is subject to ski area permits, and for other purposes.
- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.

HENSARLING, Jeb of Texas

- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1573** To facilitate implementation of title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act, promote regulatory coordination, and avoid market disruption.
- H.R. 1739** To repeal the Federal sugar program.
- H.R. 3580** To amend the Balanced Budget and Emergency Deficit Control Act of 1985 to provide for long-term budgeting, and for other purposes.

HERGER, Wally of California

- H.R. 759** To require the Director of National Drug Control Policy to develop a Federal Lands Counterdrug Strategy, and for other purposes.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1485 *** To address the public health and safety threat presented by the risk of catastrophic wildfire on Federal forestlands by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest restoration, forest health, and watershed restoration.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 3685 *** To amend the Herger-Feinstein Quincy Library Group Forest Recovery Act to extend and expand the scope of the pilot forest management project required by that Act.

HERRERA BEUTLER, Jaime of Washington

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 1872** To require the Administrator of the Environmental Protection Agency to consider the impact on employment levels and economic activity prior to issuing a regulation, policy statement, guidance, or other requirement, implementing any new or substantially altered program, or issuing or denying any permit, and for other purposes.

AUTHOR INDEX

HIGGINS, Brian of New York

- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.

- H.R. 3283 *** To amend the Commodity Exchange Act and the Securities Exchange Act of 1934 to provide an exemption for certain swaps and security-based swaps involving Non-U.S. persons, and for other purposes.
- H.R. 3704** To amend the Humane Methods of Livestock Slaughter Act of 1958 to ensure the humane slaughter of nonambulatory livestock, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4235** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to repeal the indemnification requirements for regulatory authorities to obtain access to swap data required to be provided by swaps entities under such Acts.

HINCHEY, Maurice D. of New York

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.

HINCHEY, Maurice D. of New York

- H.R. 350** To amend the Food and Nutrition Act of 2008 to provide greater access to the supplemental nutrition assistance program by reducing duplicative and burdensome administrative requirements, authorize the Secretary of Agriculture to award grants to certain community-based nonprofit feeding and anti-hunger groups for the purpose of establishing and implementing a Beyond the Soup Kitchen Pilot Program for certain socially and economically disadvantaged populations, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2328 *** To require the Chairman of the Commodity Futures Trading Commission to impose unilaterally position limits and margin requirements to eliminate excessive oil speculation, and to take other actions to ensure that the price of crude oil, gasoline, diesel fuel, jet fuel, and heating oil accurately reflects the fundamentals of supply and demand, to remain in effect until the date on which the Commission establishes position limits to diminish, eliminate, or prevent excessive speculation as required by title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2856** To provide assistance for agricultural producers adversely affected by damaging weather and other conditions relating to Hurricane Irene.
- H.R. 2905** To temporarily waive the risk management purchase requirement for agricultural producers adversely impacted by Hurricane Irene or Tropical Storm Lee so that such producers are eligible to receive assistance under the Supplemental Revenue Assistance Program (SURE), Emergency Assistance for Livestock, Honey Bees, and Farm-Raised Fish Program (ELAP), and Tree Assistance Program (TAP).
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3432** To authorize voluntary grazing permit retirement on Federal lands managed by the Department of Agriculture or the Department of the Interior where livestock grazing is impractical, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3553** To amend the Federal Food, Drug, and Cosmetic Act, the Federal Meat Inspection Act, and the Poultry Products Inspection Act to require that food that contains a genetically engineered material, or that is produced with a genetically engineered material, be labeled accordingly.
- H.R. 3554** To prohibit the open-air cultivation of genetically engineered pharmaceutical and industrial crops, to prohibit the use of common human food or animal feed as the host plant for a genetically engineered pharmaceutical or industrial chemical, to establish a tracking system to regulate the growing, handling, transportation, and disposal of pharmaceutical and industrial crops and their byproducts to prevent human, animal, and general environmental exposure to genetically engineered pharmaceutical and industrial crops and their byproducts, to amend the Federal Food, Drug, and Cosmetic Act with respect to the safety of genetically engineered foods, and for other purposes.

AUTHOR INDEX

HINCHEY, Maurice D. of New York

- H.R. 3555** To provide additional protections for farmers and ranchers that may be harmed economically by genetically engineered seeds, plants, or animals, to ensure fairness for farmers and ranchers in their dealings with biotech companies that sell genetically engineered seeds, plants, or animals, to assign liability for injury caused by genetically engineered organisms, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4457 *** To require the Commodity Futures Trading Commission to take certain actions to reduce excessive speculation in energy markets.
- H.R. 5955** To amend the Farm Security and Rural Investment Act of 2002 to improve energy programs.
- H.R. 6068** To provide for continued conservation efforts in the Chesapeake Bay watershed.
- H.R. 6513** To extend the authorization of the Highlands Conservation Act through fiscal year 2024.

HINOJOSA, Rubén of Texas

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1561** To enhance the safety of ports of entry in the United States, and for other purposes.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 3283** To amend the Commodity Exchange Act and the Securities Exchange Act of 1934 to provide an exemption for certain swaps and security-based swaps involving Non-U.S. persons, and for other purposes.
- H.R. 3568** To improve Indian education, and for other purposes.
- H.R. 3569** To improve Indian education, and for other purposes.
- H.R. 4235** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to repeal the indemnification requirements for regulatory authorities to obtain access to swap data required to be provided by swaps entities under such Acts.
- H.R. 6248** To provide for the transfer of excess Department of Defense aircraft to the Forest Service for wildfire suppression activities, and for other purposes.

HIRONO, Mazie K. of Hawaii

- H. Res. 736** Expressing opposition to the use of carbon monoxide, carbon dioxide, nitrogen, nitrous oxide, argon, or other gases to euthanize shelter animals and support for State laws that require the use of the more humane euthanasia by injection method.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1561** To enhance the safety of ports of entry in the United States, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.

HIRONO, Mazie K. of Hawaii

- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3665** To require the Commodity Futures Trading Commission to impose fees and assessments to recover the cost of appropriations to the Commission.
- H.R. 3905** To authorize the Secretary of Agriculture to award grants for the establishment of veterans gardens that are operated by veterans and designed to produce food that can be sold to individuals, schools, and restaurants.
- H.R. 6200** To strengthen Federal consumer protection and product traceability with respect to commercially marketed seafood, and for other purposes.

HOCHUL, Kathleen C. of New York

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 4085** To amend the Food, Conservation, and Energy Act of 2008 to extend and improve the milk income loss contract program.
- H.R. 4337** To limit the authority of the Administrator of the Environmental Protection Agency to implement certain actions related to Chesapeake Bay watershed total maximum daily loads, and for other purposes.
- H.R. 4391 *** To require the Commodity Futures Trading Commission to take certain actions to reduce excessive speculation in energy markets.

HOLDEN, Tim of Pennsylvania

- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 3336** To ensure the exclusion of small lenders from certain regulations of the Dodd-Frank Act.
- H.R. 3646** To require foreign manufacturers of products imported into the United States to establish registered agents in the United States who are authorized to accept service of process against such manufacturers, and for other purposes.
- H.R. 4153** To support efforts to reduce pollution of the Chesapeake Bay watershed, and for other purposes.

HOLT, Rush D. of New Jersey

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.

AUTHOR INDEX

HOLT, Rush D. of New Jersey

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.

- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3233** To amend the Food and Nutrition Act of 2008 to exclude the value of vehicles used for household transportation, or to obtain or continue employment, from the resource limitation applicable to determine eligibility to receive supplemental nutrition assistance.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3496** To sustain fish, plants, and wildlife on America's public lands.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4225 *** To amend the Federal Insecticide, Fungicide, and Rodenticide Act to require local educational agencies and schools to implement integrated pest management programs to minimize the use of pesticides in schools and to provide parents, guardians, and employees with notice of the use of pesticides in schools, and for other purposes.
- H.R. 4346** To amend the Federal Meat Inspection Act so that labels on packages of meat include a statement on whether the meat contains lean finely textured beef.
- H.R. 4351** To provide assistance and opportunity for the creation and support of sustainable agriculture activities in America's cities and to improve access to nutrition in America's cities.
- H.R. 5186** To prevent excessive speculation in energy commodities, and for other purposes.
- H.R. 5962** To amend the Organic Foods Production Act of 1990 to require recordkeeping and authorize investigations and enforcement actions for violations of such Act, and for other purposes.

HONDA, Michael M. of California

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.
- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.

HONDA, Michael M. of California

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2487** To amend the Food, Conservation, and Energy Act of 2008 to terminate direct payments for the 2012 crop year.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3432** To authorize voluntary grazing permit retirement on Federal lands managed by the Department of Agriculture or the Department of the Interior where livestock grazing is impractical, and for other purposes.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3553** To amend the Federal Food, Drug, and Cosmetic Act, the Federal Meat Inspection Act, and the Poultry Products Inspection Act to require that food that contains a genetically engineered material, or that is produced with a genetically engineered material, be labeled accordingly.
- H.R. 3568** To improve Indian education, and for other purposes.
- H.R. 3569** To improve Indian education, and for other purposes.
- H.R. 3638** To create American jobs and reduce the deficit, and for other purposes.
- H.R. 3704** To amend the Humane Methods of Livestock Slaughter Act of 1958 to ensure the humane slaughter of nonambulatory livestock, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4225** To amend the Federal Insecticide, Fungicide, and Rodenticide Act to require local educational agencies and schools to implement integrated pest management programs to minimize the use of pesticides in schools and to provide parents, guardians, and employees with notice of the use of pesticides in schools, and for other purposes.
- H.R. 4457** To require the Commodity Futures Trading Commission to take certain actions to reduce excessive speculation in energy markets.
- H.R. 6200** To strengthen Federal consumer protection and product traceability with respect to commercially marketed seafood, and for other purposes.

HOYER, Steny H. of Maryland

- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 6068** To provide for continued conservation efforts in the Chesapeake Bay watershed.

HUELSKAMP, Tim of Kansas

- H.R. 408** To reduce Federal spending by \$2.5 trillion through fiscal year 2021.

AUTHOR INDEX

HUELSKAMP, Tim of Kansas

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 3323 *** To reduce the regulatory burden on the agricultural sector of the national economy.
- H.R. 4089** To protect and enhance opportunities for recreational hunting, fishing and shooting.
- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.
- H.R. 4301** To contribute to the growth of the American economy and the strength of American national security by streamlining regulatory permitting procedures and increasing domestic production from all energy sources.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.
- H.R. 6518 *** To replace certain Federal nutrition programs with a block grant to the States, and for other purposes.
- H.R. 6567 *** To replace certain Federal nutrition programs with a block grant to the States, and for other purposes.
- H.R. 6688** To extend tax relief for all Americans, to replace the defense sequester scheduled to take effect on January 2, 2013, with responsible reductions in direct and other spending, and for other purposes.

HUIZENGA, Bill of Michigan

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 3652** To amend the Food and Nutrition Act of 2008 to repeal the authority to make performance-based bonus payments to States.
- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.
- H.J. Res. 85** Disapproving the rule of the Agricultural Marketing Service of the Department of Agriculture with respect to the establishment of a Christmas tree promotion, research, and information program.

HULTGREN, Randy of Illinois

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1573** To facilitate implementation of title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act, promote regulatory coordination, and avoid market disruption.

HULTGREN, Randy of Illinois

- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2675** To amend the Food, Conservation, and Energy Act of 2008 to authorize producers on a farm to produce fruits and vegetables for processing on the base acres of the farm.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 3527 *** To amend the Commodity Exchange Act to clarify the definition of swap dealer.
- H.R. 4235** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to repeal the indemnification requirements for regulatory authorities to obtain access to swap data required to be provided by swaps entities under such Acts.
- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.
- H.J. Res. 85** Disapproving the rule of the Agricultural Marketing Service of the Department of Agriculture with respect to the establishment of a Christmas tree promotion, research, and information program.

HUNTER, Duncan D. of California

- H.R. 759** To require the Director of National Drug Control Policy to develop a Federal Lands Counterdrug Strategy, and for other purposes.
- H.R. 1443** To protect the use of traditional hunting and fishing implements and to prevent unnecessary and unwarranted restrictions on the implements used by the hunting and fishing communities.
- H.R. 1485** To address the public health and safety threat presented by the risk of catastrophic wildfire on Federal forestlands by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest restoration, forest health, and watershed restoration.
- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 4089** To protect and enhance opportunities for recreational hunting, fishing and shooting.

AUTHOR INDEX

HUNTER, Duncan D. of California

H.R. 6519 * To provide an expedited permit process to authorize private landowners to conduct limited vegetation removal activities on National Forest System land or Bureau of Land Management land adjacent to their private property to reduce the risk of catastrophic wildfire that would threaten residential structures on the private property, and for other purposes.

HURT, Robert of Virginia

H.R. 872 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.

H.R. 2586 To refine the definition of swap execution facility in the provisions regulating swap markets added by title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act.

H.R. 3559 To prohibit the Federal Insurance Office of the Department of the Treasury and other financial regulators from collecting data directly from an insurance company.

H.R. 5873 To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term “biobased product”.

INSLEE, Jay of Washington

H.R. 587 To amend the Public Lands Corps Act of 1993 to expand the authorization of the Secretaries of Agriculture, Commerce, and the Interior to provide service opportunities for young Americans; help restore the nation’s natural, cultural, historic, archaeological, recreational and scenic resources; train a new generation of public land managers and enthusiasts; and promote the value of public service.

JENKINS, Lynn of Kansas

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1443** To protect the use of traditional hunting and fishing implements and to prevent unnecessary and unwarranted restrictions on the implements used by the hunting and fishing communities.
- H.R. 1444** To require that hunting activities be a land use in all management plans for Federal land under the jurisdiction of the Secretary of the Interior or the Secretary of Agriculture to the extent that such use is not clearly incompatible with the purposes for which the Federal land is managed, and for other purposes.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 1573** To facilitate implementation of title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act, promote regulatory coordination, and avoid market disruption.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 4480** To provide for the development of a plan to increase oil and gas exploration, development, and production under oil and gas leases of Federal lands under the jurisdiction of the Secretary of Agriculture, the Secretary of Energy, the Secretary of the Interior, and the Secretary of Defense in response to a drawdown of petroleum reserves from the Strategic Petroleum Reserve.

AUTHOR INDEX

JOHNSON, Bill of Ohio

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1385** To repeal the sugar price support program and marketing allotments for sugar, and for other purposes.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 1872** To require the Administrator of the Environmental Protection Agency to consider the impact on employment levels and economic activity prior to issuing a regulation, policy statement, guidance, or other requirement, implementing any new or substantially altered program, or issuing or denying any permit, and for other purposes.
- H.R. 4480** To provide for the development of a plan to increase oil and gas exploration, development, and production under oil and gas leases of Federal lands under the jurisdiction of the Secretary of Agriculture, the Secretary of Energy, the Secretary of the Interior, and the Secretary of Defense in response to a drawdown of petroleum reserves from the Strategic Petroleum Reserve.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.
- H.R. 5744** To address the forest health, public safety, and wildlife habitat threat presented by the risk of wildfire, including catastrophic wildfire, on National Forest System lands and public lands managed by the Bureau of Land Management by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest health, and economic development, and for other purposes.

JOHNSON, Eddie Bernice of Texas

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1561** To enhance the safety of ports of entry in the United States, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.

JOHNSON, Eddie Bernice of Texas

- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4351** To provide assistance and opportunity for the creation and support of sustainable agriculture activities in America's cities and to improve access to nutrition in America's cities.

JOHNSON, Henry C. "Hank" of Georgia

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2193** To amend title IV of the Social Security Act to ensure funding for grants to promote responsible fatherhood and strengthen low-income families, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3638** To create American jobs and reduce the deficit, and for other purposes.
- H.R. 3646** To require foreign manufacturers of products imported into the United States to establish registered agents in the United States who are authorized to accept service of process against such manufacturers, and for other purposes.

JOHNSON, Sam of Texas

- H.R. 87** To repeal the Dodd-Frank Wall Street Reform and Consumer Protection Act.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 3652** To amend the Food and Nutrition Act of 2008 to repeal the authority to make performance-based bonus payments to States.

AUTHOR INDEX

JOHNSON, Timothy V. of Illinois

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1573** To facilitate implementation of title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act, promote regulatory coordination, and avoid market disruption.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2675** To amend the Food, Conservation, and Energy Act of 2008 to authorize producers on a farm to produce fruits and vegetables for processing on the base acres of the farm.
- H.R. 3323** To reduce the regulatory burden on the agricultural sector of the national economy.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3496** To sustain fish, plants, and wildlife on America's public lands.
- H.R. 3527** To amend the Commodity Exchange Act to clarify the definition of swap dealer.
- H.R. 3886** To expand the workforce of veterinarians specialized in the care and conservation of wild animals and their ecosystems, and to develop educational programs focused on wildlife and zoological veterinary medicine.
- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.
- H.R. 5879** To amend the Federal Crop Insurance Act to modify the ineligibility requirements for producers that produce an annual crop on native sod, and for other purposes.

JONES, Walter B. of North Carolina

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.

KIRK, Mark of Illinois

- S. 1947** To prohibit attendance of an animal fighting venture, and for other purposes.

KISSELL, Larry of North Carolina

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 3236** To expand and improve opportunities for beginning farmers and ranchers, and for other purposes.

KISSELL, Larry of North Carolina

- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3740** To provide supplemental emergency disaster assistance to agricultural producers for certain crop losses during the 2011 crop year, to eliminate limitations on certain waivers for borrowers eligible for direct farm operating loans, and to suspend the limitation on the period for which borrowers are eligible for guaranteed farm operating loans, for farming or ranching operations in counties subject to a disaster declaration issued in 2011.
- H.R. 3886** To expand the workforce of veterinarians specialized in the care and conservation of wild animals and their ecosystems, and to develop educational programs focused on wildlife and zoological veterinary medicine.
- H.R. 4089** To protect and enhance opportunities for recreational hunting, fishing and shooting.
- H.R. 4234** To amend the Federal Land Policy and Management Act of 1976 to improve the management of grazing leases and permits, and for other purposes.
- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.
- H.R. 4457** To require the Commodity Futures Trading Commission to take certain actions to reduce excessive speculation in energy markets.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term "biobased product".

KLINKE, John of Minnesota

- H.R. 759** To require the Director of National Drug Control Policy to develop a Federal Lands Counterdrug Strategy, and for other purposes.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 1872** To require the Administrator of the Environmental Protection Agency to consider the impact on employment levels and economic activity prior to issuing a regulation, policy statement, guidance, or other requirement, implementing any new or substantially altered program, or issuing or denying any permit, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 2876** To prevent discrimination on the basis of political beliefs by the Environmental Protection Agency in its student programs.
- H.R. 4089** To protect and enhance opportunities for recreational hunting, fishing and shooting.
- H.R. 4297** To reform and strengthen the workforce investment system of the Nation to put Americans back to work and make the United States more competitive in the 21st Century.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.

AUTHOR INDEX

KUCINICH, Dennis J. of Ohio

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.
- H.R. 530** To amend the Food and Nutrition Act of 2008 to remove the ineligibility of individuals who participate in a strike.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1465** To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 3238** To require the Chairman of the Commodity Futures Trading Commission to impose unilaterally position limits and margin requirements to eliminate excessive oil speculation, and to take other actions to ensure that the price of crude oil, gasoline, diesel fuel, jet fuel, and heating oil accurately reflects the fundamentals of supply and demand, to remain in effect until the date on which the Commission establishes position limits to diminish, eliminate, or prevent excessive speculation as required by title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3359** To amend the Animal Welfare Act to restrict the use of exotic and non-domesticated animals in traveling circuses and exhibitions.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3553 *** To amend the Federal Food, Drug, and Cosmetic Act, the Federal Meat Inspection Act, and the Poultry Products Inspection Act to require that food that contains a genetically engineered material, or that is produced with a genetically engineered material, be labeled accordingly.
- H.R. 3554 *** To prohibit the open-air cultivation of genetically engineered pharmaceutical and industrial crops, to prohibit the use of common human food or animal feed as the host plant for a genetically engineered pharmaceutical or industrial chemical, to establish a tracking system to regulate the growing, handling, transportation, and disposal of pharmaceutical and industrial crops and their byproducts to prevent human, animal, and general environmental exposure to genetically engineered pharmaceutical and industrial crops and their byproducts, to amend the Federal Food, Drug, and Cosmetic Act with respect to the safety of genetically engineered foods, and for other purposes.
- H.R. 3555 *** To provide additional protections for farmers and ranchers that may be harmed economically by genetically engineered seeds, plants, or animals, to ensure fairness for farmers and ranchers in their dealings with biotech companies that sell genetically engineered seeds, plants, or animals, to assign liability for injury caused by genetically engineered organisms, and for other purposes.
- H.R. 3638** To create American jobs and reduce the deficit, and for other purposes.
- H.R. 3665** To require the Commodity Futures Trading Commission to impose fees and assessments to recover the cost of appropriations to the Commission.

KUCINICH, Dennis J. of Ohio

- H.R. 3704** To amend the Humane Methods of Livestock Slaughter Act of 1958 to ensure the humane slaughter of nonambulatory livestock, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 3886** To expand the workforce of veterinarians specialized in the care and conservation of wild animals and their ecosystems, and to develop educational programs focused on wildlife and zoological veterinary medicine.
- H.R. 4225** To amend the Federal Insecticide, Fungicide, and Rodenticide Act to require local educational agencies and schools to implement integrated pest management programs to minimize the use of pesticides in schools and to provide parents, guardians, and employees with notice of the use of pesticides in schools, and for other purposes.
- H.R. 4318** To prohibit the use, production, sale, importation, or exportation of any pesticide containing atrazine.
- H.R. 4346** To amend the Federal Meat Inspection Act so that labels on packages of meat include a statement on whether the meat contains lean finely textured beef.
- H.R. 4351** To provide assistance and opportunity for the creation and support of sustainable agriculture activities in America's cities and to improve access to nutrition in America's cities.
- H.R. 5186** To prevent excessive speculation in energy commodities, and for other purposes.
- H.R. 5860** To prohibit individuals from insuring against possible losses from having to repay illegally-received compensation or from having to pay civil penalties, and for other purposes.
- H.R. 5962** To amend the Organic Foods Production Act of 1990 to require recordkeeping and authorize investigations and enforcement actions for violations of such Act, and for other purposes.
- H.R. 6200** To strengthen Federal consumer protection and product traceability with respect to commercially marketed seafood, and for other purposes.
- H.R. 6308** To direct the Secretary of Agriculture, acting through the Animal and Plant Health Inspection Service, to submit to Congress, and make available to the public on the Internet, a report on the animals killed under the Wildlife Services program of the Animal and Plant Health Inspection Service.

LABRADOR, Raúl R. of Idaho

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1485** To address the public health and safety threat presented by the risk of catastrophic wildfire on Federal forestlands by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest restoration, forest health, and watershed restoration.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 2172** To facilitate the development of wind energy resources on Federal lands.
- H.R. 3652** To amend the Food and Nutrition Act of 2008 to repeal the authority to make performance-based bonus payments to States.

AUTHOR INDEX

LABRADOR, Raúl R. of Idaho

- H.R. 4234 *** To amend the Federal Land Policy and Management Act of 1976 to improve the management of grazing leases and permits, and for other purposes.
- H.R. 4331** To respond to the extreme fire hazard and unsafe conditions resulting from pine beetle infestation, drought, disease, or storm damage by declaring a state of emergency and directing the Secretary of Agriculture to immediately implement hazardous fuels reduction projects in the manner provided in title I of the Healthy Forests Restoration Act of 2003, and for other purposes.
- H.R. 5744** To address the forest health, public safety, and wildlife habitat threat presented by the risk of wildfire, including catastrophic wildfire, on National Forest System lands and public lands managed by the Bureau of Land Management by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest health, and economic development, and for other purposes.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term “biobased product”.
- H.R. 6009 *** To establish a program that will generate dependable economic activity for counties and local governments containing National Forest System land through a management-focused approach, and for other purposes.
- H.R. 6089** To address the bark beetle epidemic, drought, deteriorating forest health conditions, and high risk of wildfires on National Forest System land and land under the jurisdiction of the Bureau of Land Management in the United States by expanding authorities established in the Healthy Forest Restoration Act of 2003 to provide emergency measures for high-risk areas identified by such States, to make permanent Forest Service and Bureau of Land Management authority to conduct good-neighbor cooperation with States to reduce wildfire risks, and for other purposes.

LAMBORN, Doug of Colorado

- H.R. 408** To reduce Federal spending by \$2.5 trillion through fiscal year 2021.
- H.R. 759** To require the Director of National Drug Control Policy to develop a Federal Lands Counterdrug Strategy, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1202** To restart jobs in the timber industry by providing for the protection of the Mexican Spotted Owl in sanctuaries.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 2000** To provide immigration reform by securing America’s borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 2172** To facilitate the development of wind energy resources on Federal lands.
- H.R. 4233 *** To establish the National Geospatial Technology Administration within the United States Geological Survey to enhance the use of geospatial data, products, technology, and services, to increase the economy and efficiency of Federal geospatial activities, and for other purposes.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.

LAMBORN, Doug of Colorado

- H.R. 5744** To address the forest health, public safety, and wildlife habitat threat presented by the risk of wildfire, including catastrophic wildfire, on National Forest System lands and public lands managed by the Bureau of Land Management by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest health, and economic development, and for other purposes.
- H.R. 6089** To address the bark beetle epidemic, drought, deteriorating forest health conditions, and high risk of wildfires on National Forest System land and land under the jurisdiction of the Bureau of Land Management in the United States by expanding authorities established in the Healthy Forest Restoration Act of 2003 to provide emergency measures for high-risk areas identified by such States, to make permanent Forest Service and Bureau of Land Management authority to conduct good-neighbor cooperation with States to reduce wildfire risks, and for other purposes.
- H.R. 6389 *** To replace automatic spending cuts with targeted reforms, and for other purposes.
- H.R. 6567** To replace certain Federal nutrition programs with a block grant to the States, and for other purposes.
- H.J. Res. 85** Disapproving the rule of the Agricultural Marketing Service of the Department of Agriculture with respect to the establishment of a Christmas tree promotion, research, and information program.

LANCE, Leonard of New Jersey

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1343** To return unused or reclaimed funds made available for broadband awards in the American Recovery and Reinvestment Act of 2009 to the Treasury of the United States.
- H.R. 1739** To repeal the Federal sugar program.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3527** To amend the Commodity Exchange Act to clarify the definition of swap dealer.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 6513** To extend the authorization of the Highlands Conservation Act through fiscal year 2024.

LANDRIEU, Mary L. of Louisiana

- S. 1947** To prohibit attendance of an animal fighting venture, and for other purposes.

LANDRY, Jeffrey M. of Louisiana

- H. Res. 635 *** Expressing the sense of the House of Representatives that Mr. Al Armendariz, Environmental Protection Agency Administrator for South Central Region (Region 6), is not suitable to secure domestic energy development, and, therefore should immediately resign.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.

AUTHOR INDEX

LANDRY, Jeffrey M. of Louisiana

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2172** To facilitate the development of wind energy resources on Federal lands.
- H.R. 3652** To amend the Food and Nutrition Act of 2008 to repeal the authority to make performance-based bonus payments to States.
- H.R. 4301** To contribute to the growth of the American economy and the strength of American national security by streamlining regulatory permitting procedures and increasing domestic production from all energy sources.
- H.R. 4313** To amend the Food, Conservation, and Energy Act of 2008 to require an evaluation of county workload assessments for purposes of the closure or relocation of a county office for the Farm Service Agency, and for other purposes.
- H.R. 4480** To provide for the development of a plan to increase oil and gas exploration, development, and production under oil and gas leases of Federal lands under the jurisdiction of the Secretary of Agriculture, the Secretary of Energy, the Secretary of the Interior, and the Secretary of Defense in response to a drawdown of petroleum reserves from the Strategic Petroleum Reserve.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.
- H.J. Res. 85** Disapproving the rule of the Agricultural Marketing Service of the Department of Agriculture with respect to the establishment of a Christmas tree promotion, research, and information program.

LANGEVIN, James R. of Rhode Island

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.

- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 3580** To amend the Balanced Budget and Emergency Deficit Control Act of 1985 to provide for long-term budgeting, and for other purposes.
- H.R. 4322** To clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.

LARSEN, Rick of Washington

- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3062** To establish a program for dairy producers under which producers can offset reductions in producer income when the margin between milk prices and feed costs is less than a specified amount, to establish a dairy market stabilization program for producers participating in the margin protection program, to provide for the amendment of Federal milk marketing orders, and for other purposes.

LARSON, John B. of Connecticut

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1176** To amend the Specialty Crops Competitiveness Act of 2004 to include farmed shellfish as specialty crops.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.

AUTHOR INDEX

LARSON, John B. of Connecticut

- H.R. 2905** To temporarily waive the risk management purchase requirement for agricultural producers adversely impacted by Hurricane Irene or Tropical Storm Lee so that such producers are eligible to receive assistance under the Supplemental Revenue Assistance Program (SURE), Emergency Assistance for Livestock, Honey Bees, and Farm-Raised Fish Program (ELAP), and Tree Assistance Program (TAP).
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3569** To improve Indian education, and for other purposes.
- H.R. 5186** To prevent excessive speculation in energy commodities, and for other purposes.

LATHAM, Tom of Iowa

- H.R. 753 *** To direct the Secretary of Agriculture to convey certain Federally owned land located in Story County, Iowa.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1233** To amend the Consolidated Farm and Rural Development Act to suspend a limitation on the period for which certain borrowers are eligible for guaranteed assistance.
- H.R. 1422** To amend the Farm Security and Rural Investment Act of 2002 to extend the suspension of the limitation on the period for which certain borrowers are eligible for guaranteed assistance.
- H.R. 1443** To protect the use of traditional hunting and fishing implements and to prevent unnecessary and unwarranted restrictions on the implements used by the hunting and fishing communities.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.
- H.R. 4313** To amend the Food, Conservation, and Energy Act of 2008 to require an evaluation of county workload assessments for purposes of the closure or relocation of a county office for the Farm Service Agency, and for other purposes.
- H.R. 4330** To amend the Food, Conservation, and Energy Act of 2008 to clarify the maximum distance between Farm Service Agency county offices for purposes of the closure or relocation of a county office for the Farm Service Agency.
- H.R. 4480** To provide for the development of a plan to increase oil and gas exploration, development, and production under oil and gas leases of Federal lands under the jurisdiction of the Secretary of Agriculture, the Secretary of Energy, the Secretary of the Interior, and the Secretary of Defense in response to a drawdown of petroleum reserves from the Strategic Petroleum Reserve.
- H.R. 6167** To extend supplemental agricultural disaster assistance programs.
- H.R. 6481 *** To direct the Secretary of Agriculture to issue loan guarantees for purposes of financing improvements to school lunch facilities, training school food service personnel, and for other purposes.

LATOURETTE, Steven C. of Ohio

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.

LATTA, Robert E. of Ohio

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1343** To return unused or reclaimed funds made available for broadband awards in the American Recovery and Reinvestment Act of 2009 to the Treasury of the United States.
- H.R. 1385** To repeal the sugar price support program and marketing allotments for sugar, and for other purposes.
- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 1872** To require the Administrator of the Environmental Protection Agency to consider the impact on employment levels and economic activity prior to issuing a regulation, policy statement, guidance, or other requirement, implementing any new or substantially altered program, or issuing or denying any permit, and for other purposes.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 4089** To protect and enhance opportunities for recreational hunting, fishing and shooting.
- H.R. 4322** To clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.

LEE, Barbara of California

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.
- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 377 *** To amend the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 to repeal the denial of food stamp eligibility of ex-offenders.

AUTHOR INDEX

LEE, Barbara of California

- H.R. 530** To amend the Food and Nutrition Act of 2008 to remove the ineligibility of individuals who participate in a strike.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1465** To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
- H.R. 1561** To enhance the safety of ports of entry in the United States, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2328** To require the Chairman of the Commodity Futures Trading Commission to impose unilaterally position limits and margin requirements to eliminate excessive oil speculation, and to take other actions to ensure that the price of crude oil, gasoline, diesel fuel, jet fuel, and heating oil accurately reflects the fundamentals of supply and demand, to remain in effect until the date on which the Commission establishes position limits to diminish, eliminate, or prevent excessive speculation as required by title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2795** To address childhood obesity, and for other purposes.
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2954 *** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3233** To amend the Food and Nutrition Act of 2008 to exclude the value of vehicles used for household transportation, or to obtain or continue employment, from the resource limitation applicable to determine eligibility to receive supplemental nutrition assistance.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3359** To amend the Animal Welfare Act to restrict the use of exotic and non-domesticated animals in traveling circuses and exhibitions.
- H.R. 3432** To authorize voluntary grazing permit retirement on Federal lands managed by the Department of Agriculture or the Department of the Interior where livestock grazing is impractical, and for other purposes.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3496** To sustain fish, plants, and wildlife on America's public lands.
- H.R. 3553** To amend the Federal Food, Drug, and Cosmetic Act, the Federal Meat Inspection Act, and the Poultry Products Inspection Act to require that food that contains a genetically engineered material, or that is produced with a genetically engineered material, be labeled accordingly.
- H.R. 3568** To improve Indian education, and for other purposes.
- H.R. 3569** To improve Indian education, and for other purposes.
- H.R. 3638** To create American jobs and reduce the deficit, and for other purposes.
- H.R. 3704** To amend the Humane Methods of Livestock Slaughter Act of 1958 to ensure the humane slaughter of nonambulatory livestock, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.

LEE, Barbara of California

- H.R. 3886** To expand the workforce of veterinarians specialized in the care and conservation of wild animals and their ecosystems, and to develop educational programs focused on wildlife and zoological veterinary medicine.
- H.R. 4141** To direct the Administrator of the United States Agency for International Development to take appropriate actions to improve the nutritional quality, quality control, and cost effectiveness of United States food assistance, and for other purposes.
- H.R. 4280** To amend the Food and Nutrition Act of 2008 to provide that Puerto Rico may be treated in the same manner as the several States for the purpose of carrying out the supplemental nutrition assistance program under such Act.
- H.R. 4318** To prohibit the use, production, sale, importation, or exportation of any pesticide containing atrazine.
- H.R. 4346** To amend the Federal Meat Inspection Act so that labels on packages of meat include a statement on whether the meat contains lean finely textured beef.
- H.R. 5186** To prevent excessive speculation in energy commodities, and for other purposes.
- H.R. 5745** To eliminate certain subsidies for fossil-fuel production.
- H.R. 5955** To amend the Farm Security and Rural Investment Act of 2002 to improve energy programs.

LEVIN, Sander M. of Michigan

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3233** To amend the Food and Nutrition Act of 2008 to exclude the value of vehicles used for household transportation, or to obtain or continue employment, from the resource limitation applicable to determine eligibility to receive supplemental nutrition assistance.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.

LEWIS, Jerry of California

- H.R. 533** To provide for the conveyance of a small parcel of Natural Resources Conservation Service property in Riverside, California, and for other purposes.
- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.

AUTHOR INDEX

LEWIS, Jerry of California

- H.R. 6248** To provide for the transfer of excess Department of Defense aircraft to the Forest Service for wildfire suppression activities, and for other purposes.

LEWIS, John of Georgia

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.

- H.R. 4457** To require the Commodity Futures Trading Commission to take certain actions to reduce excessive speculation in energy markets.

LONG, Billy of Missouri

- H.R. 408** To reduce Federal spending by \$2.5 trillion through fiscal year 2021.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 3062** To establish a program for dairy producers under which producers can offset reductions in producer income when the margin between milk prices and feed costs is less than a specified amount, to establish a dairy market stabilization program for producers participating in the margin protection program, to provide for the amendment of Federal milk marketing orders, and for other purposes.
- H.R. 4480** To provide for the development of a plan to increase oil and gas exploration, development, and production under oil and gas leases of Federal lands under the jurisdiction of the Secretary of Agriculture, the Secretary of Energy, the Secretary of the Interior, and the Secretary of Defense in response to a drawdown of petroleum reserves from the Strategic Petroleum Reserve.
- H.R. 4976** To provide for the conveyance of small parcels of National Forest System land and small parcels of public lands administered by the Bureau of Land Management to landowners whose lands share a boundary with the National Forest System land or public lands, and for other purposes.
- H.R. 5744** To address the forest health, public safety, and wildlife habitat threat presented by the risk of wildfire, including catastrophic wildfire, on National Forest System lands and public lands managed by the Bureau of Land Management by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest health, and economic development, and for other purposes.

LOWEY, Nita M. of New York

- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3704** To amend the Humane Methods of Livestock Slaughter Act of 1958 to ensure the humane slaughter of nonambulatory livestock, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.

LUCAS, Frank D. of Oklahoma

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.

AUTHOR INDEX

LUCAS, Frank D. of Oklahoma

- H.R. 1573 *** To facilitate implementation of title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act, promote regulatory coordination, and avoid market disruption.
- H.R. 3630** To provide incentives for the creation of jobs, and for other purposes.
- H.R. 6083 *** To provide for the reform and continuation of agricultural and other programs of the Department of Agriculture through fiscal year 2017, and for other purposes.
- H.R. 6228 *** To provide a one-year extension of the Food, Conservation, and Energy Act of 2008, with certain modifications and exceptions, to make supplemental agricultural disaster assistance available for fiscal years 2012 and 2013, and for other purposes.
- H.R. 6233 *** To make supplemental agricultural disaster assistance available for fiscal year 2012 with the costs of such assistance offset by changes to certain conservation programs, and for other purposes.

LUETKEMEYER, Blaine of Missouri

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 1697 *** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 3559** To prohibit the Federal Insurance Office of the Department of the Treasury and other financial regulators from collecting data directly from an insurance company.
- H.R. 4235** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to repeal the indemnification requirements for regulatory authorities to obtain access to swap data required to be provided by swaps entities under such Acts.
- H.R. 4322** To clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State.
- H.R. 6239** To amend the Food and Nutrition Act of 2008 to prevent the payment of cash to recipients of supplemental nutrition assistance for the return of empty bottles and cans used to contain food purchased with benefits provided under such Act.
- H.R. 6688** To extend tax relief for all Americans, to replace the defense sequester scheduled to take effect on January 2, 2013, with responsible reductions in direct and other spending, and for other purposes.

LUJÁN, Ben Ray of New Mexico

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 587** To amend the Public Lands Corps Act of 1993 to expand the authorization of the Secretaries of Agriculture, Commerce, and the Interior to provide service opportunities for young Americans; help restore the nation's natural, cultural, historic, archaeological, recreational and scenic resources; train a new generation of public land managers and enthusiasts; and promote the value of public service.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.

LUJÁN, Ben Ray of New Mexico

- H.R. 2601 *** To provide permanent authority for the Forest Service and the Bureau of Land Management to enter into stewardship contracting projects with private persons or other public or private entities to perform services to achieve land management goals for National Forest System lands and the public lands that meet local and rural community needs.
- H.R. 3062** To establish a program for dairy producers under which producers can offset reductions in producer income when the margin between milk prices and feed costs is less than a specified amount, to establish a dairy market stabilization program for producers participating in the margin protection program, to provide for the amendment of Federal milk marketing orders, and for other purposes.
- H.R. 3233** To amend the Food and Nutrition Act of 2008 to exclude the value of vehicles used for household transportation, or to obtain or continue employment, from the resource limitation applicable to determine eligibility to receive supplemental nutrition assistance.
- H.R. 3236** To expand and improve opportunities for beginning farmers and ranchers, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3568** To improve Indian education, and for other purposes.
- H.R. 3599** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, to provide full funding for the Payments in Lieu of Taxes program, and for other purposes.
- H.R. 4396 *** To extend Forest Service and the Bureau of Land Management stewardship end result contracting authority, and for other purposes.
- H.R. 5955** To amend the Farm Security and Rural Investment Act of 2002 to improve energy programs.
- H.R. 5960** To amend the Healthy Forests Restoration Act of 2003 to improve the response to insect infestations and related diseases and to change the funding source for the Healthy Forests Reserve Program, to codify the stewardship end result contracting and good neighbor authorities, and to amend the emergency watershed protection program to improve post fire rehabilitation, and for other purposes.
- H.R. 5991** To promote the development of renewable energy on public lands, and for other purposes.
- H.R. 6086** To direct the heads of Federal public land management agencies to prepare reports on the availability of public access and egress to Federal public lands for hunting, fishing, and other recreational purposes, to amend the Land and Water Conservation Fund Act of 1965 to provide funding for recreational public access to Federal land, and for other purposes.

LUMMIS, Cynthia M. of Wyoming

- H. Res. 804 *** Recognizing the importance of animal-based protein as a component of the balanced diet of most individuals in the United States.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1485** To address the public health and safety threat presented by the risk of catastrophic wildfire on Federal forestlands by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest restoration, forest health, and watershed restoration.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.

AUTHOR INDEX

LUMMIS, Cynthia M. of Wyoming

- H.R. 1872** To require the Administrator of the Environmental Protection Agency to consider the impact on employment levels and economic activity prior to issuing a regulation, policy statement, guidance, or other requirement, implementing any new or substantially altered program, or issuing or denying any permit, and for other purposes.
- H.R. 2631 *** To amend the Packers and Stockyards Act, 1921, to prohibit the use of certain anti-competitive forward contracts.
- H.R. 4234** To amend the Federal Land Policy and Management Act of 1976 to improve the management of grazing leases and permits, and for other purposes.
- H.R. 4322** To clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State.
- H.R. 4331** To respond to the extreme fire hazard and unsafe conditions resulting from pine beetle infestation, drought, disease, or storm damage by declaring a state of emergency and directing the Secretary of Agriculture to immediately implement hazardous fuels reduction projects in the manner provided in title I of the Healthy Forests Restoration Act of 2003, and for other purposes.
- H.R. 5744** To address the forest health, public safety, and wildlife habitat threat presented by the risk of wildfire, including catastrophic wildfire, on National Forest System lands and public lands managed by the Bureau of Land Management by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest health, and economic development, and for other purposes.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term "biobased product".
- H.R. 6089** To address the bark beetle epidemic, drought, deteriorating forest health conditions, and high risk of wildfires on National Forest System land and land under the jurisdiction of the Bureau of Land Management in the United States by expanding authorities established in the Healthy Forest Restoration Act of 2003 to provide emergency measures for high-risk areas identified by such States, to make permanent Forest Service and Bureau of Land Management authority to conduct good-neighbor cooperation with States to reduce wildfire risks, and for other purposes.
- H.J. Res. 85** Disapproving the rule of the Agricultural Marketing Service of the Department of Agriculture with respect to the establishment of a Christmas tree promotion, research, and information program.

LUNGREN, Daniel E. of California

- H.R. 1485** To address the public health and safety threat presented by the risk of catastrophic wildfire on Federal forestlands by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest restoration, forest health, and watershed restoration.
- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 3630** To provide incentives for the creation of jobs, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.

LYNCH, Stephen F. of Massachusetts

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.
- H.R. 6613** To establish the Securities and Derivatives Commission in order to combine the functions of the Commodity Futures Trading Commission and the Securities and Exchange Commission in a single independent regulatory commission.

MACK, Connie of Florida

- H.R. 408** To reduce Federal spending by \$2.5 trillion through fiscal year 2021.

MALONEY, Carolyn B. of New York

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.
- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1465** To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2487** To amend the Food, Conservation, and Energy Act of 2008 to terminate direct payments for the 2012 crop year.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2586** To refine the definition of swap execution facility in the provisions regulating swap markets added by title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.

AUTHOR INDEX

MALONEY, Carolyn B. of New York

- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3553** To amend the Federal Food, Drug, and Cosmetic Act, the Federal Meat Inspection Act, and the Poultry Products Inspection Act to require that food that contains a genetically engineered material, or that is produced with a genetically engineered material, be labeled accordingly.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4318** To prohibit the use, production, sale, importation, or exportation of any pesticide containing atrazine.

MANZULLO, Donald A. of Illinois

- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1385** To repeal the sugar price support program and marketing allotments for sugar, and for other purposes.
- H.R. 1443** To protect the use of traditional hunting and fishing implements and to prevent unnecessary and unwarranted restrictions on the implements used by the hunting and fishing communities.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 1739** To repeal the Federal sugar program.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 2483** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to modify certain provisions relating to whistleblower incentives and protection.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 3527** To amend the Commodity Exchange Act to clarify the definition of swap dealer.
- H.R. 3580** To amend the Balanced Budget and Emergency Deficit Control Act of 1985 to provide for long-term budgeting, and for other purposes.
- H.R. 4089** To protect and enhance opportunities for recreational hunting, fishing and shooting.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.

MARCHANT, Kenny of Texas

- H.R. 408** To reduce Federal spending by \$2.5 trillion through fiscal year 2021.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1196** To remove the incentives and loopholes that encourage illegal aliens to come to the United States to live and work, provide additional resources to local law enforcement and Federal border and immigration officers, and for other purposes.
- H.R. 1274** To gain operational control of the border, enforce immigration laws, strengthen visa security, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.

MARCHANT, Kenny of Texas

- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 4322** To clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.
- H.J. Res. 85** Disapproving the rule of the Agricultural Marketing Service of the Department of Agriculture with respect to the establishment of a Christmas tree promotion, research, and information program.

MARINO, Tom of Pennsylvania

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1385** To repeal the sugar price support program and marketing allotments for sugar, and for other purposes.
- H.R. 2492 *** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2905** To temporarily waive the risk management purchase requirement for agricultural producers adversely impacted by Hurricane Irene or Tropical Storm Lee so that such producers are eligible to receive assistance under the Supplemental Revenue Assistance Program (SURE), Emergency Assistance for Livestock, Honey Bees, and Farm-Raised Fish Program (ELAP), and Tree Assistance Program (TAP).
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3403** To repeal the proposed rule of the Agricultural Marketing Service relating to the establishment of a Christmas tree promotion, research, and information program and the assessment of fees to fund such program.

MARKEY, Edward J. of Massachusetts

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.
- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 587** To amend the Public Lands Corps Act of 1993 to expand the authorization of the Secretaries of Agriculture, Commerce, and the Interior to provide service opportunities for young Americans; help restore the nation's natural, cultural, historic, archaeological, recreational and scenic resources; train a new generation of public land managers and enthusiasts; and promote the value of public service.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.

AUTHOR INDEX

MARKEY, Edward J. of Massachusetts

- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3665** To require the Commodity Futures Trading Commission to impose fees and assessments to recover the cost of appropriations to the Commission.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.
- H.R. 4457** To require the Commodity Futures Trading Commission to take certain actions to reduce excessive speculation in energy markets.
- H.R. 5186 *** To prevent excessive speculation in energy commodities, and for other purposes.
- H.R. 5960 *** To amend the Healthy Forests Restoration Act of 2003 to improve the response to insect infestations and related diseases and to change the funding source for the Healthy Forests Reserve Program, to codify the stewardship end result contracting and good neighbor authorities, and to amend the emergency watershed protection program to improve post fire rehabilitation, and for other purposes.
- H.R. 6200 *** To strengthen Federal consumer protection and product traceability with respect to commercially marketed seafood, and for other purposes.

MATHESON, Jim of Utah

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1443** To protect the use of traditional hunting and fishing implements and to prevent unnecessary and unwarranted restrictions on the implements used by the hunting and fishing communities.
- H.R. 1444** To require that hunting activities be a land use in all management plans for Federal land under the jurisdiction of the Secretary of the Interior or the Secretary of Agriculture to the extent that such use is not clearly incompatible with the purposes for which the Federal land is managed, and for other purposes.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 2133 *** To increase domestic energy production, reduce dependence on foreign oil, and diversify the energy portfolio of the United States.
- H.R. 3527** To amend the Commodity Exchange Act to clarify the definition of swap dealer.
- H.R. 3599** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, to provide full funding for the Payments in Lieu of Taxes program, and for other purposes.
- H.R. 5744** To address the forest health, public safety, and wildlife habitat threat presented by the risk of wildfire, including catastrophic wildfire, on National Forest System lands and public lands managed by the Bureau of Land Management by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest health, and economic development, and for other purposes.

MATSUI, Doris O. of California

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3225** To promote and enhance community agricultural production and technology in nontraditional communities through the establishment of a new office in the Department of Agriculture to ensure that Department authorities are coordinated more effectively to encourage local agricultural production and increase the availability of fresh food in nontraditional communities, particularly underserved communities experiencing hunger, poor nutrition, obesity, and food insecurity, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.

MCCARTHY, Carolyn of New York

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3283** To amend the Commodity Exchange Act and the Securities Exchange Act of 1934 to provide an exemption for certain swaps and security-based swaps involving Non-U.S. persons, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3704** To amend the Humane Methods of Livestock Slaughter Act of 1958 to ensure the humane slaughter of nonambulatory livestock, and for other purposes.

AUTHOR INDEX

MCCARTHY, Carolyn of New York

- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4235** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to repeal the indemnification requirements for regulatory authorities to obtain access to swap data required to be provided by swaps entities under such Acts.

MCCARTHY, Kevin of California

- H.R. 759** To require the Director of National Drug Control Policy to develop a Federal Lands Counterdrug Strategy, and for other purposes.
- H.R. 1581 *** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.

MCCAUL, Michael T. of Texas

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 1561** To enhance the safety of ports of entry in the United States, and for other purposes.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 3403** To repeal the proposed rule of the Agricultural Marketing Service relating to the establishment of a Christmas tree promotion, research, and information program and the assessment of fees to fund such program.
- H.R. 4322** To clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State.
- H.R. 6248** To provide for the transfer of excess Department of Defense aircraft to the Forest Service for wildfire suppression activities, and for other purposes.
- H.J. Res. 85** Disapproving the rule of the Agricultural Marketing Service of the Department of Agriculture with respect to the establishment of a Christmas tree promotion, research, and information program.

MCCLINTOCK, Tom of California

- H.R. 87** To repeal the Dodd-Frank Wall Street Reform and Consumer Protection Act.
- H.R. 235** To reduce unsustainable spending.
- H.R. 408** To reduce Federal spending by \$2.5 trillion through fiscal year 2021.
- H.R. 765** To amend the National Forest Ski Area Permit Act of 1986 to clarify the authority of the Secretary of Agriculture regarding additional recreational uses of National Forest System land that is subject to ski area permits, and for other purposes.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.

MCCLINTOCK, Tom of California

- H.R. 1444** To require that hunting activities be a land use in all management plans for Federal land under the jurisdiction of the Secretary of the Interior or the Secretary of Agriculture to the extent that such use is not clearly incompatible with the purposes for which the Federal land is managed, and for other purposes.
- H.R. 1485** To address the public health and safety threat presented by the risk of catastrophic wildfire on Federal forestlands by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest restoration, forest health, and watershed restoration.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 2172** To facilitate the development of wind energy resources on Federal lands.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 3580** To amend the Balanced Budget and Emergency Deficit Control Act of 1985 to provide for long-term budgeting, and for other purposes.
- H.R. 3685** To amend the Herger-Feinstein Quincy Library Group Forest Recovery Act to extend and expand the scope of the pilot forest management project required by that Act.
- H.R. 4234** To amend the Federal Land Policy and Management Act of 1976 to improve the management of grazing leases and permits, and for other purposes.
- H.R. 4301** To contribute to the growth of the American economy and the strength of American national security by streamlining regulatory permitting procedures and increasing domestic production from all energy sources.
- H.R. 5744** To address the forest health, public safety, and wildlife habitat threat presented by the risk of wildfire, including catastrophic wildfire, on National Forest System lands and public lands managed by the Bureau of Land Management by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest health, and economic development, and for other purposes.
- H.R. 6009** To establish a program that will generate dependable economic activity for counties and local governments containing National Forest System land through a management-focused approach, and for other purposes.
- H.R. 6089** To address the bark beetle epidemic, drought, deteriorating forest health conditions, and high risk of wildfires on National Forest System land and land under the jurisdiction of the Bureau of Land Management in the United States by expanding authorities established in the Healthy Forest Restoration Act of 2003 to provide emergency measures for high-risk areas identified by such States, to make permanent Forest Service and Bureau of Land Management authority to conduct good-neighbor cooperation with States to reduce wildfire risks, and for other purposes.

MCCOLLUM, Betty of Minnesota

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.

AUTHOR INDEX

McCOLLUM, Betty of Minnesota

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1887** To lift the trade embargo on Cuba, and for other purposes.
- H.R. 1888** To facilitate the export of United States agricultural products to Cuba as authorized by the Trade Sanctions Reform and Export Enhancement Act of 2000, to remove impediments to the export to Cuba of medical devices and medicines, to allow travel to Cuba by United States legal residents, to establish an agricultural export promotion program with respect to Cuba, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3236** To expand and improve opportunities for beginning farmers and ranchers, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3568** To improve Indian education, and for other purposes.
- H.R. 3665** To require the Commodity Futures Trading Commission to impose fees and assessments to recover the cost of appropriations to the Commission.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4225** To amend the Federal Insecticide, Fungicide, and Rodenticide Act to require local educational agencies and schools to implement integrated pest management programs to minimize the use of pesticides in schools and to provide parents, guardians, and employees with notice of the use of pesticides in schools, and for other purposes.
- H.R. 4318** To prohibit the use, production, sale, importation, or exportation of any pesticide containing atrazine.
- H.R. 4333** To amend the Food and Nutrition Act of 2008 to permit providers of eligible food purchasing and delivery services to be approved as retail food stores that accept and redeem supplemental nutrition assistance benefits.
- H.R. 4346** To amend the Federal Meat Inspection Act so that labels on packages of meat include a statement on whether the meat contains lean finely textured beef.
- H.R. 6248** To provide for the transfer of excess Department of Defense aircraft to the Forest Service for wildfire suppression activities, and for other purposes.

McCOTTER, Thaddeus G. of Michigan

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 1872** To require the Administrator of the Environmental Protection Agency to consider the impact on employment levels and economic activity prior to issuing a regulation, policy statement, guidance, or other requirement, implementing any new or substantially altered program, or issuing or denying any permit, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.

McCOTTER, Thaddeus G. of Michigan

- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.

McDERMOTT, Jim of Washington

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3432** To authorize voluntary grazing permit retirement on Federal lands managed by the Department of Agriculture or the Department of the Interior where livestock grazing is impractical, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3665** To require the Commodity Futures Trading Commission to impose fees and assessments to recover the cost of appropriations to the Commission.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.

McGOVERN, James P. of Massachusetts

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.
- H. Res. 664** Expressing the sense of the House of Representatives regarding funding for feeding assistance programs, especially those affecting children.
- H. Res. 760 *** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.

AUTHOR INDEX

McGOVERN, James P. of Massachusetts

- H.R. 350** To amend the Food and Nutrition Act of 2008 to provide greater access to the supplemental nutrition assistance program by reducing duplicative and burdensome administrative requirements, authorize the Secretary of Agriculture to award grants to certain community-based nonprofit feeding and anti-hunger groups for the purpose of establishing and implementing a Beyond the Soup Kitchen Pilot Program for certain socially and economically disadvantaged populations, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1176** To amend the Specialty Crops Competitiveness Act of 2004 to include farmed shellfish as specialty crops.
- H.R. 1382 *** To require the President to call a White House Conference on Food and Nutrition.
- H.R. 1465** To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3233** To amend the Food and Nutrition Act of 2008 to exclude the value of vehicles used for household transportation, or to obtain or continue employment, from the resource limitation applicable to determine eligibility to receive supplemental nutrition assistance.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3359** To amend the Animal Welfare Act to restrict the use of exotic and non-domesticated animals in traveling circuses and exhibitions.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3553** To amend the Federal Food, Drug, and Cosmetic Act, the Federal Meat Inspection Act, and the Poultry Products Inspection Act to require that food that contains a genetically engineered material, or that is produced with a genetically engineered material, be labeled accordingly.
- H.R. 3638** To create American jobs and reduce the deficit, and for other purposes.
- H.R. 3665** To require the Commodity Futures Trading Commission to impose fees and assessments to recover the cost of appropriations to the Commission.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4012** To amend the Food, Conservation, and Energy Act of 2008 to establish a community-supported agriculture promotion program.
- H.R. 4085** To amend the Food, Conservation, and Energy Act of 2008 to extend and improve the milk income loss contract program.
- H.R. 4141** To direct the Administrator of the United States Agency for International Development to take appropriate actions to improve the nutritional quality, quality control, and cost effectiveness of United States food assistance, and for other purposes.

McGOVERN, James P. of Massachusetts

- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.
- H.R. 4333** To amend the Food and Nutrition Act of 2008 to permit providers of eligible food purchasing and delivery services to be approved as retail food stores that accept and redeem supplemental nutrition assistance benefits.
- H.R. 4457** To require the Commodity Futures Trading Commission to take certain actions to reduce excessive speculation in energy markets.
- H.R. 5825** To amend the Farm Security and Rural Investment Act of 2002 to reauthorize and improve the Rural Energy for America Program.
- H.R. 6200** To strengthen Federal consumer protection and product traceability with respect to commercially marketed seafood, and for other purposes.

McHENRY, Patrick T. of North Carolina

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1840** To improve consideration by the Commodity Futures Trading Commission of the costs and benefits of its regulations and orders.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.

McINTYRE, Mike of North Carolina

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1465** To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2682** To provide end user exemptions from certain provisions of the Commodity Exchange Act and the Securities Exchange Act of 1934, and for other purposes.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 2905** To temporarily waive the risk management purchase requirement for agricultural producers adversely impacted by Hurricane Irene or Tropical Storm Lee so that such producers are eligible to receive assistance under the Supplemental Revenue Assistance Program (SURE), Emergency Assistance for Livestock, Honey Bees, and Farm-Raised Fish Program (ELAP), and Tree Assistance Program (TAP).

AUTHOR INDEX

MCINTYRE, Mike of North Carolina

- H.R. 3236** To expand and improve opportunities for beginning farmers and ranchers, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3336** To ensure the exclusion of small lenders from certain regulations of the Dodd-Frank Act.
- H.R. 3740** To provide supplemental emergency disaster assistance to agricultural producers for certain crop losses during the 2011 crop year, to eliminate limitations on certain waivers for borrowers eligible for direct farm operating loans, and to suspend the limitation on the period for which borrowers are eligible for guaranteed farm operating loans, for farming or ranching operations in counties subject to a disaster declaration issued in 2011.
- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.
- H.R. 4457** To require the Commodity Futures Trading Commission to take certain actions to reduce excessive speculation in energy markets.
- H.R. 5649** To amend the Commodity Exchange Act to clarify the exemptions for captive finance companies from the definition of major swap participant and from the swap clearing requirement.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term "biobased product".
- H.R. 6481** To direct the Secretary of Agriculture to issue loan guarantees for purposes of financing improvements to school lunch facilities, training school food service personnel, and for other purposes.

MCKEON, Howard P. "Buck" of California

- H.R. 759** To require the Director of National Drug Control Policy to develop a Federal Lands Counterdrug Strategy, and for other purposes.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4297** To reform and strengthen the workforce investment system of the Nation to put Americans back to work and make the United States more competitive in the 21st Century.

MCKINLEY, David B. of West Virginia

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 2876** To prevent discrimination on the basis of political beliefs by the Environmental Protection Agency in its student programs.
- H.R. 4301** To contribute to the growth of the American economy and the strength of American national security by streamlining regulatory permitting procedures and increasing domestic production from all energy sources.
- H.R. 4313** To amend the Food, Conservation, and Energy Act of 2008 to require an evaluation of county workload assessments for purposes of the closure or relocation of a county office for the Farm Service Agency, and for other purposes.

McMORRIS RODGERS, Cathy of Washington

- H.R. 759** To require the Director of National Drug Control Policy to develop a Federal Lands Counterdrug Strategy, and for other purposes.
- H.R. 765** To amend the National Forest Ski Area Permit Act of 1986 to clarify the authority of the Secretary of Agriculture regarding additional recreational uses of National Forest System land that is subject to ski area permits, and for other purposes.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1343** To return unused or reclaimed funds made available for broadband awards in the American Recovery and Reinvestment Act of 2009 to the Treasury of the United States.
- H.R. 1485** To address the public health and safety threat presented by the risk of catastrophic wildfire on Federal forestlands by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest restoration, forest health, and watershed restoration.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 4234** To amend the Federal Land Policy and Management Act of 1976 to improve the management of grazing leases and permits, and for other purposes.
- H.R. 4480** To provide for the development of a plan to increase oil and gas exploration, development, and production under oil and gas leases of Federal lands under the jurisdiction of the Secretary of Agriculture, the Secretary of Energy, the Secretary of the Interior, and the Secretary of Defense in response to a drawdown of petroleum reserves from the Strategic Petroleum Reserve.
- H.R. 5744** To address the forest health, public safety, and wildlife habitat threat presented by the risk of wildfire, including catastrophic wildfire, on National Forest System lands and public lands managed by the Bureau of Land Management by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest health, and economic development, and for other purposes.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term "biobased product".
- H.R. 6009** To establish a program that will generate dependable economic activity for counties and local governments containing National Forest System land through a management-focused approach, and for other purposes.
- H.R. 6154** To promote the development of renewable energy on public lands, and for other purposes.

McNERNEY, Jerry of California

- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.

AUTHOR INDEX

McNERNEY, Jerry of California

- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3359** To amend the Animal Welfare Act to restrict the use of exotic and non-domesticated animals in traveling circuses and exhibitions.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3678 *** To amend the Plant Protection Act to direct the Secretary of Agriculture to provide assistance to certain owners as compensation for economic losses due to quarantine, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 6022 *** To amend the Federal Crop Insurance Act to expand coverage under plans of insurance available under such Act to include losses to an insured commodity when, as a result of a federally-imposed quarantine, the commodity must be destroyed, and for other purposes.

MEEHAN, Patrick of Pennsylvania

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1385** To repeal the sugar price support program and marketing allotments for sugar, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3167** To direct the Secretary of Veterans Affairs to establish a program under which certain veterans entitled to educational assistance under the laws administered by the Secretary can use such entitlement to start or purchase a qualifying business enterprise, and for other purposes.

MEEKS, Gregory W. of New York

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2586** To refine the definition of swap execution facility in the provisions regulating swap markets added by title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3283** To amend the Commodity Exchange Act and the Securities Exchange Act of 1934 to provide an exemption for certain swaps and security-based swaps involving Non-U.S. persons, and for other purposes.

MEEKS, Gregory W. of New York

- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3569** To improve Indian education, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4141** To direct the Administrator of the United States Agency for International Development to take appropriate actions to improve the nutritional quality, quality control, and cost effectiveness of United States food assistance, and for other purposes.
- H.R. 4225** To amend the Federal Insecticide, Fungicide, and Rodenticide Act to require local educational agencies and schools to implement integrated pest management programs to minimize the use of pesticides in schools and to provide parents, guardians, and employees with notice of the use of pesticides in schools, and for other purposes.

MERKLEY, Jeff of Oregon

- S. 1947** To prohibit attendance of an animal fighting venture, and for other purposes.

MICA, John L. of Florida

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.

MICHAUD, Michael H. of Maine

- H. Res. 797 *** Celebrating the 50th anniversary of the enactment of Public Law 87-788, commonly known as the McIntire-Stennis Cooperative Forestry Act.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 530** To amend the Food and Nutrition Act of 2008 to remove the ineligibility of individuals who participate in a strike.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1561** To enhance the safety of ports of entry in the United States, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3236** To expand and improve opportunities for beginning farmers and ranchers, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3496** To sustain fish, plants, and wildlife on America's public lands.

AUTHOR INDEX

MICHAUD, Michael H. of Maine

- H.R. 3553** To amend the Federal Food, Drug, and Cosmetic Act, the Federal Meat Inspection Act, and the Poultry Products Inspection Act to require that food that contains a genetically engineered material, or that is produced with a genetically engineered material, be labeled accordingly.
- H.R. 3646** To require foreign manufacturers of products imported into the United States to establish registered agents in the United States who are authorized to accept service of process against such manufacturers, and for other purposes.
- H.R. 3665** To require the Commodity Futures Trading Commission to impose fees and assessments to recover the cost of appropriations to the Commission.
- H.R. 3704** To amend the Humane Methods of Livestock Slaughter Act of 1958 to ensure the humane slaughter of nonambulatory livestock, and for other purposes.

- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 5962** To amend the Organic Foods Production Act of 1990 to require recordkeeping and authorize investigations and enforcement actions for violations of such Act, and for other purposes.

MILLER, Jeff of Florida

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1202** To restart jobs in the timber industry by providing for the protection of the Mexican Spotted Owl in sanctuaries.
- H.R. 1443** To protect the use of traditional hunting and fishing implements and to prevent unnecessary and unwarranted restrictions on the implements used by the hunting and fishing communities.
- H.R. 1444** To require that hunting activities be a land use in all management plans for Federal land under the jurisdiction of the Secretary of the Interior or the Secretary of Agriculture to the extent that such use is not clearly incompatible with the purposes for which the Federal land is managed, and for other purposes.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 4089 *** To protect and enhance opportunities for recreational hunting, fishing and shooting.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.

MOORE, Gwen of Wisconsin

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.
- H. Res. 664** Expressing the sense of the House of Representatives regarding funding for feeding assistance programs, especially those affecting children.

MOORE, Gwen of Wisconsin

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 530** To amend the Food and Nutrition Act of 2008 to remove the ineligibility of individuals who participate in a strike.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1465** To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
- H.R. 2193** To amend title IV of the Social Security Act to ensure funding for grants to promote responsible fatherhood and strengthen low-income families, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2586** To refine the definition of swap execution facility in the provisions regulating swap markets added by title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act.
- H.R. 2682** To provide end user exemptions from certain provisions of the Commodity Exchange Act and the Securities Exchange Act of 1934, and for other purposes.
- H.R. 2779** To exempt inter-affiliate swaps from certain regulatory requirements put in place by the Dodd-Frank Wall Street Reform and Consumer Protection Act.
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3225** To promote and enhance community agricultural production and technology in nontraditional communities through the establishment of a new office in the Department of Agriculture to ensure that Department authorities are coordinated more effectively to encourage local agricultural production and increase the availability of fresh food in nontraditional communities, particularly underserved communities experiencing hunger, poor nutrition, obesity, and food insecurity, and for other purposes.
- H.R. 3283** To amend the Commodity Exchange Act and the Securities Exchange Act of 1934 to provide an exemption for certain swaps and security-based swaps involving Non-U.S. persons, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3333** To amend part E of title IV of the Social Security Act to require States to help alien children in the child welfare system apply for all available forms of immigration relief, and for other purposes.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3665** To require the Commodity Futures Trading Commission to impose fees and assessments to recover the cost of appropriations to the Commission.

AUTHOR INDEX

MOORE, Gwen of Wisconsin

- H.R. 3704** To amend the Humane Methods of Livestock Slaughter Act of 1958 to ensure the humane slaughter of nonambulatory livestock, and for other purposes.
- H.R. 4235** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to repeal the indemnification requirements for regulatory authorities to obtain access to swap data required to be provided by swaps entities under such Acts.

MORAN, James P. of Virginia

- H. Res. 84 *** Commemorating 100 years of natural resource conservation achievements made possible through the vision and leadership of Representative John W. Weeks and the enactment of the Weeks Act in 1911.
- H. Res. 309** Recognizing the 60th anniversary of the Animal Welfare Institute.
- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.
- H. Res. 736 *** Expressing opposition to the use of carbon monoxide, carbon dioxide, nitrogen, nitrous oxide, argon, or other gases to euthanize shelter animals and support for State laws that require the use of the more humane euthanasia by injection method.
- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1385** To repeal the sugar price support program and marketing allotments for sugar, and for other purposes.
- H.R. 1465** To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
- H.R. 1739** To repeal the Federal sugar program.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2487** To amend the Food, Conservation, and Energy Act of 2008 to terminate direct payments for the 2012 crop year.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3233** To amend the Food and Nutrition Act of 2008 to exclude the value of vehicles used for household transportation, or to obtain or continue employment, from the resource limitation applicable to determine eligibility to receive supplemental nutrition assistance.
- H.R. 3236** To expand and improve opportunities for beginning farmers and ranchers, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3359 *** To amend the Animal Welfare Act to restrict the use of exotic and non-domesticated animals in traveling circuses and exhibitions.
- H.R. 3432** To authorize voluntary grazing permit retirement on Federal lands managed by the Department of Agriculture or the Department of the Interior where livestock grazing is impractical, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.

MORAN, James P. of Virginia

- H.R. 3496** To sustain fish, plants, and wildlife on America's public lands.
- H.R. 3553** To amend the Federal Food, Drug, and Cosmetic Act, the Federal Meat Inspection Act, and the Poultry Products Inspection Act to require that food that contains a genetically engineered material, or that is produced with a genetically engineered material, be labeled accordingly.
- H.R. 3568** To improve Indian education, and for other purposes.
- H.R. 3704** To amend the Humane Methods of Livestock Slaughter Act of 1958 to ensure the humane slaughter of nonambulatory livestock, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 3886** To expand the workforce of veterinarians specialized in the care and conservation of wild animals and their ecosystems, and to develop educational programs focused on wildlife and zoological veterinary medicine.
- H.R. 4318** To prohibit the use, production, sale, importation, or exportation of any pesticide containing atrazine.
- H.R. 5186** To prevent excessive speculation in energy commodities, and for other purposes.
- H.R. 5962** To amend the Organic Foods Production Act of 1990 to require recordkeeping and authorize investigations and enforcement actions for violations of such Act, and for other purposes.
- H.R. 6068** To provide for continued conservation efforts in the Chesapeake Bay watershed.
- H.R. 6200** To strengthen Federal consumer protection and product traceability with respect to commercially marketed seafood, and for other purposes.
- H.R. 6308** To direct the Secretary of Agriculture, acting through the Animal and Plant Health Inspection Service, to submit to Congress, and make available to the public on the Internet, a report on the animals killed under the Wildlife Services program of the Animal and Plant Health Inspection Service.

MULVANEY, Mick of South Carolina

- H.R. 408** To reduce Federal spending by \$2.5 trillion through fiscal year 2021.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 3580 *** To amend the Balanced Budget and Emergency Deficit Control Act of 1985 to provide for long-term budgeting, and for other purposes.
- H.R. 3652** To amend the Food and Nutrition Act of 2008 to repeal the authority to make performance-based bonus payments to States.
- H.R. 4301** To contribute to the growth of the American economy and the strength of American national security by streamlining regulatory permitting procedures and increasing domestic production from all energy sources.
- H.R. 6470 *** To define urban rodent control for purposes of clarifying the control of nuisance mammals and birds carried out by the Wildlife services program of the Animal and Plant Health Inspection Service and by the private sector, and for other purposes.
- H.R. 6567** To replace certain Federal nutrition programs with a block grant to the States, and for other purposes.
- H.R. 6688** To extend tax relief for all Americans, to replace the defense sequester scheduled to take effect on January 2, 2013, with responsible reductions in direct and other spending, and for other purposes.

MURPHY, Christopher S. of Connecticut

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.

AUTHOR INDEX

MURPHY, Christopher S. of Connecticut

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1176** To amend the Specialty Crops Competitiveness Act of 2004 to include farmed shellfish as specialty crops.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3646** To require foreign manufacturers of products imported into the United States to establish registered agents in the United States who are authorized to accept service of process against such manufacturers, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 6513** To extend the authorization of the Highlands Conservation Act through fiscal year 2024.

MURPHY, Tim of Pennsylvania

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1343** To return unused or reclaimed funds made available for broadband awards in the American Recovery and Reinvestment Act of 2009 to the Treasury of the United States.
- H.R. 1385** To repeal the sugar price support program and marketing allotments for sugar, and for other purposes.
- H.R. 2487** To amend the Food, Conservation, and Energy Act of 2008 to terminate direct payments for the 2012 crop year.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.

MURRAY, Patty of Washington

- S. 1947** To prohibit attendance of an animal fighting venture, and for other purposes.

MYRICK, Sue Wilkins of North Carolina

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1196** To remove the incentives and loopholes that encourage illegal aliens to come to the United States to live and work, provide additional resources to local law enforcement and Federal border and immigration officers, and for other purposes.
- H.R. 1274** To gain operational control of the border, enforce immigration laws, strengthen visa security, and for other purposes.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.

MYRICK, Sue Wilkins of North Carolina

- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 4301** To contribute to the growth of the American economy and the strength of American national security by streamlining regulatory permitting procedures and increasing domestic production from all energy sources.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.
- H.R. 6567** To replace certain Federal nutrition programs with a block grant to the States, and for other purposes.
- H.R. 6601** To establish programs in the executive branch to permit the labeling of certain products that do not contain any carcinogens as "Carcinogen-Free", and for other purposes.
- H.R. 6688** To extend tax relief for all Americans, to replace the defense sequester scheduled to take effect on January 2, 2013, with responsible reductions in direct and other spending, and for other purposes.

NADLER, Jerrold of New York

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.

- H.R. 3359** To amend the Animal Welfare Act to restrict the use of exotic and non-domesticated animals in traveling circuses and exhibitions.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3525** To amend the Department of Agriculture Reorganization Act of 1994 to establish in the Department of Agriculture a Healthy Food Financing Initiative.
- H.R. 3665** To require the Commodity Futures Trading Commission to impose fees and assessments to recover the cost of appropriations to the Commission.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 3886** To expand the workforce of veterinarians specialized in the care and conservation of wild animals and their ecosystems, and to develop educational programs focused on wildlife and zoological veterinary medicine.
- H.R. 4280** To amend the Food and Nutrition Act of 2008 to provide that Puerto Rico may be treated in the same manner as the several States for the purpose of carrying out the supplemental nutrition assistance program under such Act.
- H.R. 4346** To amend the Federal Meat Inspection Act so that labels on packages of meat include a statement on whether the meat contains lean finely textured beef.
- H.R. 4351** To provide assistance and opportunity for the creation and support of sustainable agriculture activities in America's cities and to improve access to nutrition in America's cities.
- H.R. 5727** To rebuild the American middle class by creating jobs, investing in our future, building opportunity for working families, and restoring balance to the tax code.
- H.R. 6068** To provide for continued conservation efforts in the Chesapeake Bay watershed.
- H.R. 6200** To strengthen Federal consumer protection and product traceability with respect to commercially marketed seafood, and for other purposes.

AUTHOR INDEX

NORTON, Eleanor Holmes of District of Columbia

H.R. 6457 To provide grants to enhance the most effective freezing methods to improve access to affordable and locally produced specialty crops.

NUGENT, Richard B. of Florida

H.R. 2492 To prohibit attendance of an animal fighting venture, and for other purposes.

H.R. 2834 To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.

H.R. 4235 To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to repeal the indemnification requirements for regulatory authorities to obtain access to swap data required to be provided by swaps entities under such Acts.

H.J. Res. 85 Disapproving the rule of the Agricultural Marketing Service of the Department of Agriculture with respect to the establishment of a Christmas tree promotion, research, and information program.

NUNES, Devin of California

H.R. 759 * To require the Director of National Drug Control Policy to develop a Federal Lands Counterdrug Strategy, and for other purposes.

H.R. 760 * To authorize the Secretary of Agriculture to designate certain parts of California's San Joaquin Valley as a rural area for purposes of programs under the Consolidated Farm and Rural Development Act.

H.R. 872 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.

H.R. 1485 To address the public health and safety threat presented by the risk of catastrophic wildfire on Federal forestlands by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest restoration, forest health, and watershed restoration.

H.R. 1505 To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.

H.R. 1581 To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.

H.R. 5744 To address the forest health, public safety, and wildlife habitat threat presented by the risk of wildfire, including catastrophic wildfire, on National Forest System lands and public lands managed by the Bureau of Land Management by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest health, and economic development, and for other purposes.

NUNNELEE, Alan of Mississippi

H.R. 872 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.

H.R. 1167 To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.

H.R. 1697 To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.

NUNNELEE, Alan of Mississippi

H.R. 2000 To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.

H.R. 3403 To repeal the proposed rule of the Agricultural Marketing Service relating to the establishment of a Christmas tree promotion, research, and information program and the assessment of fees to fund such program.

H.R. 3652 To amend the Food and Nutrition Act of 2008 to repeal the authority to make performance-based bonus payments to States.

H.R. 4480 To provide for the development of a plan to increase oil and gas exploration, development, and production under oil and gas leases of Federal lands under the jurisdiction of the Secretary of Agriculture, the Secretary of Energy, the Secretary of the Interior, and the Secretary of Defense in response to a drawdown of petroleum reserves from the Strategic Petroleum Reserve.

H.R. 5731 To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.

H.R. 5873 To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term "biobased product".

H.J. Res. 85 Disapproving the rule of the Agricultural Marketing Service of the Department of Agriculture with respect to the establishment of a Christmas tree promotion, research, and information program.

OLSON, Pete of Texas

H.R. 872 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.

H.R. 1167 To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.

H.R. 1343 To return unused or reclaimed funds made available for broadband awards in the American Recovery and Reinvestment Act of 2009 to the Treasury of the United States.

H.R. 4480 To provide for the development of a plan to increase oil and gas exploration, development, and production under oil and gas leases of Federal lands under the jurisdiction of the Secretary of Agriculture, the Secretary of Energy, the Secretary of the Interior, and the Secretary of Defense in response to a drawdown of petroleum reserves from the Strategic Petroleum Reserve.

H.R. 6688 To extend tax relief for all Americans, to replace the defense sequester scheduled to take effect on January 2, 2013, with responsible reductions in direct and other spending, and for other purposes.

OLVER, John W. of Massachusetts

H. Res. 736 Expressing opposition to the use of carbon monoxide, carbon dioxide, nitrogen, nitrous oxide, argon, or other gases to euthanize shelter animals and support for State laws that require the use of the more humane euthanasia by injection method.

H. Res. 760 Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.

H.R. 835 To amend the Animal Welfare Act to provide further protection for puppies.

H.R. 1148 To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.

H.R. 1465 To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.

H.R. 2256 To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.

AUTHOR INDEX

OLVER, John W. of Massachusetts

- H.R. 2328** To require the Chairman of the Commodity Futures Trading Commission to impose unilaterally position limits and margin requirements to eliminate excessive oil speculation, and to take other actions to ensure that the price of crude oil, gasoline, diesel fuel, jet fuel, and heating oil accurately reflects the fundamentals of supply and demand, to remain in effect until the date on which the Commission establishes position limits to diminish, eliminate, or prevent excessive speculation as required by title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and for other purposes.
- H.R. 2487** To amend the Food, Conservation, and Energy Act of 2008 to terminate direct payments for the 2012 crop year.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2856** To provide assistance for agricultural producers adversely affected by damaging weather and other conditions relating to Hurricane Irene.
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3233** To amend the Food and Nutrition Act of 2008 to exclude the value of vehicles used for household transportation, or to obtain or continue employment, from the resource limitation applicable to determine eligibility to receive supplemental nutrition assistance.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3704** To amend the Humane Methods of Livestock Slaughter Act of 1958 to ensure the humane slaughter of nonambulatory livestock, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4085** To amend the Food, Conservation, and Energy Act of 2008 to extend and improve the milk income loss contract program.
- H.R. 5186** To prevent excessive speculation in energy commodities, and for other purposes.

OWENS, William L. of New York

- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 874 *** To amend the Consolidated Farm and Rural Development Act to expand eligibility for Farm Service Agency loans.
- H.R. 1083 *** To amend the Rural Electrification Act of 1936 to establish an Office of Rural Broadband Initiatives in the Department of Agriculture, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1275** To support State and tribal government efforts to promote research and education related to maple syrup production, natural resource sustainability in the maple syrup industry, market promotion of maple products, and greater access to lands containing maple trees for maple-sugaring activities, and for other purposes.
- H.R. 1465** To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.

OWENS, William L. of New York

- H.R. 1840** To improve consideration by the Commodity Futures Trading Commission of the costs and benefits of its regulations and orders.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2682** To provide end user exemptions from certain provisions of the Commodity Exchange Act and the Securities Exchange Act of 1934, and for other purposes.
- H.R. 2856** To provide assistance for agricultural producers adversely affected by damaging weather and other conditions relating to Hurricane Irene.
- H.R. 2905** To temporarily waive the risk management purchase requirement for agricultural producers adversely impacted by Hurricane Irene or Tropical Storm Lee so that such producers are eligible to receive assistance under the Supplemental Revenue Assistance Program (SURE), Emergency Assistance for Livestock, Honey Bees, and Farm-Raised Fish Program (ELAP), and Tree Assistance Program (TAP).
- H.R. 3236** To expand and improve opportunities for beginning farmers and ranchers, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3359** To amend the Animal Welfare Act to restrict the use of exotic and non-domesticated animals in traveling circuses and exhibitions.
- H.R. 3914 *** To amend the Export Apple Act to permit the export of apples to Canada in bulk bins without certification by the Department of Agriculture.
- H.R. 4085** To amend the Food, Conservation, and Energy Act of 2008 to extend and improve the milk income loss contract program.
- H.R. 4235** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to repeal the indemnification requirements for regulatory authorities to obtain access to swap data required to be provided by swaps entities under such Acts.
- H.R. 4330** To amend the Food, Conservation, and Energy Act of 2008 to clarify the maximum distance between Farm Service Agency county offices for purposes of the closure or relocation of a county office for the Farm Service Agency.
- H.R. 5649** To amend the Commodity Exchange Act to clarify the exemptions for captive finance companies from the definition of major swap participant and from the swap clearing requirement.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term "biobased product".

PALAZZO, Steven M. of Mississippi

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2031** To amend the Plant Protection Act to expedite the process for approval of certain biotechnology products, and for other purposes.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 4089** To protect and enhance opportunities for recreational hunting, fishing and shooting.

PALLONE, JR., Frank of New Jersey

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.

AUTHOR INDEX

PALLONE, JR., Frank of New Jersey

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.

- H.R. 5991** To promote the development of renewable energy on public lands, and for other purposes.
- H.R. 6154** To promote the development of renewable energy on public lands, and for other purposes.

PAUL, Ron of Texas

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1385** To repeal the sugar price support program and marketing allotments for sugar, and for other purposes.
- H.R. 3323** To reduce the regulatory burden on the agricultural sector of the national economy.
- H.R. 3403** To repeal the proposed rule of the Agricultural Marketing Service relating to the establishment of a Christmas tree promotion, research, and information program and the assessment of fees to fund such program.

PAULSEN, Erik of Minnesota

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 4333 *** To amend the Food and Nutrition Act of 2008 to permit providers of eligible food purchasing and delivery services to be approved as retail food stores that accept and redeem supplemental nutrition assistance benefits.

PAYNE, Donald M. of New Jersey

- H.R. 350** To amend the Food and Nutrition Act of 2008 to provide greater access to the supplemental nutrition assistance program by reducing duplicative and burdensome administrative requirements, authorize the Secretary of Agriculture to award grants to certain community-based nonprofit feeding and anti-hunger groups for the purpose of establishing and implementing a Beyond the Soup Kitchen Pilot Program for certain socially and economically disadvantaged populations, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.

AUTHOR INDEX

PAYNE, Donald M. of New Jersey

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2795** To address childhood obesity, and for other purposes.
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 4141 *** To direct the Administrator of the United States Agency for International Development to take appropriate actions to improve the nutritional quality, quality control, and cost effectiveness of United States food assistance, and for other purposes.

PEARCE, Stevan of New Mexico

- H.R. 1202 *** To restart jobs in the timber industry by providing for the protection of the Mexican Spotted Owl in sanctuaries.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2562** To direct the Secretary of Agriculture to take immediate action to recover ecologically and economically from a catastrophic wildfire in the States of Arizona and New Mexico, and for other purposes.
- H.R. 3062** To establish a program for dairy producers under which producers can offset reductions in producer income when the margin between milk prices and feed costs is less than a specified amount, to establish a dairy market stabilization program for producers participating in the margin protection program, to provide for the amendment of Federal milk marketing orders, and for other purposes.
- H.R. 4396** To extend Forest Service and the Bureau of Land Management stewardship end result contracting authority, and for other purposes.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.
- H.R. 5744** To address the forest health, public safety, and wildlife habitat threat presented by the risk of wildfire, including catastrophic wildfire, on National Forest System lands and public lands managed by the Bureau of Land Management by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest health, and economic development, and for other purposes.
- H.R. 6009** To establish a program that will generate dependable economic activity for counties and local governments containing National Forest System land through a management-focused approach, and for other purposes.

PEARCE, Stevan of New Mexico

- H.R. 6089** To address the bark beetle epidemic, drought, deteriorating forest health conditions, and high risk of wildfires on National Forest System land and land under the jurisdiction of the Bureau of Land Management in the United States by expanding authorities established in the Healthy Forest Restoration Act of 2003 to provide emergency measures for high-risk areas identified by such States, to make permanent Forest Service and Bureau of Land Management authority to conduct good-neighbor cooperation with States to reduce wildfire risks, and for other purposes.
- H.R. 6344 *** To direct the Secretary of Agriculture to convey lands of the former Fort Bayard Military Reservation in Grant County, New Mexico, to the village of Santa Clara, the city of Bayard, or the county of Grant in that State, in tracts of not less than 40 acres, and at market price at its present state of use as agricultural grazing lands as determined by the Secretary, for business and community development, and for other purposes.
- H.R. 6688** To extend tax relief for all Americans, to replace the defense sequester scheduled to take effect on January 2, 2013, with responsible reductions in direct and other spending, and for other purposes.

PENCE, Mike of Indiana

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 2675** To amend the Food, Conservation, and Energy Act of 2008 to authorize producers on a farm to produce fruits and vegetables for processing on the base acres of the farm.
- H.R. 6009** To establish a program that will generate dependable economic activity for counties and local governments containing National Forest System land through a management-focused approach, and for other purposes.
- H.J. Res. 85** Disapproving the rule of the Agricultural Marketing Service of the Department of Agriculture with respect to the establishment of a Christmas tree promotion, research, and information program.

PERLMUTTER, Ed of Colorado

- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 765** To amend the National Forest Ski Area Permit Act of 1986 to clarify the authority of the Secretary of Agriculture regarding additional recreational uses of National Forest System land that is subject to ski area permits, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 3233** To amend the Food and Nutrition Act of 2008 to exclude the value of vehicles used for household transportation, or to obtain or continue employment, from the resource limitation applicable to determine eligibility to receive supplemental nutrition assistance.
- H.R. 3569** To improve Indian education, and for other purposes.
- H.R. 4235** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to repeal the indemnification requirements for regulatory authorities to obtain access to swap data required to be provided by swaps entities under such Acts.

AUTHOR INDEX

PETERS, Gary C. of Michigan

- H.R. 3646** To require foreign manufacturers of products imported into the United States to establish registered agents in the United States who are authorized to accept service of process against such manufacturers, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4235** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to repeal the indemnification requirements for regulatory authorities to obtain access to swap data required to be provided by swaps entities under such Acts.
- H.R. 4351** To provide assistance and opportunity for the creation and support of sustainable agriculture activities in America's cities and to improve access to nutrition in America's cities.
- H.R. 6470** To define urban rodent control for purposes of clarifying the control of nuisance mammals and birds carried out by the Wildlife services program of the Animal and Plant Health Inspection Service and by the private sector, and for other purposes.

PETERSON, Collin C. of Minnesota

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.

PETERSON, Collin C. of Minnesota

- H.R. 3062 *** To establish a program for dairy producers under which producers can offset reductions in producer income when the margin between milk prices and feed costs is less than a specified amount, to establish a dairy market stabilization program for producers participating in the margin protection program, to provide for the amendment of Federal milk marketing orders, and for other purposes.
- H.R. 3236** To expand and improve opportunities for beginning farmers and ranchers, and for other purposes.
- H.R. 3568** To improve Indian education, and for other purposes.
- H.R. 3569** To improve Indian education, and for other purposes.
- H.R. 5860** To prohibit individuals from insuring against possible losses from having to repay illegally-received compensation or from having to pay civil penalties, and for other purposes.
- H.R. 6083** To provide for the reform and continuation of agricultural and other programs of the Department of Agriculture through fiscal year 2017, and for other purposes.

PETRI, Thomas E. of Wisconsin

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1385** To repeal the sugar price support program and marketing allotments for sugar, and for other purposes.
- H.R. 1739** To repeal the Federal sugar program.
- H.R. 2506 *** To establish the National Commission on Effective Marginal Tax Rates for Low-Income Families.
- H.R. 2675** To amend the Food, Conservation, and Energy Act of 2008 to authorize producers on a farm to produce fruits and vegetables for processing on the base acres of the farm.

PIERLUISI, Pedro R. of Puerto Rico

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1465** To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3569** To improve Indian education, and for other purposes.
- H.R. 4280 *** To amend the Food and Nutrition Act of 2008 to provide that Puerto Rico may be treated in the same manner as the several States for the purpose of carrying out the supplemental nutrition assistance program under such Act.

PINGREE, Chellie of Maine

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.

AUTHOR INDEX

PINGREE, Chellie of Maine

- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1465** To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 3225** To promote and enhance community agricultural production and technology in nontraditional communities through the establishment of a new office in the Department of Agriculture to ensure that Department authorities are coordinated more effectively to encourage local agricultural production and increase the availability of fresh food in nontraditional communities, particularly underserved communities experiencing hunger, poor nutrition, obesity, and food insecurity, and for other purposes.
- H.R. 3233** To amend the Food and Nutrition Act of 2008 to exclude the value of vehicles used for household transportation, or to obtain or continue employment, from the resource limitation applicable to determine eligibility to receive supplemental nutrition assistance.
- H.R. 3236** To expand and improve opportunities for beginning farmers and ranchers, and for other purposes.
- H.R. 3286 *** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3553** To amend the Federal Food, Drug, and Cosmetic Act, the Federal Meat Inspection Act, and the Poultry Products Inspection Act to require that food that contains a genetically engineered material, or that is produced with a genetically engineered material, be labeled accordingly.
- H.R. 3665** To require the Commodity Futures Trading Commission to impose fees and assessments to recover the cost of appropriations to the Commission.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 3905** To authorize the Secretary of Agriculture to award grants for the establishment of veterans gardens that are operated by veterans and designed to produce food that can be sold to individuals, schools, and restaurants.
- H.R. 4012** To amend the Food, Conservation, and Energy Act of 2008 to establish a community-supported agriculture promotion program.
- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.
- H.R. 4346 *** To amend the Federal Meat Inspection Act so that labels on packages of meat include a statement on whether the meat contains lean finely textured beef.
- H.R. 4351** To provide assistance and opportunity for the creation and support of sustainable agriculture activities in America's cities and to improve access to nutrition in America's cities.
- H.R. 5186** To prevent excessive speculation in energy commodities, and for other purposes.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term "biobased product".
- H.R. 5955** To amend the Farm Security and Rural Investment Act of 2002 to improve energy programs.

PITTS, Joseph R. of Pennsylvania

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1343** To return unused or reclaimed funds made available for broadband awards in the American Recovery and Reinvestment Act of 2009 to the Treasury of the United States.
- H.R. 1385 *** To repeal the sugar price support program and marketing allotments for sugar, and for other purposes.

PITTS, Joseph R. of Pennsylvania

- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.
- H.R. 4301** To contribute to the growth of the American economy and the strength of American national security by streamlining regulatory permitting procedures and increasing domestic production from all energy sources.
- H.R. 4322** To clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.
- H.J. Res. 85** Disapproving the rule of the Agricultural Marketing Service of the Department of Agriculture with respect to the establishment of a Christmas tree promotion, research, and information program.

PLATTS, Todd Russell of Pennsylvania

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1196** To remove the incentives and loopholes that encourage illegal aliens to come to the United States to live and work, provide additional resources to local law enforcement and Federal border and immigration officers, and for other purposes.
- H.R. 1277** To authorize the Secretary of Homeland Security to make grants for public-private partnerships that finance equipment and infrastructure to improve the public safety of persons who are residents of rural areas of the United States near the border with Mexico by enhancing access to mobile communications, and for other purposes.
- H.R. 1385** To repeal the sugar price support program and marketing allotments for sugar, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3167** To direct the Secretary of Veterans Affairs to establish a program under which certain veterans entitled to educational assistance under the laws administered by the Secretary can use such entitlement to start or purchase a qualifying business enterprise, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term "biobased product".
- H.R. 6068** To provide for continued conservation efforts in the Chesapeake Bay watershed.

POE, Ted of Texas

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1277 *** To authorize the Secretary of Homeland Security to make grants for public-private partnerships that finance equipment and infrastructure to improve the public safety of persons who are residents of rural areas of the United States near the border with Mexico by enhancing access to mobile communications, and for other purposes.

AUTHOR INDEX

POE, Ted of Texas

- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2588 *** To direct the Secretary of the Interior and the Secretary of Agriculture to sell certain Federal land, to direct that the proceeds of such sales be applied to reduce the Federal budget deficit, and for other purposes.
- H.R. 4301** To contribute to the growth of the American economy and the strength of American national security by streamlining regulatory permitting procedures and increasing domestic production from all energy sources.
- H.R. 4322** To clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State.

POLIS, Jared of Colorado

- H.R. 765** To amend the National Forest Ski Area Permit Act of 1986 to clarify the authority of the Secretary of Agriculture regarding additional recreational uses of National Forest System land that is subject to ski area permits, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.

- H.R. 3665** To require the Commodity Futures Trading Commission to impose fees and assessments to recover the cost of appropriations to the Commission.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4225** To amend the Federal Insecticide, Fungicide, and Rodenticide Act to require local educational agencies and schools to implement integrated pest management programs to minimize the use of pesticides in schools and to provide parents, guardians, and employees with notice of the use of pesticides in schools, and for other purposes.
- H.R. 4280** To amend the Food and Nutrition Act of 2008 to provide that Puerto Rico may be treated in the same manner as the several States for the purpose of carrying out the supplemental nutrition assistance program under such Act.
- H.R. 4351** To provide assistance and opportunity for the creation and support of sustainable agriculture activities in America's cities and to improve access to nutrition in America's cities.
- H.R. 4457** To require the Commodity Futures Trading Commission to take certain actions to reduce excessive speculation in energy markets.
- H.R. 5962** To amend the Organic Foods Production Act of 1990 to require recordkeeping and authorize investigations and enforcement actions for violations of such Act, and for other purposes.

RANGEL, Charles B. of New York

- H.R. 6200** To strengthen Federal consumer protection and product traceability with respect to commercially marketed seafood, and for other purposes.
- H.R. 6457** To provide grants to enhance the most effective freezing methods to improve access to affordable and locally produced specialty crops.

REED, Tom of New York

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 2856** To provide assistance for agricultural producers adversely affected by damaging weather and other conditions relating to Hurricane Irene.
- H.R. 3652** To amend the Food and Nutrition Act of 2008 to repeal the authority to make performance-based bonus payments to States.
- H.R. 4337 *** To limit the authority of the Administrator of the Environmental Protection Agency to implement certain actions related to Chesapeake Bay watershed total maximum daily loads, and for other purposes.
- H.R. 4480** To provide for the development of a plan to increase oil and gas exploration, development, and production under oil and gas leases of Federal lands under the jurisdiction of the Secretary of Agriculture, the Secretary of Energy, the Secretary of the Interior, and the Secretary of Defense in response to a drawdown of petroleum reserves from the Strategic Petroleum Reserve.

REHBERG, Denny of Montana

- H.R. 759** To require the Director of National Drug Control Policy to develop a Federal Lands Counterdrug Strategy, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1443** To protect the use of traditional hunting and fishing implements and to prevent unnecessary and unwarranted restrictions on the implements used by the hunting and fishing communities.
- H.R. 1444** To require that hunting activities be a land use in all management plans for Federal land under the jurisdiction of the Secretary of the Interior or the Secretary of Agriculture to the extent that such use is not clearly incompatible with the purposes for which the Federal land is managed, and for other purposes.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 4089** To protect and enhance opportunities for recreational hunting, fishing and shooting.
- H.R. 4234** To amend the Federal Land Policy and Management Act of 1976 to improve the management of grazing leases and permits, and for other purposes.

AUTHOR INDEX

REHBERG, Denny of Montana

- H.R. 4480** To provide for the development of a plan to increase oil and gas exploration, development, and production under oil and gas leases of Federal lands under the jurisdiction of the Secretary of Agriculture, the Secretary of Energy, the Secretary of the Interior, and the Secretary of Defense in response to a drawdown of petroleum reserves from the Strategic Petroleum Reserve.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term “biobased product”.

REICHERT, David G. of Washington

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3496** To sustain fish, plants, and wildlife on America’s public lands.

RENACCI, James B. of Ohio

- H.R. 1385** To repeal the sugar price support program and marketing allotments for sugar, and for other purposes.
- H.R. 4235** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to repeal the indemnification requirements for regulatory authorities to obtain access to swap data required to be provided by swaps entities under such Acts.

REYES, Silvestre of Texas

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1561 *** To enhance the safety of ports of entry in the United States, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3569** To improve Indian education, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.

RIBBLE, Reid J. of Wisconsin

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1573** To facilitate implementation of title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act, promote regulatory coordination, and avoid market disruption.
- H.R. 1840** To improve consideration by the Commodity Futures Trading Commission of the costs and benefits of its regulations and orders.
- H.R. 2675 *** To amend the Food, Conservation, and Energy Act of 2008 to authorize producers on a farm to produce fruits and vegetables for processing on the base acres of the farm.
- H.R. 3580** To amend the Balanced Budget and Emergency Deficit Control Act of 1985 to provide for long-term budgeting, and for other purposes.
- H.R. 4301** To contribute to the growth of the American economy and the strength of American national security by streamlining regulatory permitting procedures and increasing domestic production from all energy sources.
- H.R. 4322** To clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State.
- H.R. 4330** To amend the Food, Conservation, and Energy Act of 2008 to clarify the maximum distance between Farm Service Agency county offices for purposes of the closure or relocation of a county office for the Farm Service Agency.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term “biobased product”.
- H.R. 6231 *** To authorize the Secretary of Agriculture to use funds derived from conservation-related programs executed on National Forest System lands to utilize the Agriculture Conservation Experienced Services Program.
- H.J. Res. 85** Disapproving the rule of the Agricultural Marketing Service of the Department of Agriculture with respect to the establishment of a Christmas tree promotion, research, and information program.

RICHARDSON, Laura of California

- H. Res. 217** Supporting the goals and ideals of Global Child Nutrition Month.
- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.
- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1465** To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
- H.R. 1561** To enhance the safety of ports of entry in the United States, and for other purposes.
- H.R. 2193** To amend title IV of the Social Security Act to ensure funding for grants to promote responsible fatherhood and strengthen low-income families, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.

AUTHOR INDEX

RICHARDSON, Laura of California

- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3225** To promote and enhance community agricultural production and technology in nontraditional communities through the establishment of a new office in the Department of Agriculture to ensure that Department authorities are coordinated more effectively to encourage local agricultural production and increase the availability of fresh food in nontraditional communities, particularly underserved communities experiencing hunger, poor nutrition, obesity, and food insecurity, and for other purposes.
- H.R. 3233** To amend the Food and Nutrition Act of 2008 to exclude the value of vehicles used for household transportation, or to obtain or continue employment, from the resource limitation applicable to determine eligibility to receive supplemental nutrition assistance.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3568** To improve Indian education, and for other purposes.
- H.R. 3569** To improve Indian education, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.
- H.R. 4351** To provide assistance and opportunity for the creation and support of sustainable agriculture activities in America's cities and to improve access to nutrition in America's cities.
- H.R. 5955** To amend the Farm Security and Rural Investment Act of 2002 to improve energy programs.

RICHMOND, Cedric L. of Louisiana

- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2193** To amend title IV of the Social Security Act to ensure funding for grants to promote responsible fatherhood and strengthen low-income families, and for other purposes.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3569** To improve Indian education, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.

RIGELL, E. Scott of Virginia

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1176** To amend the Specialty Crops Competitiveness Act of 2004 to include farmed shellfish as specialty crops.
- H.R. 6068** To provide for continued conservation efforts in the Chesapeake Bay watershed.

RIVERA, David of Florida

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2825** To direct the Secretary of Agriculture to convey to Miami-Dade County certain federally owned land in Florida, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.

ROBY, Martha of Alabama

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.

- H.R. 1561** To enhance the safety of ports of entry in the United States, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3359** To amend the Animal Welfare Act to restrict the use of exotic and non-domesticated animals in traveling circuses and exhibitions.

AUTHOR INDEX

ROTHMAN, Steven R. of New Jersey

- H.R. 3432** To authorize voluntary grazing permit retirement on Federal lands managed by the Department of Agriculture or the Department of the Interior where livestock grazing is impractical, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3704** To amend the Humane Methods of Livestock Slaughter Act of 1958 to ensure the humane slaughter of nonambulatory livestock, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4225** To amend the Federal Insecticide, Fungicide, and Rodenticide Act to require local educational agencies and schools to implement integrated pest management programs to minimize the use of pesticides in schools and to provide parents, guardians, and employees with notice of the use of pesticides in schools, and for other purposes.
- H.R. 4318** To prohibit the use, production, sale, importation, or exportation of any pesticide containing atrazine.

ROYBAL-ALLARD, Lucille of California

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1561** To enhance the safety of ports of entry in the United States, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3359** To amend the Animal Welfare Act to restrict the use of exotic and non-domesticated animals in traveling circuses and exhibitions.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3569** To improve Indian education, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4225** To amend the Federal Insecticide, Fungicide, and Rodenticide Act to require local educational agencies and schools to implement integrated pest management programs to minimize the use of pesticides in schools and to provide parents, guardians, and employees with notice of the use of pesticides in schools, and for other purposes.
- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.

ROYCE, Edward R. of California

- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1196** To remove the incentives and loopholes that encourage illegal aliens to come to the United States to live and work, provide additional resources to local law enforcement and Federal border and immigration officers, and for other purposes.
- H.R. 1274 *** To gain operational control of the border, enforce immigration laws, strengthen visa security, and for other purposes.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 3283** To amend the Commodity Exchange Act and the Securities Exchange Act of 1934 to provide an exemption for certain swaps and security-based swaps involving Non-U.S. persons, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 6248** To provide for the transfer of excess Department of Defense aircraft to the Forest Service for wildfire suppression activities, and for other purposes.

RUNYAN, Jon of New Jersey

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.

RUPPERSBERGER, C. A. Dutch of Maryland

- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1725 *** To authorize the Secretary of Agriculture to make grants for the prevention of cruelty to animals to States that have enacted laws prohibiting the devocalization of dogs and cats for purposes of convenience.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 6068** To provide for continued conservation efforts in the Chesapeake Bay watershed.

AUTHOR INDEX

RUSH, Bobby L. of Illinois

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1739** To repeal the Federal sugar program.
- H.R. 2193** To amend title IV of the Social Security Act to ensure funding for grants to promote responsible fatherhood and strengthen low-income families, and for other purposes.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4141** To direct the Administrator of the United States Agency for International Development to take appropriate actions to improve the nutritional quality, quality control, and cost effectiveness of United States food assistance, and for other purposes.
- H.R. 4351** To provide assistance and opportunity for the creation and support of sustainable agriculture activities in America's cities and to improve access to nutrition in America's cities.

RYAN, Paul of Wisconsin

- H.R. 3580** To amend the Balanced Budget and Emergency Deficit Control Act of 1985 to provide for long-term budgeting, and for other purposes.

RYAN, Tim of Ohio

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 3225** To promote and enhance community agricultural production and technology in nontraditional communities through the establishment of a new office in the Department of Agriculture to ensure that Department authorities are coordinated more effectively to encourage local agricultural production and increase the availability of fresh food in nontraditional communities, particularly underserved communities experiencing hunger, poor nutrition, obesity, and food insecurity, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3646** To require foreign manufacturers of products imported into the United States to establish registered agents in the United States who are authorized to accept service of process against such manufacturers, and for other purposes.

RYAN, Tim of Ohio

- H.R. 4346** To amend the Federal Meat Inspection Act so that labels on packages of meat include a statement on whether the meat contains lean finely textured beef.
- H.R. 4351** To provide assistance and opportunity for the creation and support of sustainable agriculture activities in America's cities and to improve access to nutrition in America's cities.
- H.R. 5955** To amend the Farm Security and Rural Investment Act of 2002 to improve energy programs.

SABLAN, Gregorio Kilili Camacho of Northern Mariana Islands

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.
- H.R. 350** To amend the Food and Nutrition Act of 2008 to provide greater access to the supplemental nutrition assistance program by reducing duplicative and burdensome administrative requirements, authorize the Secretary of Agriculture to award grants to certain community-based nonprofit feeding and anti-hunger groups for the purpose of establishing and implementing a Beyond the Soup Kitchen Pilot Program for certain socially and economically disadvantaged populations, and for other purposes.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1465 *** To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
- H.R. 1561** To enhance the safety of ports of entry in the United States, and for other purposes.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3569** To improve Indian education, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 3905** To authorize the Secretary of Agriculture to award grants for the establishment of veterans gardens that are operated by veterans and designed to produce food that can be sold to individuals, schools, and restaurants.
- H.R. 4280** To amend the Food and Nutrition Act of 2008 to provide that Puerto Rico may be treated in the same manner as the several States for the purpose of carrying out the supplemental nutrition assistance program under such Act.

SÁNCHEZ, Linda T. of California

- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.

AUTHOR INDEX

SÁNCHEZ, Linda T. of California

- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 3017** To provide for a more structured and stable domestic agricultural labor market in the United States, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3646** To require foreign manufacturers of products imported into the United States to establish registered agents in the United States who are authorized to accept service of process against such manufacturers, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4457** To require the Commodity Futures Trading Commission to take certain actions to reduce excessive speculation in energy markets.

SANCHEZ, Loretta of California

- H. Res. 736** Expressing opposition to the use of carbon monoxide, carbon dioxide, nitrogen, nitrous oxide, argon, or other gases to euthanize shelter animals and support for State laws that require the use of the more humane euthanasia by injection method.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.

SARBANES, John P. of Maryland

- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3432** To authorize voluntary grazing permit retirement on Federal lands managed by the Department of Agriculture or the Department of the Interior where livestock grazing is impractical, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3525 *** To amend the Department of Agriculture Reorganization Act of 1994 to establish in the Department of Agriculture a Healthy Food Financing Initiative.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.

SCHWEIKERT, David of Arizona

- H.R. 87** To repeal the Dodd-Frank Wall Street Reform and Consumer Protection Act.
- H.R. 408** To reduce Federal spending by \$2.5 trillion through fiscal year 2021.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1274** To gain operational control of the border, enforce immigration laws, strengthen visa security, and for other purposes.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 3283** To amend the Commodity Exchange Act and the Securities Exchange Act of 1934 to provide an exemption for certain swaps and security-based swaps involving Non-U.S. persons, and for other purposes.

AUTHOR INDEX

SCHWEIKERT, David of Arizona

- H.R. 4089** To protect and enhance opportunities for recreational hunting, fishing and shooting.
- H.R. 4235** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to repeal the indemnification requirements for regulatory authorities to obtain access to swap data required to be provided by swaps entities under such Acts.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.
- H.R. 5744** To address the forest health, public safety, and wildlife habitat threat presented by the risk of wildfire, including catastrophic wildfire, on National Forest System lands and public lands managed by the Bureau of Land Management by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest health, and economic development, and for other purposes.
- H.R. 6154** To promote the development of renewable energy on public lands, and for other purposes.
- H.R. 6688** To extend tax relief for all Americans, to replace the defense sequester scheduled to take effect on January 2, 2013, with responsible reductions in direct and other spending, and for other purposes.

SCOTT, Austin of Georgia

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1573** To facilitate implementation of title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act, promote regulatory coordination, and avoid market disruption.
- H.R. 2682** To provide end user exemptions from certain provisions of the Commodity Exchange Act and the Securities Exchange Act of 1934, and for other purposes.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 3652** To amend the Food and Nutrition Act of 2008 to repeal the authority to make performance-based bonus payments to States.
- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.
- H.R. 4301** To contribute to the growth of the American economy and the strength of American national security by streamlining regulatory permitting procedures and increasing domestic production from all energy sources.
- H.R. 4330** To amend the Food, Conservation, and Energy Act of 2008 to clarify the maximum distance between Farm Service Agency county offices for purposes of the closure or relocation of a county office for the Farm Service Agency.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term "biobased product".

SCOTT, David of Georgia

- H.R. 1465** To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 3236** To expand and improve opportunities for beginning farmers and ranchers, and for other purposes.

SCOTT, David of Georgia

- H.R. 3283** To amend the Commodity Exchange Act and the Securities Exchange Act of 1934 to provide an exemption for certain swaps and security-based swaps involving Non-U.S. persons, and for other purposes.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3569** To improve Indian education, and for other purposes.

SCOTT, Robert C. "Bobby" of Virginia

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2193** To amend title IV of the Social Security Act to ensure funding for grants to promote responsible fatherhood and strengthen low-income families, and for other purposes.
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3233** To amend the Food and Nutrition Act of 2008 to exclude the value of vehicles used for household transportation, or to obtain or continue employment, from the resource limitation applicable to determine eligibility to receive supplemental nutrition assistance.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3665** To require the Commodity Futures Trading Commission to impose fees and assessments to recover the cost of appropriations to the Commission.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.
- H.R. 5186** To prevent excessive speculation in energy commodities, and for other purposes.
- H.R. 6068** To provide for continued conservation efforts in the Chesapeake Bay watershed.

SCOTT, Tim of South Carolina

- H.R. 408** To reduce Federal spending by \$2.5 trillion through fiscal year 2021.
- H.R. 1135** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.

AUTHOR INDEX

SCOTT, Tim of South Carolina

- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 3323** To reduce the regulatory burden on the agricultural sector of the national economy.
- H.R. 3565** To reduce the salaries of Members of Congress if a Federal budget deficit exists, prohibit commodities and securities trading based on non-public information relating to Congress, and for other purposes.
- H.R. 4015 *** To repeal the conservation stewardship program of the Department of Agriculture.
- H.R. 4301** To contribute to the growth of the American economy and the strength of American national security by streamlining regulatory permitting procedures and increasing domestic production from all energy sources.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.
- H.R. 6567** To replace certain Federal nutrition programs with a block grant to the States, and for other purposes.

SENSENBRENNER, JR., F. James of Wisconsin

- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.

SERRANO, José E. of New York

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.
- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 254 *** To amend the Food, Drug, and Cosmetic Act and the egg, meat, and poultry inspection laws to ensure that consumers receive notification regarding food products produced from crops, livestock, or poultry raised on land on which sewage sludge was applied.
- H.R. 255 *** To lift the trade embargo on Cuba, and for other purposes.
- H.R. 350 *** To amend the Food and Nutrition Act of 2008 to provide greater access to the supplemental nutrition assistance program by reducing duplicative and burdensome administrative requirements, authorize the Secretary of Agriculture to award grants to certain community-based nonprofit feeding and anti-hunger groups for the purpose of establishing and implementing a Beyond the Soup Kitchen Pilot Program for certain socially and economically disadvantaged populations, and for other purposes.
- H.R. 530** To amend the Food and Nutrition Act of 2008 to remove the ineligibility of individuals who participate in a strike.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1465** To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.

SERRANO, José E. of New York

- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3704** To amend the Humane Methods of Livestock Slaughter Act of 1958 to ensure the humane slaughter of nonambulatory livestock, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4280** To amend the Food and Nutrition Act of 2008 to provide that Puerto Rico may be treated in the same manner as the several States for the purpose of carrying out the supplemental nutrition assistance program under such Act.

SESSIONS, Pete of Texas

- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 4322** To clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State.
- H.R. 5744** To address the forest health, public safety, and wildlife habitat threat presented by the risk of wildfire, including catastrophic wildfire, on National Forest System lands and public lands managed by the Bureau of Land Management by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest health, and economic development, and for other purposes.

SEWELL, Terri A. of Alabama

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 3283** To amend the Commodity Exchange Act and the Securities Exchange Act of 1934 to provide an exemption for certain swaps and security-based swaps involving Non-U.S. persons, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.

AUTHOR INDEX

SEWELL, Terri A. of Alabama

- H.R. 3454** To amend the Food Security Act of 1985 with respect to maximum enrollment and eligible land in the conservation reserve program.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4235** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to repeal the indemnification requirements for regulatory authorities to obtain access to swap data required to be provided by swaps entities under such Acts.
- H.R. 4351** To provide assistance and opportunity for the creation and support of sustainable agriculture activities in America's cities and to improve access to nutrition in America's cities.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term "biobased product".

SHERMAN, Brad of California

- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.

- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3569** To improve Indian education, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4141** To direct the Administrator of the United States Agency for International Development to take appropriate actions to improve the nutritional quality, quality control, and cost effectiveness of United States food assistance, and for other purposes.

SLAUGHTER, Louise McIntosh of New York

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 874** To amend the Consolidated Farm and Rural Development Act to expand eligibility for Farm Service Agency loans.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1465** To amend the Food and Nutrition Act of 2008 to treat the Commonwealth of the Northern Mariana Islands in the same manner as Guam is treated.
- H.R. 2003** To amend the Internal Revenue Code of 1986 to impose a tax on transactions in oil futures, options, and swaps, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.

SLAUGHTER, Louise McIntosh of New York

- H.R. 2328** To require the Chairman of the Commodity Futures Trading Commission to impose unilaterally position limits and margin requirements to eliminate excessive oil speculation, and to take other actions to ensure that the price of crude oil, gasoline, diesel fuel, jet fuel, and heating oil accurately reflects the fundamentals of supply and demand, to remain in effect until the date on which the Commission establishes position limits to diminish, eliminate, or prevent excessive speculation as required by title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and for other purposes.
- H.R. 2487** To amend the Food, Conservation, and Energy Act of 2008 to terminate direct payments for the 2012 crop year.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3333** To amend part E of title IV of the Social Security Act to require States to help alien children in the child welfare system apply for all available forms of immigration relief, and for other purposes.
- H.R. 3432** To authorize voluntary grazing permit retirement on Federal lands managed by the Department of Agriculture or the Department of the Interior where livestock grazing is impractical, and for other purposes.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3553** To amend the Federal Food, Drug, and Cosmetic Act, the Federal Meat Inspection Act, and the Poultry Products Inspection Act to require that food that contains a genetically engineered material, or that is produced with a genetically engineered material, be labeled accordingly.
- H.R. 3704** To amend the Humane Methods of Livestock Slaughter Act of 1958 to ensure the humane slaughter of nonambulatory livestock, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 3914** To amend the Export Apple Act to permit the export of apples to Canada in bulk bins without certification by the Department of Agriculture.
- H.R. 4225** To amend the Federal Insecticide, Fungicide, and Rodenticide Act to require local educational agencies and schools to implement integrated pest management programs to minimize the use of pesticides in schools and to provide parents, guardians, and employees with notice of the use of pesticides in schools, and for other purposes.
- H.R. 4346** To amend the Federal Meat Inspection Act so that labels on packages of meat include a statement on whether the meat contains lean finely textured beef.
- H.R. 5186** To prevent excessive speculation in energy commodities, and for other purposes.
- H.R. 5962** To amend the Organic Foods Production Act of 1990 to require recordkeeping and authorize investigations and enforcement actions for violations of such Act, and for other purposes.
- H.R. 6167** To extend supplemental agricultural disaster assistance programs.
- H.R. 6192** To extend certain of the supplemental agricultural disaster assistance programs through fiscal year 2012 and to continue to fund such assistance through the Agricultural Disaster Relief Trust Fund.

AUTHOR INDEX

SMITH, Adam of Washington

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.

- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.

SMITH, Adrian of Nebraska

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.

SMITH, Christopher H. of New Jersey

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.

SMITH, Lamar of Texas

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1274** To gain operational control of the border, enforce immigration laws, strengthen visa security, and for other purposes.

SMITH, Lamar of Texas

- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.

SOUTHERLAND II, Steve of Florida

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 967** To amend the Food, Agriculture, Conservation, and Trade Act of 1990 and the Federal Insecticide, Fungicide, and Rodenticide Act to support efforts to control and eradicate bed bugs with respect to public health, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 1872** To require the Administrator of the Environmental Protection Agency to consider the impact on employment levels and economic activity prior to issuing a regulation, policy statement, guidance, or other requirement, implementing any new or substantially altered program, or issuing or denying any permit, and for other purposes.
- H.R. 2172** To facilitate the development of wind energy resources on Federal lands.
- H.R. 5731** To prohibit Federal assistance for telemedicine abortions and to ban interstate abortions using telemedicine technology.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term "biobased product".
- H.R. 6470** To define urban rodent control for purposes of clarifying the control of nuisance mammals and birds carried out by the Wildlife services program of the Animal and Plant Health Inspection Service and by the private sector, and for other purposes.

SPEIER, Jackie of California

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1385** To repeal the sugar price support program and marketing allotments for sugar, and for other purposes.
- H.R. 1739** To repeal the Federal sugar program.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3359** To amend the Animal Welfare Act to restrict the use of exotic and non-domesticated animals in traveling circuses and exhibitions.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.

AUTHOR INDEX

SPEIER, Jackie of California

- H.R. 3553** To amend the Federal Food, Drug, and Cosmetic Act, the Federal Meat Inspection Act, and the Poultry Products Inspection Act to require that food that contains a genetically engineered material, or that is produced with a genetically engineered material, be labeled accordingly.
- H.R. 3665** To require the Commodity Futures Trading Commission to impose fees and assessments to recover the cost of appropriations to the Commission.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 5186** To prevent excessive speculation in energy commodities, and for other purposes.
- H.R. 6269 *** To amend the Food and Nutrition Act of 2008 to expand the eligibility of certain veterans while they have disability claims pending under title 38 of the United States Code.
- H.R. 6270 *** To amend the Federal Crop Insurance Act to require annual disclosure of crop insurance premium subsidies in the public interest.

STARK, Fortney Pete of California

- H. Res. 736** Expressing opposition to the use of carbon monoxide, carbon dioxide, nitrogen, nitrous oxide, argon, or other gases to euthanize shelter animals and support for State laws that require the use of the more humane euthanasia by injection method.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 350** To amend the Food and Nutrition Act of 2008 to provide greater access to the supplemental nutrition assistance program by reducing duplicative and burdensome administrative requirements, authorize the Secretary of Agriculture to award grants to certain community-based nonprofit feeding and anti-hunger groups for the purpose of establishing and implementing a Beyond the Soup Kitchen Pilot Program for certain socially and economically disadvantaged populations, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1385** To repeal the sugar price support program and marketing allotments for sugar, and for other purposes.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2328** To require the Chairman of the Commodity Futures Trading Commission to impose unilaterally position limits and margin requirements to eliminate excessive oil speculation, and to take other actions to ensure that the price of crude oil, gasoline, diesel fuel, jet fuel, and heating oil accurately reflects the fundamentals of supply and demand, to remain in effect until the date on which the Commission establishes position limits to diminish, eliminate, or prevent excessive speculation as required by title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and for other purposes.
- H.R. 2487** To amend the Food, Conservation, and Energy Act of 2008 to terminate direct payments for the 2012 crop year.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3233** To amend the Food and Nutrition Act of 2008 to exclude the value of vehicles used for household transportation, or to obtain or continue employment, from the resource limitation applicable to determine eligibility to receive supplemental nutrition assistance.

STARK, Fortney Pete of California

- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3333 *** To amend part E of title IV of the Social Security Act to require States to help alien children in the child welfare system apply for all available forms of immigration relief, and for other purposes.
- H.R. 3359** To amend the Animal Welfare Act to restrict the use of exotic and non-domesticated animals in traveling circuses and exhibitions.
- H.R. 3432** To authorize voluntary grazing permit retirement on Federal lands managed by the Department of Agriculture or the Department of the Interior where livestock grazing is impractical, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3553** To amend the Federal Food, Drug, and Cosmetic Act, the Federal Meat Inspection Act, and the Poultry Products Inspection Act to require that food that contains a genetically engineered material, or that is produced with a genetically engineered material, be labeled accordingly.
- H.R. 3554** To prohibit the open-air cultivation of genetically engineered pharmaceutical and industrial crops, to prohibit the use of common human food or animal feed as the host plant for a genetically engineered pharmaceutical or industrial chemical, to establish a tracking system to regulate the growing, handling, transportation, and disposal of pharmaceutical and industrial crops and their byproducts to prevent human, animal, and general environmental exposure to genetically engineered pharmaceutical and industrial crops and their byproducts, to amend the Federal Food, Drug, and Cosmetic Act with respect to the safety of genetically engineered foods, and for other purposes.
- H.R. 3555** To provide additional protections for farmers and ranchers that may be harmed economically by genetically engineered seeds, plants, or animals, to ensure fairness for farmers and ranchers in their dealings with biotech companies that sell genetically engineered seeds, plants, or animals, to assign liability for injury caused by genetically engineered organisms, and for other purposes.
- H.R. 3646** To require foreign manufacturers of products imported into the United States to establish registered agents in the United States who are authorized to accept service of process against such manufacturers, and for other purposes.
- H.R. 3704** To amend the Humane Methods of Livestock Slaughter Act of 1958 to ensure the humane slaughter of nonambulatory livestock, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 3886** To expand the workforce of veterinarians specialized in the care and conservation of wild animals and their ecosystems, and to develop educational programs focused on wildlife and zoological veterinary medicine.
- H.R. 5186** To prevent excessive speculation in energy commodities, and for other purposes.
- H.R. 6098** To amend the Federal Crop Insurance Act to immediately reduce crop insurance premium subsidy rates from the higher subsidies provided since the Agricultural Risk Protection Act of 2000.

STEARNS, Cliff of Florida

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1343** To return unused or reclaimed funds made available for broadband awards in the American Recovery and Reinvestment Act of 2009 to the Treasury of the United States.

AUTHOR INDEX

STEARNS, Cliff of Florida

- H.R. 4480** To provide for the development of a plan to increase oil and gas exploration, development, and production under oil and gas leases of Federal lands under the jurisdiction of the Secretary of Agriculture, the Secretary of Energy, the Secretary of the Interior, and the Secretary of Defense in response to a drawdown of petroleum reserves from the Strategic Petroleum Reserve.

STIVERS, Steve of Ohio

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1581** To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 1840** To improve consideration by the Commodity Futures Trading Commission of the costs and benefits of its regulations and orders.
- H.R. 2483** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to modify certain provisions relating to whistleblower incentives and protection.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2675** To amend the Food, Conservation, and Energy Act of 2008 to authorize producers on a farm to produce fruits and vegetables for processing on the base acres of the farm.
- H.R. 2779** * To exempt inter-affiliate swaps from certain regulatory requirements put in place by the Dodd-Frank Wall Street Reform and Consumer Protection Act.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 3559** * To prohibit the Federal Insurance Office of the Department of the Treasury and other financial regulators from collecting data directly from an insurance company.
- H.R. 4193** * To provide that there shall be no net increase in the acres of certain Federal land under the jurisdiction of the Bureau of Land Management, the National Park Service, the U.S. Fish and Wildlife Service, or the Forest Service unless the Federal budget is balanced for the year in which the land would be purchased.
- H.R. 4235** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to repeal the indemnification requirements for regulatory authorities to obtain access to swap data required to be provided by swaps entities under such Acts.
- H.R. 4322** To clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State.

STUTZMAN, Marlin A. of Indiana

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.

STUTZMAN, Marlin A. of Indiana

- H.R. 2675** To amend the Food, Conservation, and Energy Act of 2008 to authorize producers on a farm to produce fruits and vegetables for processing on the base acres of the farm.
- H.R. 3111** * To reform and reauthorize agricultural programs, and for other purposes.
- H.R. 3580** To amend the Balanced Budget and Emergency Deficit Control Act of 1985 to provide for long-term budgeting, and for other purposes.
- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.
- H.R. 4322** To clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State.
- H.R. 6688** To extend tax relief for all Americans, to replace the defense sequester scheduled to take effect on January 2, 2013, with responsible reductions in direct and other spending, and for other purposes.

SULLIVAN, John of Oklahoma

- H.R. 1343** To return unused or reclaimed funds made available for broadband awards in the American Recovery and Reinvestment Act of 2009 to the Treasury of the United States.
- H.R. 4322** To clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State.

SUTTON, Betty of Ohio

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3646** * To require foreign manufacturers of products imported into the United States to establish registered agents in the United States who are authorized to accept service of process against such manufacturers, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.

TERRY, Lee of Nebraska

- H.R. 1343** To return unused or reclaimed funds made available for broadband awards in the American Recovery and Reinvestment Act of 2009 to the Treasury of the United States.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 4322** To clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State.

AUTHOR INDEX

TERRY, Lee of Nebraska

H.R. 4480 To provide for the development of a plan to increase oil and gas exploration, development, and production under oil and gas leases of Federal lands under the jurisdiction of the Secretary of Agriculture, the Secretary of Energy, the Secretary of the Interior, and the Secretary of Defense in response to a drawdown of petroleum reserves from the Strategic Petroleum Reserve.

H.R. 5879 To amend the Federal Crop Insurance Act to modify the ineligibility requirements for producers that produce an annual crop on native sod, and for other purposes.

TESTER, Jon of Montana

S. 3261 To allow the Chief of the Forest Service to award certain contracts for large air tankers.

THOMPSON, Bennie G. of Mississippi

H. Res. 760 Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.

H.R. 14 To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.

H.R. 872 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.

H.R. 1148 To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.

H.R. 2954 To improve the health of minority individuals, and for other purposes.

H.R. 2966 To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.

H.R. 3437 To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.

H.R. 4351 To provide assistance and opportunity for the creation and support of sustainable agriculture activities in America's cities and to improve access to nutrition in America's cities.

THOMPSON, Glenn of Pennsylvania

H.R. 872 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.

H.R. 1385 To repeal the sugar price support program and marketing allotments for sugar, and for other purposes.

H.R. 1573 To facilitate implementation of title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act, promote regulatory coordination, and avoid market disruption.

H.R. 1581 To release wilderness study areas administered by the Bureau of Land Management that are not suitable for wilderness designation from continued management as defacto wilderness areas and to release inventoried roadless areas within the National Forest System that are not recommended for wilderness designation from the land use restrictions of the 2001 Roadless Area Conservation Final Rule and the 2005 State Petitions for Inventoried Roadless Area Management Final Rule, and for other purposes.

H.R. 4153 To support efforts to reduce pollution of the Chesapeake Bay watershed, and for other purposes.

H.R. 4296 To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.

THOMPSON, Glenn of Pennsylvania

H.R. 5744 To address the forest health, public safety, and wildlife habitat threat presented by the risk of wildfire, including catastrophic wildfire, on National Forest System lands and public lands managed by the Bureau of Land Management by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest health, and economic development, and for other purposes.

H.R. 5873 * To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term "biobased product".

THOMPSON, Mike of California

H.R. 14 To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.

H.R. 835 To amend the Animal Welfare Act to provide further protection for puppies.

H.R. 1148 To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.

H.R. 2492 To prohibit attendance of an animal fighting venture, and for other purposes.

H.R. 3017 To provide for a more structured and stable domestic agricultural labor market in the United States, and for other purposes.

H.R. 3286 To promote local and regional farm and food systems, and for other purposes.

H.R. 3553 To amend the Federal Food, Drug, and Cosmetic Act, the Federal Meat Inspection Act, and the Poultry Products Inspection Act to require that food that contains a genetically engineered material, or that is produced with a genetically engineered material, be labeled accordingly.

H.R. 3599 To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, to provide full funding for the Payments in Lieu of Taxes program, and for other purposes.

H.R. 3798 To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.

H.R. 6154 To promote the development of renewable energy on public lands, and for other purposes.

THORNBERRY, Mac of Texas

H.R. 872 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.

H.R. 1697 To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.

H.R. 2834 To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.

H.R. 3323 To reduce the regulatory burden on the agricultural sector of the national economy.

H.R. 4322 To clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State.

TIBERI, Patrick J. of Ohio

H.R. 872 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.

H.R. 1697 To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.

VELÁZQUEZ, Nydia M. of New York

- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3291 *** To authorize the Secretary of Agriculture to make grants to community-based organizations and local redevelopment agencies operating in low-income communities to promote increased access to and consumption of fresh fruits, fresh vegetables, and other healthy foods among residents of such communities, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.

VISCLOSKEY, Peter J. of Indiana

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1739** To repeal the Federal sugar program.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.

VITTER, David of Louisiana

- S. 1947** To prohibit attendance of an animal fighting venture, and for other purposes.
- S. 3666 *** To amend the Animal Welfare Act to modify the definition of "exhibitor".

WALBERG, Tim of Michigan

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 3652** To amend the Food and Nutrition Act of 2008 to repeal the authority to make performance-based bonus payments to States.
- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.
- H.R. 4322** To clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State.
- H.R. 6688** To extend tax relief for all Americans, to replace the defense sequester scheduled to take effect on January 2, 2013, with responsible reductions in direct and other spending, and for other purposes.
- H.J. Res. 85** Disapproving the rule of the Agricultural Marketing Service of the Department of Agriculture with respect to the establishment of a Christmas tree promotion, research, and information program.

AUTHOR INDEX

WALDEN, Greg of Oregon

- H.R. 759** To require the Director of National Drug Control Policy to develop a Federal Lands Counterdrug Strategy, and for other purposes.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1343** To return unused or reclaimed funds made available for broadband awards in the American Recovery and Reinvestment Act of 2009 to the Treasury of the United States.
- H.R. 4234** To amend the Federal Land Policy and Management Act of 1976 to improve the management of grazing leases and permits, and for other purposes.
- H.R. 5744** To address the forest health, public safety, and wildlife habitat threat presented by the risk of wildfire, including catastrophic wildfire, on National Forest System lands and public lands managed by the Bureau of Land Management by requiring the Secretary of Agriculture and the Secretary of the Interior to expedite forest management projects relating to hazardous fuels reduction, forest health, and economic development, and for other purposes.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term "biobased product".
- H.R. 6089** To address the bark beetle epidemic, drought, deteriorating forest health conditions, and high risk of wildfires on National Forest System land and land under the jurisdiction of the Bureau of Land Management in the United States by expanding authorities established in the Healthy Forest Restoration Act of 2003 to provide emergency measures for high-risk areas identified by such States, to make permanent Forest Service and Bureau of Land Management authority to conduct good-neighbor cooperation with States to reduce wildfire risks, and for other purposes.

WALSH, Joe of Illinois

- H.R. 87** To repeal the Dodd-Frank Wall Street Reform and Consumer Protection Act.
- H.R. 408** To reduce Federal spending by \$2.5 trillion through fiscal year 2021.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1385** To repeal the sugar price support program and marketing allotments for sugar, and for other purposes.
- H.R. 1739** To repeal the Federal sugar program.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 3372 *** To amend the Agricultural Adjustment Act to deregulate the Federal milk marketing order program, to publish competitive milk price survey data, and for other purposes.
- H.R. 3403 *** To repeal the proposed rule of the Agricultural Marketing Service relating to the establishment of a Christmas tree promotion, research, and information program and the assessment of fees to fund such program.
- H.R. 3652** To amend the Food and Nutrition Act of 2008 to repeal the authority to make performance-based bonus payments to States.
- H.J. Res. 85** Disapproving the rule of the Agricultural Marketing Service of the Department of Agriculture with respect to the establishment of a Christmas tree promotion, research, and information program.

WALZ, Timothy J. of Minnesota

- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.

WALZ, Timothy J. of Minnesota

- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148 *** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2675** To amend the Food, Conservation, and Energy Act of 2008 to authorize producers on a farm to produce fruits and vegetables for processing on the base acres of the farm.
- H.R. 3236 *** To expand and improve opportunities for beginning farmers and ranchers, and for other purposes.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3496** To sustain fish, plants, and wildlife on America's public lands.
- H.R. 4313** To amend the Food, Conservation, and Energy Act of 2008 to require an evaluation of county workload assessments for purposes of the closure or relocation of a county office for the Farm Service Agency, and for other purposes.
- H.R. 5825** To amend the Farm Security and Rural Investment Act of 2002 to reauthorize and improve the Rural Energy for America Program.
- H.R. 5879** To amend the Federal Crop Insurance Act to modify the ineligibility requirements for producers that produce an annual crop on native sod, and for other purposes.
- H.R. 5955** To amend the Farm Security and Rural Investment Act of 2002 to improve energy programs.

WASSERMAN SCHULTZ, Debbie of Florida

- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2825** To direct the Secretary of Agriculture to convey to Miami-Dade County certain federally owned land in Florida, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4235** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to repeal the indemnification requirements for regulatory authorities to obtain access to swap data required to be provided by swaps entities under such Acts.

WATERS, Maxine of California

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.

AUTHOR INDEX

WATERS, Maxine of California

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3553** To amend the Federal Food, Drug, and Cosmetic Act, the Federal Meat Inspection Act, and the Poultry Products Inspection Act to require that food that contains a genetically engineered material, or that is produced with a genetically engineered material, be labeled accordingly.
- H.R. 3638** To create American jobs and reduce the deficit, and for other purposes.
- H.R. 3665** To require the Commodity Futures Trading Commission to impose fees and assessments to recover the cost of appropriations to the Commission.

WATT, Melvin L. of North Carolina

- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3225** To promote and enhance community agricultural production and technology in nontraditional communities through the establishment of a new office in the Department of Agriculture to ensure that Department authorities are coordinated more effectively to encourage local agricultural production and increase the availability of fresh food in nontraditional communities, particularly underserved communities experiencing hunger, poor nutrition, obesity, and food insecurity, and for other purposes.
- H.R. 3233** To amend the Food and Nutrition Act of 2008 to exclude the value of vehicles used for household transportation, or to obtain or continue employment, from the resource limitation applicable to determine eligibility to receive supplemental nutrition assistance.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3740** To provide supplemental emergency disaster assistance to agricultural producers for certain crop losses during the 2011 crop year, to eliminate limitations on certain waivers for borrowers eligible for direct farm operating loans, and to suspend the limitation on the period for which borrowers are eligible for guaranteed farm operating loans, for farming or ranching operations in counties subject to a disaster declaration issued in 2011.
- H.R. 5186** To prevent excessive speculation in energy commodities, and for other purposes.

WAXMAN, Henry A. of California

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 3465** To protect inventoried roadless areas in the National Forest System.
- H.R. 3704** To amend the Humane Methods of Livestock Slaughter Act of 1958 to ensure the humane slaughter of nonambulatory livestock, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 5860** To prohibit individuals from insuring against possible losses from having to repay illegally-received compensation or from having to pay civil penalties, and for other purposes.

WEBSTER, Daniel of Florida

- H.R. 4235** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to repeal the indemnification requirements for regulatory authorities to obtain access to swap data required to be provided by swaps entities under such Acts.
- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.

WEINER, Anthony D. of New York

- H.R. 350** To amend the Food and Nutrition Act of 2008 to provide greater access to the supplemental nutrition assistance program by reducing duplicative and burdensome administrative requirements, authorize the Secretary of Agriculture to award grants to certain community-based nonprofit feeding and anti-hunger groups for the purpose of establishing and implementing a Beyond the Soup Kitchen Pilot Program for certain socially and economically disadvantaged populations, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.

WELCH, Peter of Vermont

- H. Res. 84** Commemorating 100 years of natural resource conservation achievements made possible through the vision and leadership of Representative John W. Weeks and the enactment of the Weeks Act in 1911.
- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.
- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 765** To amend the National Forest Ski Area Permit Act of 1986 to clarify the authority of the Secretary of Agriculture regarding additional recreational uses of National Forest System land that is subject to ski area permits, and for other purposes.

AUTHOR INDEX

WELCH, Peter of Vermont

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 874** To amend the Consolidated Farm and Rural Development Act to expand eligibility for Farm Service Agency loans.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1275 *** To support State and tribal government efforts to promote research and education related to maple syrup production, natural resource sustainability in the maple syrup industry, market promotion of maple products, and greater access to lands containing maple trees for maple-sugaring activities, and for other purposes.
- H.R. 1422** To amend the Farm Security and Rural Investment Act of 2002 to extend the suspension of the limitation on the period for which certain borrowers are eligible for guaranteed assistance.
- H.R. 2256** To amend the Animal Welfare Act to ensure that all dogs and cats used by research facilities are obtained legally.
- H.R. 2328** To require the Chairman of the Commodity Futures Trading Commission to impose unilaterally position limits and margin requirements to eliminate excessive oil speculation, and to take other actions to ensure that the price of crude oil, gasoline, diesel fuel, jet fuel, and heating oil accurately reflects the fundamentals of supply and demand, to remain in effect until the date on which the Commission establishes position limits to diminish, eliminate, or prevent excessive speculation as required by title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2905** To temporarily waive the risk management purchase requirement for agricultural producers adversely impacted by Hurricane Irene or Tropical Storm Lee so that such producers are eligible to receive assistance under the Supplemental Revenue Assistance Program (SURE), Emergency Assistance for Livestock, Honey Bees, and Farm-Raised Fish Program (ELAP), and Tree Assistance Program (TAP).
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 3006 *** To amend the Commodity Exchange Act to prevent excessive speculation in commodity markets and excessive speculative position limits on energy contracts, and for other purposes.
- H.R. 3062** To establish a program for dairy producers under which producers can offset reductions in producer income when the margin between milk prices and feed costs is less than a specified amount, to establish a dairy market stabilization program for producers participating in the margin protection program, to provide for the amendment of Federal milk marketing orders, and for other purposes.
- H.R. 3092 *** To conduct a pilot program in support of efforts to increase the amount of purchases of local fresh fruits and vegetables for schools and service institutions by giving certain States the option of receiving a grant from the Secretary of Agriculture for that purpose instead of obtaining commodities under Department of Agriculture programs.
- H.R. 3233** To amend the Food and Nutrition Act of 2008 to exclude the value of vehicles used for household transportation, or to obtain or continue employment, from the resource limitation applicable to determine eligibility to receive supplemental nutrition assistance.
- H.R. 3286** To promote local and regional farm and food systems, and for other purposes.
- H.R. 3553** To amend the Federal Food, Drug, and Cosmetic Act, the Federal Meat Inspection Act, and the Poultry Products Inspection Act to require that food that contains a genetically engineered material, or that is produced with a genetically engineered material, be labeled accordingly.
- H.R. 3665** To require the Commodity Futures Trading Commission to impose fees and assessments to recover the cost of appropriations to the Commission.

WELCH, Peter of Vermont

- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4012 *** To amend the Food, Conservation, and Energy Act of 2008 to establish a community-supported agriculture promotion program.
- H.R. 4085 *** To amend the Food, Conservation, and Energy Act of 2008 to extend and improve the milk income loss contract program.
- H.R. 4457** To require the Commodity Futures Trading Commission to take certain actions to reduce excessive speculation in energy markets.
- H.R. 5825 *** To amend the Farm Security and Rural Investment Act of 2002 to reauthorize and improve the Rural Energy for America Program.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term "biobased product".

WEST, Allen B. of Florida

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3652** To amend the Food and Nutrition Act of 2008 to repeal the authority to make performance-based bonus payments to States.

WESTMORELAND, Lynn A. of Georgia

- H.R. 1274** To gain operational control of the border, enforce immigration laws, strengthen visa security, and for other purposes.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 3652** To amend the Food and Nutrition Act of 2008 to repeal the authority to make performance-based bonus payments to States.
- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.
- H.R. 4301** To contribute to the growth of the American economy and the strength of American national security by streamlining regulatory permitting procedures and increasing domestic production from all energy sources.
- H.R. 4322** To clarify that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State.
- H.R. 6567** To replace certain Federal nutrition programs with a block grant to the States, and for other purposes.

WHITFIELD, Ed of Kentucky

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1343** To return unused or reclaimed funds made available for broadband awards in the American Recovery and Reinvestment Act of 2009 to the Treasury of the United States.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.

AUTHOR INDEX

WHITFIELD, Ed of Kentucky

- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.

WILSON, Frederica S. of Florida

- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.
- H.R. 14** To reauthorize Federal-aid highway and highway safety construction programs, and for other purposes.
- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 2193** To amend title IV of the Social Security Act to ensure funding for grants to promote responsible fatherhood and strengthen low-income families, and for other purposes.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 2825** To direct the Secretary of Agriculture to convey to Miami-Dade County certain federally owned land in Florida, and for other purposes.
- H.R. 2914** To create an emergency jobs program that will fund 2,242,000 positions during fiscal years 2012 and 2013.
- H.R. 2954** To improve the health of minority individuals, and for other purposes.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 3437** To direct the Secretary of Agriculture to establish the Eva M. Clayton Fellows Program to provide for fellowships to conduct research and education on the eradication of world hunger and malnutrition, and for other purposes.
- H.R. 3798** To provide for a uniform national standard for the housing and treatment of egg-laying hens, and for other purposes.
- H.R. 4141** To direct the Administrator of the United States Agency for International Development to take appropriate actions to improve the nutritional quality, quality control, and cost effectiveness of United States food assistance, and for other purposes.
- H.R. 4235** To amend the Securities Exchange Act of 1934 and the Commodity Exchange Act to repeal the indemnification requirements for regulatory authorities to obtain access to swap data required to be provided by swaps entities under such Acts.
- H.R. 4351** To provide assistance and opportunity for the creation and support of sustainable agriculture activities in America's cities and to improve access to nutrition in America's cities.

WILSON, Joe of South Carolina

- H.R. 408** To reduce Federal spending by \$2.5 trillion through fiscal year 2021.
- H.R. 872** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Water Pollution Control Act to clarify Congressional intent regarding the regulation of the use of pesticides in or near navigable waters, and for other purposes.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.

WILSON, Joe of South Carolina

- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 3610** To consolidate and streamline redundant and ineffective Federal workforce development programs to increase accountability, reduce administrative bureaucracies, and put Americans back to work.
- H.R. 4301** To contribute to the growth of the American economy and the strength of American national security by streamlining regulatory permitting procedures and increasing domestic production from all energy sources.
- H.J. Res. 85** Disapproving the rule of the Agricultural Marketing Service of the Department of Agriculture with respect to the establishment of a Christmas tree promotion, research, and information program.

WITTMAN, Robert J. of Virginia

- H.R. 835** To amend the Animal Welfare Act to provide further protection for puppies.
- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1176** To amend the Specialty Crops Competitiveness Act of 2004 to include farmed shellfish as specialty crops.
- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2172** To facilitate the development of wind energy resources on Federal lands.
- H.R. 2834** To recognize the heritage of recreational fishing, hunting, and shooting on Federal public lands and ensure continued opportunities for these activities.
- H.R. 2966** To amend the Horse Protection Act to prohibit the shipping, transporting, moving, delivering, receiving, possessing, purchasing, selling, or donation of horses and other equines to be slaughtered for human consumption, and for other purposes.
- H.R. 4089** To protect and enhance opportunities for recreational hunting, fishing and shooting.
- H.R. 4296** To amend the Food, Conservation, and Energy Act to repeal a duplicative program relating to inspection and grading of catfish.
- H.R. 5879** To amend the Federal Crop Insurance Act to modify the ineligibility requirements for producers that produce an annual crop on native sod, and for other purposes.
- H.R. 6068** To provide for continued conservation efforts in the Chesapeake Bay watershed.

WOLF, Frank R. of Virginia

- H.R. 1148** To prohibit commodities and securities trading based on nonpublic information relating to Congress, to require additional reporting by Members and employees of Congress of securities transactions, and for other purposes.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 2000** To provide immigration reform by securing America's borders, clarifying and enforcing existing laws, and enabling a practical employer verification program.
- H.R. 2492** To prohibit attendance of an animal fighting venture, and for other purposes.
- H.R. 6068** To provide for continued conservation efforts in the Chesapeake Bay watershed.

AUTHOR INDEX

WOMACK, Steve of Arkansas

- H.R. 1167** To provide information on total spending on means-tested welfare programs, to provide additional work requirements, and to provide an overall spending limit on means-tested welfare programs.
- H.R. 1697** To enhance the ability of community banks to foster economic growth and serve their communities, boost small businesses, increase individual savings, and for other purposes.
- H.R. 1739** To repeal the Federal sugar program.
- H.R. 5873** To amend the Farm Security and Rural Investment Act of 2002 to modify the definition of the term "biobased product".

WOODALL, Rob of Georgia

- H.R. 1505** To prohibit the Secretaries of the Interior and Agriculture from taking action on public lands which impede border security on such lands, and for other purposes.

WOOLSEY, Lynn C. of California

- H. Res. 564** Recognizing the critical importance of the supplemental nutrition assistance program (SNAP), formerly called the food stamp program.
- H. Res. 760** Expressing the sense of the House of Representatives that the Congress should reject the provisions of H.R. 6083, as ordered reported by the Committee on Agriculture of the House of Representatives, that reduce the availability or amount of benefits provided under the supplemental nutrition assistance program (SNAP) in effect under the Food and Nutrition Act of 2008.

Letter from Director, Regulatory Management Division, Environmental Protection Agency, transmitting the Agency's final rule—Isobutane; Exemption from the Requirement of a Tolerance [EPA-HQ-OPP-2009-0676; FRL-8860-4] received January 31, 2011.		Letter from Director, Regulatory Management Division, Environmental Protection Agency, transmitting the Agency's final rule—Difenoconazole; Pesticide Tolerances [EPA-HQ-OPP-2009-0823; FRL-8864-9] received February 28, 2011.	
564	Feb. 18, 2011	763	Mar. 8, 2011
Letter from Director, Regulatory Management Division, Environmental Protection Agency, transmitting the Agency's final rule—Bispyribac-sodium; Pesticide Tolerances [EPA-HQ-OPP-2009-0796; FRL-8860-2] received January 31, 2011.		Letter from Director, Regulatory Management Division, Environmental Protection Agency, transmitting the Agency's final rule—Potassium hypochlorite; Exemption from the Requirement of a Tolerance [EPA-HQ-OPP-2009-0996; FRL-8859-5] received February 28, 2011.	
597	Mar. 1, 2011	802	Mar. 10, 2011
Letter from Regulatory Officer, Department of Agriculture, transmitting the Department's final rule—Adjustment of Appendices to the Dairy Tariff-Rate Import Quota Licensing Regulation for the 2010 Tariff-Rate Quota Year received January 19, 2011.		Letter from Director, Policy Issuances Division, Department of Agriculture, transmitting the Department's final rule—Nutrition Labeling of Single-Ingredient Products and Ground or Chopped Meat and Poultry Products [Doc. No.: FSIS-2005-0018] (RIN: 0583-AC60) received February 18, 2011.	
598	Mar. 1, 2011	803	Mar. 10, 2011
Letter from Director, Regulatory Management Division, Environmental Protection Agency, transmitting the Agency's final rule—Mefenoxam; Pesticide Tolerances [EPA-HQ-OPP-2009-0713; FRL-8855-1] received January 28, 2011.		Letter from Congressional Review Coordinator, Department of Agriculture, transmitting the Department's final rule—Citrus Seed Imports; Citrus Greening and Citrus Variegated Chlorosis [Doc. No.: APHIS-2008-0052] (RIN: 0579-AD07) received February 16, 2011.	
717	Mar. 3, 2011	842	Mar. 14, 2011
Letter from Director, Regulatory Management Division, Environmental Protection Agency, transmitting the Agency's final rule—Polymerized Fatty Acid Esters with Aminoalcohol Alkoxylates; Exemption from the Requirement of a Tolerance [EPA-HQ-OPP-2010-0275; FRL-8860-8] received February 11, 2011.		Letter from Director, Regulatory Review Group, Department of Agriculture, transmitting the Department's final rule—Asparagus Revenue Market Loss Assistant Payment Program (RIN: 0560-AI02) received February 18, 2011.	
718	Mar. 3, 2011	881	Mar. 15, 2011
Letter from Director, Regulatory Management Division, Environmental Protection Agency, transmitting the Agency's final rule—Clothianidin; Time-Limited Pesticide Tolerances [EPA-HQ-OPP-2010-0217; FRL-8858-3] received February 11, 2011.		Letter from Commissioner, Commodity Futures Trading Commission, transmitting a letter regarding the current budget deliberations for the Commodity Futures Trading Commission.	
719	Mar. 3, 2011	903	Mar. 17, 2011
Letter from Director, Regulatory Management Division, Environmental Protection Agency, transmitting the Agency's final rule—1,4-Benzenedicarboxylic Acid, Dimethyl Ester, Polymer with 1,4-Butanediol, Adipic Acid, and Hexamethylene Diisocyanate; Exemption from the Requirement of a Tolerance [EPA-HQ-OPP-2010-0838; FRL-8863-9] received February 11, 2011.		Letter from Secretary, Department of Agriculture, transmitting the Department's report entitled, "2010 Packers and Stockyards Program Annual Report", pursuant to the Packers and Stockyards Act of 1921, as amended.	

EXECUTIVE COMMUNICATIONS

1002	Apr. 4, 2011	1149	Apr. 8, 2011
Letter from Director, Regulatory Management Division, Environmental Protection Agency, transmitting the Agency's final rule—Potassium benzoate; Exemption from the Requirement of a Tolerance [EPA-HQ-OPP-2011-0117; FRL-8863-2] received March 3, 2011.		Letter from Congressional Review Coordinator, Department of Agriculture, transmitting the Department's final rule—National Poultry Improvement Plan and Auxiliary Provisions [Doc. No.: APHIS-2009-0031] (RIN: 0579-AD21) received March 24, 2011.	
1003	Apr. 4, 2011	1188	Apr. 11, 2011
Letter from Director, Regulatory Management Division, Environmental Protection Agency, transmitting the Agency's final rule—Peroxyacetic Acid; Amendment to an Exemption from the Requirement of a Tolerance [EPA-HQ-OPP-2008-0021; FRL-8865-3] received March 3, 2011.		Letter from Director, Regulatory Management Division, Environmental Protection Agency, transmitting the Agency's final rule—Sodium Ferric Ethylenediaminetetraacetate; Exemption from the Requirement of a Tolerance [EPA-HQ-OPP-2010-0097; FRL 8867-7] received March 29, 2011.	
1004	Apr. 4, 2011	1189	Apr. 11, 2011
Letter from Director, Regulatory Management Division, Environmental Protection Agency, transmitting the Agency's final rule—Fomesafen; Pesticide Tolerances [EPA-HQ-OPP-2010-0122; FRL-8858-5] received March 3, 2011.		Letter from Director, Regulatory Management Division, Environmental Protection Agency, transmitting the Agency's final rule—Mancozeb; Pesticide Tolerances [EPA-HQ-OPP-2005-0307; FRL-8864-1] received March 29, 2011.	
1065	Apr. 6, 2011	1190	Apr. 11, 2011
Letter from Director, Regulatory Management Division, Environmental Protection Agency, transmitting the Agency's final rule— <i>Bacillus thuringiensis</i> eCry3.1Ab Protein in Corn; Temporary Exemption from the Requirement of a Tolerance [EPA-HQ-OPP-2009-0609; FRL-8866-5] received March 10, 2011.		Letter from Director, Regulatory Management Agency, Environmental Protection Agency, transmitting the Agency's final rule—Indaziflam; Pesticide Tolerances [EPA-HQ-OPP-2009-0636; FRL-8864-3] received March 29, 2011.	
1106	Apr. 7, 2011	1218	Apr. 12, 2011
Letter from Congressional Review Coordinator, Department of Agriculture, transmitting the Department's final rule—Removal of the List of Ports of Embarkation and Export Inspection Facilities From the Regulations [Doc. No.: APHIS-2009-0078] (RIN: 0579-AD25) received April 4, 2011.		Letter from Acting Congressional Review Coordinator, Department of Agriculture, transmitting the Department's final rule—Importation of Horses From Contagious Equine Metritis-Affected Countries [Doc. No.: APHIS-2008-0112] (RIN: 0579-AD31) received March 29, 2011.	
1107	Apr. 7, 2011	1285	Apr. 15, 2011
Letter from Director, Regulatory Management Division, Environmental Protection Agency, transmitting the Agency's final rule—Dichlormid; Pesticide Tolerances [EPA-HQ-OPP-2005-0477; FRL-8866-2] received March 16, 2011.		Letter from Administrator, Department of Agriculture, transmitting the Department's final rule—U.S. Honey Producer Research, Promotion, and Consumer Information Order; Termination of Referendum Procedures [Doc. No.: AMS-FV-07-0091; FV-07-706-FR] (RIN: 0581-AC78) received March 23, 2011.	
1148	Apr. 8, 2011	1286	Apr. 15, 2011
Letter from Congressional Review Coordinator, Department of Agriculture, transmitting the Department's final rule—Changes in Disease Status of the Brazilian State of Santa Catarina With Regard to Certain Ruminant and Swine Diseases; Technical Amendment [Doc. No.: APHIS-2009-0034] (RIN: 0579-AD12) received March 23, 2011.		Letter from Administrator, Department of Agriculture, transmitting the Department's final rule—National Organic Program; Amendment to the National List of Allowed and Prohibited Substances (Livestock) [Doc. No.: AMS-NOP-10-0051; NOP-10-04FR] (RIN: 0581-AD04) received March 23, 2011.	

EXECUTIVE COMMUNICATIONS

1287	Apr. 15, 2011	1363	May 3, 2011
Letter from Administrator, Department of Agriculture, transmitting the Department's final rule—Walnuts Grown in California; Decreased Assessment Rate [Doc. No.: AMS-FV-10-0060; FV10-984-1FIR] received March 23, 2011.		Letter from Director, Regulatory Management Division, Environmental Protection Agency, transmitting the Agency's final rule—Flubendiamide; Pesticide Tolerances [EPA-HQ-OPP-2007-0099; FRL-8863-8] received March 22, 2011.	
1288	Apr. 15, 2011	1364	May 3, 2011
Letter from Assistant Administrator, Department of Agriculture, transmitting the Department's final rule—Marketing Order Regulating the Handling of Spearmint Oil Produced in the Far West; Revision of the Salable Quantity and Allotment Percentage for Class 3 (Native) Spearmint Oil for the 2010-2011 Marketing Year [Doc. Nos.: AMS-FV-09-0082; FV10-985-1A IR] received March 23, 2011.		Letter from Director, Regulatory Management Division, Environmental Protection Agency, transmitting the Agency's final rule— <i>Aspergillus flavus</i> AF36; Exemption from the Requirement of a Tolerance [EPA-HQ-OPP-2010-0101; FRL-8868-7] received March 22, 2011.	
1289	Apr. 15, 2011	1365	May 3, 2011
Letter from Administrator, Department of Agriculture, transmitting the Department's final rule—Country of Origin Labeling of Packed Honey [Document No.: AMS-FV-08-0075] (RIN: 0581-AC89) received March 23, 2011.		Letter from Director, Regulatory Management Division, Environmental Protection Agency, transmitting the Agency's final rule—Hexythiazox; Pesticide Tolerances [EPA-HQ-OPP-2009-0325; FRL-8868-6] received April 4, 2011.	
1290	Apr. 15, 2011	1366	May 3, 2011
Letter from Administrator, Department of Agriculture, transmitting the Department's final rule—Blueberry Promotion, Research, and Information Order; Section 610 Review [Doc. No.: AMS-FV-10-0006] received March 23, 2011.		Letter from Director, Regulatory Management Division, Environmental Protection Agency, transmitting the Agency's final rule—Ethiprole; Pesticide Tolerances [EPA-HQ-OPP-2009-0493; FRL-8863-1] received April 4, 2011.	
1291	Apr. 15, 2011	1424	May 5, 2011
Letter from Administrator, Department of Agriculture, transmitting the Department's final rule—Avocados Grown in South Florida; Increased Assessment Rate [Doc. No.: AMS-FV-10-0067; FV10-915-1FIR] received March 23, 2011.		Letter from Administrator, Department of Agriculture, transmitting the Department's final rule—Minimum Quality and Handling Standards for Domestic and Imported Peanuts Marketed in the United States; Section 610 Review [Doc. No.: AMS-FV-10-0030; FV10-996-610 Review] received March 23, 2011.	
1292	Apr. 15, 2011	1425	May 5, 2011
Letter from Administrator, Department of Agriculture, transmitting the Department's final rule—Tart Cherries Grown in the States of Michigan, <i>et al.</i> ; Final Free and Restricted Percentages for the 2010-2011 Crop Year for Tart Cherries [Doc. No.: AMS-FV-10-930-4FR] received March 23, 2011.		Letter from Administrator, Department of Agriculture, transmitting the Department's final rule—Olives Grown in California; Decreased Assessment Rate [Doc. No.: AMS-FV-10-0115; FV11-932-1 IR] received March 23, 2011.	
1306	May 2, 2011	1426	May 5, 2011
Letter from Administrator, Department of Agriculture, transmitting the Department's final rule—Kiwifruit Grown in California; Order Amending Marketing Order No. 920; Correction [Doc. No.: AO-FV-08-0174; AMS-FV-08-0085; FV08-920-3 C] received April 19, 2011.		Letter from Administrator, Department of Agriculture, transmitting the Department's final rule—Pears Grown in Oregon and Washington; Amendment To Allow Additional Exemptions [Doc. No.: AMS-FV-10-0072; FV10-927-1 IR] received March 23, 2011.
